AGENDA ITEM D-6

CITY OF LODI
COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding Contract to FCS Group for OMB A-87 Cost Allocation Plan and Indirect Cost Rate Services for a Five Year Period ($77,000)

MEETING DATE: June 16, 2010

PREPARED BY: Deputy City Manager

RECOMMENDED ACTION: Adopt resolution awarding contract to FCS Group for OMB A-87 Cost Allocation Plan and Indirect Cost Rate services for a five-year period ($77,000).

BACKGROUND INFORMATION: The City Council authorized issuance of a Request for Proposals (RFP) for A-87 Cost Allocation Plan and Indirect Cost Rate services on April 7, 2010. The RFP was posted on the City web site and 17 vendors were directly notified of the posting. Proposals were received from the following seven firms:

Capital Accounting Partners	MGT of America
FCS Group	Tischler Bise
Macias Consulting	Willdan
Maximus	

A selection committee composed of four City staff independently evaluated the proposals based upon the criteria stated in the RFP (qualifications and experience of the firm; qualifications and experience of the assigned personnel; approach and quality of the work plan; and fee structure). While price was not the sole determining factor, five-year costs ranged from a low of $42,640 to a high of $160,163. Based upon the rating criteria, FCS Group was the unanimous choice of the selection committee.

The selected contractor will provide a full Cost Allocation Plan for use in determining General Fund cost of services allocations to other funds or departments. Additionally, the contractor will provide an OMB A-87 compliant Cost Allocation Plan for use in federal grant-claiming. Further, the contractor will calculate indirect cost rates for selected departments/divisions for grant claiming purposes and will assist in obtaining approval from federal/state agencies for the use of such rates. At the conclusion of the contract, the City will own a copy of the allocation model and will be trained in its use and application.

FISCAL IMPACT: Annual cost for the preparation of the cost plan and indirect cost rate proposals is $15,400. Total cost for the five year contract is $77,000. Unknown additional revenues will be generated over the life of the contract.

FUNDING AVAILABLE: Funding is included in the Non-departmental budget unit (100241.7323) for FY 2010/11.

Jordan Ayers
Deputy City Manager

APPROVED: _____
Konradt Bartlam, Interim City Manager

CITY OF LODI

REQUEST FOR PROPOSALS

FOR

OMB A-87 COST ALLOCATION PLANS AND INDIRECT COST RATES

Proposal Date: April 8,2010

I. PROJECT OVERVIEW

A. Goal

The City of Lodi ("City") requests Proposals from qualified firms ("Consultant") to develop annual City-wide central service cost allocation plans and annual indirect cost rate proposals for selected divisions/business units in accordance with the Office of Management and Budget (OMB) Circular A-87 (Cost Principles for State, Local, and Indian Tribal Governments), and applicable state and federal regulations which will allow the City to maximize reimbursements from federal and state agencies. The City intends to award a contract covering five fiscal years. The Proposal must cover all points outlined in this document.

B. Description of City

The City is a general law city, duly created, organized and existing under the laws of the State of California. The City operates under the Council-Manager form of government and is governed by a 5-member Council.

The City provides the full spectrum of municipal services.

The City has approximately 410 full time employees and consists of the following departments: City Manager, City Attorney, City Clerk, Internal Services, Police, Fire, Public Works, Electric Utility, Community Development, Parks and Recreation, Library and Community Center. The City operates with a Cost of Services allocation that had been completed in 2007. The City does not currently fully allocate central service costs to all operating departments and divisions. **Exhibit 1** is the City's current organizational chart and a brief description of the central service units. In addition, a copy of the City's most recent audited financial statement is available on the City's website at www.lodi.gov.

C. Proposal Requirements

The City wishes to establish annual City-wide central service cost allocation plans in compliance with Federal OMB Circular A-87 that meet, at a minimum, the guidelines set forth by the California Department of Transportation (Caltrans), the Federal Highway Administration (FHWA) and/or the Federal Transit Administration (FTA), and the Federal Housing and Urban Development (HUD) and must be in a format acceptable to the City's cognizant federal agency. The City also desires annual indirect cost rate proposals to be calculated for selected

divisions/business units of the City in accordance with the above-mentioned government organizations.

The City's fiscal year is July 1st though June 30th. The cost allocation plans and indirect cost rate proposals will be based on audited data which will be available approximately November 15th following the end of each fiscal year.

The City intends to award a five-year contract. The contract will cover the calculation of City-wide central service cost allocation plans and indirect cost rates for five consecutive years starting with Fiscal Year 2010-11.

Successful experience working with Caltrans Department of Audits and Investigations, FTA and HUD is preferred.

D. Scope of Services

The Consultant is required, but not limited, to:

1. Conduct appropriate interviews with City departments to identify appropriate allocation bases and methods of distributing costs that are most appropriate which may favorably impact indirect cost recoveries.

2. After appropriate consultations necessary to gain familiarity with City operations, recommend strategies and procedures to maximize potential recovery of City costs from grant sources.

3. Instruct City staff on OMB Circular A-87 concepts and application. Identify available data which can be effectively incorporated into the indirect cost allocation plans, and determine opportunities to simplify data collection activities for future plans.

4. Develop and prepare City-wide central service cost allocation plans and indirect cost rate proposals for selected divisions/business units of the City, in accordance with OMB Circular A-87 for federal and state grant reimbursement. The finished products should meet, at a minimum, the guidelines set forth by Caltrans, the FHWA and/or FTA, and HUD and will be in a format acceptable to City's cognizant federal agency.

5. Assist in negotiating with cognizant agencies. Note: Should the cognizant agency not approve the plan or rate(s), the Consultant **shall** modify the document(s) to an acceptable level within the appropriate designated time frame. **At its discretion, the City may withhold 5% of each yearly payment until a letter of approval from the appropriate cognizant agency is received by the City.**

6. Provide the model used to calculate the allocations and indirect cost rates and train City staff in the model that Consultant uses such that City staff would be able to use the model independently after the termination of the contract resulting from this proposal.

E. Project Deliverables

At minimum, the Consultant will be required to provide the following products in the

performance of the contract. The following schedule reflects the City's preferred timetable. Proposers shall indicate whether they accept the following timetable or propose an alternate schedule.

1. **For Fiscal Year 2010-11 (based on 2008-2009 audited data)** – Drafts of the following are due to the City by October 1,2010, and in final form to the cognizant agency no later than November 5,2010:
    a. City-wide Central Service Cost Allocation Plan
    b. Indirect Cost Rate Proposals for the units listed in Exhibit 1

2. **For Fiscal Year 2011-2012 (based on 2009-2010 audited data)** – Drafts of the following are due to the City by February 1,2011, and in final form to the cognizant agency no later than March 1,2011:
    a. City-wide Central Service Cost Allocation Plan
    b. Indirect Cost Rate Proposals for the units listed in Exhibit 1

3. **For Fiscal Year 2012-2013 (based on 2010-2011 audited data)** – Drafts of the following are due to the City by February 1,2012, and in final form to the cognizant agency no later than March 1,2012:
    a. City-wide Central Service Cost Allocation Plan
    b. Indirect Cost Rate Proposals for the units listed in Exhibit 1

4. **For Fiscal Year 2013-2014 (based on 2011-2012 audited data)** – Drafts of the following are due to the City by February 1,2013, and in final form to the cognizant agency no later than March 1,2013:
    a. City-wide Central Service Cost Allocation Plan
    b. Indirect Cost Rate Proposals for the units listed in Exhibit 1

5. **For Fiscal Year 2014-2015 (based on 2012-2013 audited data)** – Drafts of the following are due to the City by February 1,2014, and in final form to the cognizant agency no later than March 1,2014:
    a. City-wide Cost Allocation Plan
    b. Indirect Cost Rate Proposals for the units listed in Exhibit 1

The City reserves the right to eliminate from the Scope of Services in any year any sub-component of the Indirect Cost Rate Proposal. Should the City remove any sub-component in any year, payment to the Consultant will be modified by mutual agreement between the City and the Consultant.

A summary table of the deliverables is included in **Exhibit 2** for reference.

Note: Electronic versions and five (5) written copies of Drafts and Final Documents are required for each year.

F. Contract Term

The City intends to award a five-year contract unless terminated sooner in accordance with Section 18 of the Sample Professional Services Agreement **(Exhibit 3).** The contract will cover the calculation of City-wide central service cost allocation plans and indirect cost rates for five consecutive fiscal years starting with 2010-2011.

11. PROPOSAL INSTRUCTIONS AND DESCRIPTION OF THE PROPOSAL PROCESS

A. Timeline for Proposal Submission Process

RFP Issued	Thursday, April 8,2010
Request for Clarification Due Date	Wednesday, April 21,2010 by 4:00 PST
Addendum (if necessary)	Monday, May 3, 2010
Proposal Due Date	***Monday May 17,2010 by 4:00pm PST***
Interviews (if necessary)	Wednesday, June 3, 2010 or Thursday, June 4,2010
City Council Award of Contract	Wednesday, June 16,2010
Notice to Proceed	July 2010 (date TBD)

B. Requests for Clarification, Corrections or Modifications

Any requests for clarification, correction or modifications of proposal requirements shall be submitted in writing to the Deputy City Manager by **4:00 p.m. PST Wednesday, April 21, 2010.** Any interpretation or modification of the Request for Proposals (RFP) will be made by written addenda only, duly issued by the Deputy City Manager no later than **Monday, May 3, 2010.** Copies of such addenda will be mailed or delivered to each firm receiving the RFP. All oral modifications of these conditions or specifications are void and ineffective. The City reserves the right to reject any Proposal that contains unauthorized conditions or exceptions.

C. Proposal Submission

An original Proposal and six (6) copies should be submitted in a sealed envelope marked, **"OMB A-87 COST ALLOCATION PLANS AND INDIRECT COST RATES"** and plainly endorsed with the Proposer's name and address. Proposals will be sent or delivered to the following address:

Mail To:
City of Lodi
P.O. Box 3006
Lodi, CA 95241-1910

Attention: Jordan Ayers, Deputy City Manager

Hand Deliver To:
City of Lodi
Finance Division
310 West Elm Street
Lodi, CA
Attention: Jordan Ayers, Deputy City Manager

Proposals must be received no later than **Monday May 17,2010 at 4:00pm PST.** Proposals received after the time and date specified will not be considered. The City is not responsible for delayed deliveries due to mailing. The time received in the City office shall determine the official time received. Submission of a Proposal shall constitute a firm offer to the City for ninety (90) days from the submission deadline for Proposals.

City staff will review all Proposals received and several finalists may be selected. These finalists may be invited to an oral interview. Please reserve **Wednesday, June 3,2010 and Thursday, June 4,2010** as tentative dates for finalist interviews should interviews be conducted. It is requested that the attendees be restricted to those individuals who will have direct involvement with the program.

D. Proposal Forms and Sample Documents

The following documents are included in this RFP:

- **Exhibit 1:** Description of Central Service Units and City Organizational Chart
- **Exhibit 2:** Summary of Deliverables
- **Exhibit 3:** Sample Professional Services Agreement
- **Exhibit 4:** Proposal Form
- **Exhibit 5:** Acknowledgment of Addenda (if applicable)

The Proposal Form **(Exhibit 4)** must be completed and signed by one or more individuals with authority to bind the Proposer to the Proposal. If addenda are issued, the Proposer must complete and submit the Acknowledgment of Addenda **(Exhibit 5)** with its proposal.

E. Proposal Content

To achieve a uniform review process and obtain the maximum degree of comparability, it is required that Proposals include the following basic format. The Proposer is expected to provide services as outlined in this RFP and prepare its response to fully address its ability to satisfy these components.

1. **General Information of Firm** - Please provide the following:
   a) Firm's name and address
   b) RFP contact / phone / fax / email
   c) Names of authorized principals with authority to negotiate and contractually bind the firm
   d) A signed letter of transmittal stating the Proposer's understanding of the work

to be done, a statement why the firm believes itself to be the best qualified to perform the engagement, and a statement that the proposal is a firm and irrevocable offer for the 90 days after June 17,2010. Please confirm that the firm has accepted the Sample Professional Services Agreement included as **Exhibit 3.**

e) Indicate whether there are any conflicts of interest that would limit your ability to provide services. See Section 22 of the Sample Professional Services Agreement **(Exhibit 3).** Provide any required disclosures pursuant to the Levine Act. See Section J below.

2. lifi ang Experience of the Firm - l r the following

a) Describe your firm's history and organizational structure. Include number of years in business, size of company (employees, yearly revenue).

b) Describe your firm's experience with servicing public agency clients for services described in this RFP.

c) How many years has your firm been doing work outlined in the scope of this RFP?

d) Describe any known or perceived actual or potential conflicts of interest with the City, its Council members, officers, agents or employees. (Please refer to Section 22, Conflict of Interests of the Sample Professional Services Agreement in **Exhibit 3).**

3. Qualifications and Experience of Team

a) How many staff would be assigned to conduct the scope of work? Identify the members of the plan service team including their tenure with your firm, background including any applicable licenses and certifications, education and location and the role they will play in managing the City's account.

b) Will you utilize any subcontractors for the servicing of this plan? If yes, describe your relationship with the subcontractor, the subcontractor's history and experience in providing similar fund services and the experience of the subcontractor's employees that will provide services to the plan.

4. Approach

a) Outline how your firm plans to accomplish the Scope of Services outlined in **Section I.D.** and Project Deliverables outlined in **Section I.E.** of this RFP. Submit a work plan that details your firm's approach and methodology, as well as a proposed timeline that indicates when each element of the Scope of Services will be performed and when each Project Deliverable will be completed.

b) Describe in detail the information your firm would require from the City to complete the work requested.

c) Attach as an Exhibit to your proposal a sample cost allocation plan and indirect cost rates that your firm has done in the last year, preferably, that was submitted to Caltrans or FTA for approval. You may redact confidential information as necessary.

d) Please describe any other services and/or area of expertise, which are included in your total fee, or that may distinguish your firm's ability to provide the

services requested in this RFP.

e) Indicate whether the City's proposed manner of payment set forth in Section **13** of the attached Sample Professional Services Agreement **(Exhibit 3)** is acceptable. Propose an alternate payment methodology if desired.

5. Financial Stability

a) Attach a copy of your AM Best rating or Dun and Bradstreet rating as an Exhibit to your proposal.

b) Attach a copy of your most recent audited financial statement as an Exhibit to your proposal.

c) If the Proposer is not a publicly held corporation and does not have AM Best or Dun and Bradstreet rating or audited financial statements, please provide internal unaudited financial statements, financial references, and any other pertinent information to allow the City to reasonably formulate a determination about the stability and financial strength of your *firm.*

d) List any pending administrative proceedings, investigations and civil suits against the firm relating to the firm's performance of its professional duties

6. References

Please list the names, addresses, and telephone numbers relating to three (3) existing clients and two (2) previous clients for whom your firm has developed recent (within the last three years) cost allocation plans and indirect cost rates, preferably, which were submitted to Caltrans or FTA for approval. Please provide a brief description of the work provided for each reference.

7. Fee Structure

Please complete Proposal Form **(Exhibit 4)** to provide a fixed all-inclusive fee structure to perform all services described in the Scope of Services **(Section I.D.)** and Project Deliverables **(Section I.E.)** above. No additional reimbursement will be provided for travel time, expenses, telephone costs, copying costs, etc. Please also submit on a separate page hourly rates, by personnel category, for each year which will apply to any modification to the scope of services. The hourly rates set forth shall hold firm for each year. The City will evaluate cost proposals on the basis of the Grand Total sum of the Yearly Totals as indicated on the Proposal Form.

8. Certificate of Insurance

Proposers are requested to provide a completed sample Certificate of Insurance evidencing the coverage types and the minimum limits required as described in Section 12 of the Sample Professional Services Agreement **(Exhibit 3)** with their proposal. The City requires this information to facilitate completing contract formalities in a timely manner if an award is made. The City may request additional information or clarification if necessary.

F. Withdrawal of Proposal

Submission of a Proposal shall constitute a firm offer to the City for ninety (90) days from the submission deadline for Proposals.

A Proposer may withdraw its Proposal anytime before the date and time when Proposals are due,

without prejudice, by submitting a written request for its withdrawal to the Deputy City Manager. A telephone request is not acceptable.

G. Selection Criteria

The City intends to award **a** Contract to the most qualified firm submitting a responsive Proposal. Ranking will be based on a maximum of 100 points, weighted as indicated on the following table. In determining the number of points a Proposal will receive in each category, the City will consider the Proposal material submitted, oral interviews (if applicable), and any other relevant information about a given Proposer. The firm submitting a responsive Proposal with the highest total weighted score, based on composite scoring of the selection committee, will be determined to be the most qualified. The following criteria will be used in the evaluation of the Proposals:

Selection Criteria	Points Awarded
1. Qualifications and Experience of Firm • Financial stability of firm • Quality of references of similar work performed • Firm's experience in servicing public agencies relating to the Scope and Services and Project Deliverables outlined in this RFP	**0-10**
2. Qualifications and Experience of Personnel Assigned to the Project • Expertise and technical qualifications of firm's staff who will execute Scope of Services outlined in the RFP • Staffs experience (in particular with Caltrans and FTA) relating to the Scope and Services and Project Deliverables outlined in this RFP	**0-20**
3. Approach and Quality of Work Plan • Comprehensiveness, feasibility, and effectiveness of Proposal and submitted work plan • Quality of sample cost allocation plan report and indirect rate proposals • Proposed schedule for performing all services and providing all deliverables	**0-40**
4. Fee Structure	**0-30**
Grand Total	**0-100**

The City may reject any Proposal in which the approach, qualifications or proposed compensation are not deemed to be within an acceptable or competitive range. The City may seek clarifications from any or all Proposers regarding their Proposals, or may request that Proposers submit modified Proposals.

Following the initial review and screening of the written Proposals, using the Selection Criteria described above, one or more companies *may* be invited to participate in the final selection

process, which may include participation in an oral interview and/or submission of any additional information as requested by the City.

The City reserves the right to conduct pre-award negotiations with any or all Proposers, and the right to award the contract without negotiations. The City reserves the right to award the Contract without conducting interviews.

This RFP does not commit the City to awarding a Contract. Proposers shall bear all costs incurred in the preparation of the Proposal and participating in the Proposal process. The City reserves the right to reject any and all Proposals, to accept the Proposal it considers most favorable to the City's interest in its sole discretion, and to waive minor irregularities. The City further reserves the right to seek new Proposals when such procedure is considered by it to be in the best interest of the City.

H. Protest Procedures

Protests based upon restrictive specifications or alleged improprieties in the RFP procedure shall be filed in writing with the Deputy City Manager at least five (5) calendar days prior to Proposal opening. The protest must clearly specify in writing the grounds and evidence on which the protest is based.

Protests based upon City staffs recommendation for award of the Contract shall be submitted in writing to the Deputy City Manager within forty-eight (48) hours of receipt of notice of the staff recommendation for award. The protest must clearly specify in writing the grounds and evidence on which the protest is based.

Failure to comply with any of the requirements set forth in this section of the RFP regarding proposal protest procedures may result in rejection of the protest.

I. Confidentiality

The California Public Records Act (Cal. Govt. Code Sections 6250 et seq.) mandates public access to government records. Therefore, unless the information is exempt from disclosure by law, the content of any request for explanation, exception or substitution, response to these specifications, protest or any other written communication between the City and the Proposer shall be available to the public.

If the Proposer believes any communication contains trade secrets or other proprietary information that the Proposer believes would cause substantial injury to the Proposer's competitive position if disclosed, the Proposer shall request that the City withhold from disclosure the proprietary information by marking each page containing such proprietary information as confidential. The Proposer may not designate its entire Proposal as confidential. Additionally, the Proposer may not designate Proposal Forms as confidential.

If the Proposer requests that the City withhold from disclosure information identified as confidential, and the City complies with the Proposer's request, the Proposer shall assume all responsibility for any challenges resulting from the non-disclosure, indemnify and hold harmless the City from and against all damages (including but not limited to attorneys' fees that may be awarded to the party requesting the Proposer information), and pay any and all cost and expenses related to the withholding of the Proposer information. The Proposer shall not make a claim, sue

or maintain any legal action against the City or its council members, officers, employees or agents in connection with the withholding from disclosure of Proposer information.

If the Proposer does not request that the City withhold from disclosure information identified as confidential, the City shall have no obligation to withhold the information from disclosure and may release the information sought without liability to the City.

J. Form of Professional Services Agreement

The firm selected by the City to perform the services outlined in this RFP will be required to execute an Agreement for Professional Services with the City, the general form of which is attached as **Exhibit 3** so that potential Proposers have an opportunity to review the terms and conditions that will be included in the Agreement. If a Proposer desires any modifications to the form of Agreement, they must be submitted for consideration with the Proposal. Otherwise, the Proposer will be deemed to have accepted the form of Agreement. Attention is directed, in particular, to the Indemnification and Insurance requirements set forth in Sections 11 and 12 of the Agreement.

K. Ex Parte Communication

Proposers and Proposers' representatives may not communicate orally with an officer, council member, employee or agent of the City, with the exception of the Deputy City Manager regarding this RFP until after a Notice to Proceed has been issued by the City. Proposers and their representatives are not prohibited, however, from making oral statements or presentations in public to one or more representatives of the City during a public meeting.

In the context of this RFP, an "ex parte communication" is any communication between a Proposer (or the Proposer's representative) and the City's City Manager, Council Member, officer or employee, regardless of who initiates the communication, other than as part of the procurement process specified herein, before the City issues a Notice to Proceed, unless it is in writing and available for disclosure to the general public.

EXHIBIT 1

CITY OF LODI

CENTRAL SUPPORT UNITS

The following is a brief description of each of the Central Support Units that will need to be included in the cost allocation plan.

City Manager

This unit consists of the City Manager's Office, Economic Development, and Community Promotions units. Services are provided to all City departments. These units do not generate any direct revenue.

City Attorney

The City Attorney provides services to all City departments. Occasionally, services are provided that are reimbursable by an outside party.

City Clerk

The City Clerk provides services to all City departments. There is no outside revenue for this function.

Internal Services

This department consists of Financial Services, Budget and Treasury (which includes Purchasing), Human Resources, Information Systems and Non-Departmental Costs.

- *Financial Services*
  - This division consists of the Accounting group and the Utility Billing and Collections group. The Accounting group provides services to all City departments. The Utility Billing and Collections group provides services to the City-owned utilities. Each of these groups direct bills other departments for some services, collects some costs through a component of franchise fees and collects the balance of their costs through the cost of services allocation.

- *Budget and Treasury*
  - Services are provided to all City departments. All costs of these units are recovered through the cost of services allocation.

- *Human Resources*
  - Services are provided to all City departments. All costs of this unit are recovered through the cost of services allocation.

- *Information Systems*
  - Services are provided to all City departments. All costs of these units are recovered through the cost of services allocation.

- *Non-Departmental Costs*

- This component of the City budget comprises a number of business units. Among them are debt service for General Fund supported debt, facilities operation and maintenance costs, transfers to other funds, City-wide postage costs and other general support costs. This unit does not have any direct revenue sources supporting its expenses.

INDIRECT RATES REQUIRED

The following is a listing of the units that will need indirect rates calculated in support of Federal and State grants.

Police Department
Public Works Engineering
Public Works Facility Services
Public Works Water Utility
Public Works Wastewater Utility
Public Works Transit
Public Works Streets
Public Works Fleet Services
Community Development Neighborhood Services
Parks Department
Recreation Department
Library Department

SAMPLE PROFESSIONAL SERVICES AGREEMENT

PROFESSIONAL SERVICES AGREEMENT
RELATIVE TO
REQUEST FOR PROPOSALS (RFP) ,
OMB A-87 COST ALLOCATION PLANS AND INDIRECT COST RATES

THIS AGREEMENT is made as of the _____ day of _____, 2010, by and between the CITY OF LODI (hereinafter referred to as "City") and _____, (hereinafter referred to as "Consultant").

WHEREAS, the City desires to obtain professional services to develop City-wide central service cost allocation plans and annual indirect cost proposals for selected divisions/business units in accordance with the Office of Management and Budget (OMB) Circular A-87, and the Cost Principles and Procedures for Establishing Cost Allocation Plans and Indirect Cost Rates for Agreements with the Federal Government (ASMB C-10) relative to Request for Proposals (RFP) , *OMB A-87 Cost Allocation Plans and Indirect Cost Rates;* and

WHEREAS, the City has issued an RFP dated April 8, 2010, a copy of which is attached and incorporated as Exhibit A; and

WHEREAS, the Consultant desires to provide such services and has represented that it is experienced and qualified to perform such services. It has submitted a written proposal, dated _____, 2010 a copy of which is attached and incorporated as Exhibit B.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. RENDITION OF SERVICES

The Consultant agrees to provide professional services to the City in accordance with the terms and conditions of this Agreement. In the performance of its work, the Consultant represents that it has and will exercise the degree of professional care, skill, efficiency, and judgment of consultants with special expertise in developing OMB A-87 Cost Allocation Plans and Indirect Cost Rates, and the Consultant represents that it carries all applicable licenses, certificates, and registrations needed for the work in current and good standing.

2. SCOPE OF SERVICES

The scope of the Consultant's services shall consist of the services set forth in Exhibit A, as supplemented by Exhibit B, except when inconsistent with Exhibit A.

3. SCHEDULE AND TIME OF COMPLETION

The Consultant shall commence work upon the City's issuance of a written notice to proceed. The term of this Agreement will be a five (5)-year contract. Unless the Agreement is terminated sooner pursuant to Section 18, services shall be performed within the deadlines set forth in Exhibit A unless otherwise mutually agreed upon by the City and the Consultant.

4. KEY PERSONNEL

It is understood and agreed by the parties that at all times during the term of this Agreement that _____ shall serve as the primary staff person of the Consultant to undertake, render and oversee all of the services under this Agreement. Upon written notice by the Consultant and approval by the City, which will not be unreasonably withheld, the Consultant may substitute this person with another person, who may possess similar qualifications and experience for this position.

5. COMPENSATION

The Consultant agrees to perform all of the services included in Section 2 for a total all inclusive sum not-to-exceed fee of _____ ($_____), in accordance with Exhibits A and B. The total all inclusive sum shall include all labor, materials, taxes, profit, overhead, insurance, subcontractor costs and all other costs and expenses incurred by the Consultant. The hourly rate by personnel category shall be as set forth in Exhibit B. The City will pay the Consultant in accordance with Section 13.

6. NOTICES

All communications relating to the day-to-day activities of the project shall be exchanged between the City's Deputy City Manager and the Consultant's _____

All other notices and communications regarding interpretation of the terms of this contract and changes thereto shall be given to the other party in writing and may be given by personal delivery to a representative of the parties or by mailing the same postage prepaid, addressed as follows:

If to the City:
City of Lodi
P.O. Box 3006
Lodi, CA 95241-1910
Attention: Jordan Ayers, Deputy City Manager

If to the Consultant:
_____
_____
_____
Attention: _____

The address to which mailings may be made may be changed from time to time by notice mailed as described above. Any notice given by mail shall be deemed given on the day after that on which it is deposited in the United States Mail as provided above.

7. OWNERSHIP OF WORK

All reports, designs, drawings, plans, specifications, analyses, charts, tables, schedules and all other materials prepared, or in the process of being prepared, for the services to be performed by the Consultant shall be and are the property of the City. The City shall be entitled access to and copies of these materials during the progress of the work. Any such materials remaining in the hands of the Consultant or in the hands of any subcontractor upon completion or termination of the work shall be immediately delivered to the City. If any materials are lost, damaged or destroyed before final delivery to the City, the Consultant shall replace them at its own expense and the Consultant assumes all risks of loss, damage or destruction of or to such materials. The Consultant may retain a copy of all material produced under this Agreement for its use in its general business activities.

Any and all rights, title, and interest (including without limitation copyright and any other intellectual-property or proprietary right) to materials prepared under this Agreement are hereby assigned to the City. The Consultant agrees to execute any additional documents which may be necessary to evidence such assignment.

The Consultant represents and warrants that all materials prepared under this Agreement are original or developed from materials in the public domain (or both) and that all materials prepared under and services provided under this Agreement do not infringe or violate any copyright, trademark, patent, trade secret, or other intellectual-property or proprietary right of any third party.

8. CONFIDENTIALITY

Any City materials to which the Consultant has access or materials prepared by the Consultant during the course of this Agreement ("confidential information") shall be held in confidence by the Consultant, who shall exercise all reasonable precautions to prevent the disclosure of confidential information to anyone except the officers, employees and agents of the Consultant as necessary to accomplish the rendition of services set forth in Section 2 of this Agreement.

The Consultant shall not release any reports, information or promotional materials prepared in connection with this Agreement, whether deemed confidential or not, to any third party without the approval of the City.

9. USE OF SUBCONTRGCTORS

The Consultant shall not subcontract any services to be performed by it under this Agreement without the prior written approval of the City, except for service firms engaged in drawing, reproduction, typing, and printing. Any subcontractors must be engaged under written contract with the Consultant with provisions allowing the Consultant to comply with all requirements of this Agreement, including without limitation the "Ownership of Work" provisions in Section 7. The Consultant shall be solely responsible for reimbursing any subcontractors and the City shall have no obligation to them.

10. CHANGES

The City may, at any time, by written order, make changes within the scope of work and services described in this Agreement. If such changes cause an increase in the budgeted cost of or the time required for performance of the agreed upon work, an equitable adjustment as mutually agreed shall be made in the limit on compensation as set forth in Section 5 or in the time of required performance as set forth in Section 3, or both. In the event that the Consultant encounters any unanticipated conditions or contingencies that may affect the scope of work or services, schedule, or the amount of compensation specified herein, the Consultant shall so advise the City immediately upon notice of such condition or contingency. The written notice shall explain the circumstances giving rise to the unforeseen condition or contingency and shall set forth the proposed adjustment in schedule or compensation. This notice shall be given to the City prior to the time that the Consultant performs work or services related to any proposed adjustment. The pertinent changes shall be expressed in a written supplement to this Agreement prior to implementation of such changes.

11. RESPONSIBILITY: INDEMNIFICATION

The Consultant shall indemnify, keep and save harmless the City and its council members, officers, agents and employees against any and all suits, claims or actions arising out of any of the following:

A. any injury to persons or property that may occur, or that may be alleged to have occurred, arising from the performance of this Agreement by the Consultant caused by a negligent act or omission or willful misconduct of the Consultant or its employees, subcontractors or agents; or

B. any allegation that materials or services provided by the Consultant under this Agreement infringe or violate any copyright, trademark, patent, trade secret, or any other intellectual-property or proprietary right of any third party.

The Consultant further agrees to defend any and all such actions, suits or claims and pay all charges of attorneys and all other costs and expenses of defenses as they are incurred. If any judgment is rendered against the City or any of the other individuals enumerated above in any such action, the Consultant shall, at its expense, satisfy and discharge the same. This indemnification shall survive termination or expiration of the Agreement.

12. INSURANCE

A. Types of Insurance

The Consultant shall not commence work until proper evidence of insurance coverage of the types and amounts specified in this section has been provided to City. The Consultant shall not violate or permit to be violated any conditions or provisions of said policies of insurance, and at all times shall satisfy the requirements of the insurer for the purpose of maintaining said insurance in effect.

If any claim is made by any third person against the Consultant on account of any incident connected to the Agreement, the Consultant shall promptly report the fact in writing to City, giving full details of the claim.

Any person, firm, or corporation that the Consultant authorizes to work upon the City's property, including any subcontractor, shall be deemed to be the Consultant's agent and shall be subject to all applicable terms of this Agreement. Prior to the Consultant's start of the work or entry onto the City's property, the Consultant agrees to require its subconsultants to procure and maintain, at the Consultant's (or its subconsultant(s)') sole cost and expense (and to prove to the City's reasonable satisfaction that it remains in effect throughout the performance of the work under this Agreement), the kinds of insurance described below. Such insurance must remain in effect throughout the term of this Agreement and will be at the sole cost and expense of the Consultant (or its subconsultant(s)).

1) Commercial General Liability Insurance

The Consultant shall, at its own expense, procure and maintain Commercial General Liability insurance providing bodily injury and property damage coverage with a combined limit of at least One Million Dollars ($1,000,000) each occurrence and a general aggregate limit of at least Two Million Dollars ($2,000,000). This insurance shall include, but not be limited to, premises and operations, contractual liability covering the indemnity provisions contained in this Agreement, personal injury, products and completed operations, and broad form property damage, and include a Cross Liability endorsement.

Said Policy shall protect the Consultant and the City in the same manner as though a separate policy had been issued to each, but nothing in said policy shall operate to increase the insurance company's liability as set forth in its policy beyond the amount or amounts shown or to which the insurance company would have been liable if only one interest had been named as an insured.

2) Business Automobile Liability

The Consultant shall, at its own cost and expense, procure and maintain Business Automobile Liability insurance providing bodily injury and property damage with a combined single limit of at least One Million Dollars ($1,000,000) per occurrence for all owned, non-owned and hired automobiles. This insurance shall provide contractual liability covering all motor vehicles and mobile equipment to the extent coverage may be excluded from general liability insurance.

3) Workers' Compensation and Employers' Liability Insurance

If the Consultant employs any person to perform work in connection with this Agreement, the Consultant shall procure and maintain at all times

during the performance of such work Workers' Compensation Insurance in conformance with the laws of the State of California, and federal laws where applicable. Employers' Liability Insurance shall not be less than One Million Dollars ($1,000,000) for each accident and One Million Dollars ($1,000,000) for each disease, with a policy limit of One Million Dollars ($1,000,000).

The policy shall contain a waiver of subrogation in favor of the City and its officers, council members, employees, volunteers, and agents, while acting in such capacity, and their successors and assignees, as they now or as they may hereafter be constituted, singly, jointly, or severally.

4) Professional Liability Insurance

The Consultant shall also maintain Professional Liability Insurance covering the Consultant's performance under this Agreement with a limit of liability of One Million Dollars ($1,000,000) for any one claim. This insurance shall be applicable to claims arising from the work performed under this Agreement. The policy shall contain an "Extended Reporting Period" provision providing for at least one (1) year of Extended Reporting. In the event of non-renewal or cancellation, the Consultant shall be required to purchase the Extended Reporting Period coverage at Consultant's sole expense or provide evidence of new coverage with a retroactive date prior to the commencement of work under this Agreement. Prior to commencing work under this Agreement, the Consultant shall furnish to City a Certificate of Insurance or certified copy of the insurance policy if requested, indicating compliance with the requirements of this paragraph. This certificate or policy shall further stipulate that thirty (30) days advance written notice of cancellation, non-renewal or estimated settlements in excess of the limits of the policy shall be given to City. In the event of a reduction in limits, the Consultant will provide evidence of reinstatement of limits or provide evidence of additional coverage so that a minimum of One Million Dollars ($1,000,000) per claim is evidenced.

The Consultant shall notify the City of all professional liability claims that have an estimated settlement value in excess of the policy. If the amount of the professional liability insurance is reduced by other claims, the Consultant shall procure such additional insurance to restate the limits as required under this Agreement.

If any insurance specified above shall be provided on a claims-made basis, then in addition to the coverage requirements stated above, such policy shall provide that:

a. Policy retroactive date coincides with or precedes the Consultant's start of work (including subsequent policies purchased as renewals or replacements).

b. The Consultant will make every effort to maintain similar insurance for at least three (3) years following project completion, including the requirement of adding all additional insureds.

c. If insurance is terminated for any reason, the Consultant agrees to purchase an extended reporting provision of at least two (2) years to report claims arising from work performed in connection with this Agreement.

The policy must also allow for reporting of circumstances or incidents that might give rise to future claims.

B. General Insurance Requirements

1) Acceptable Insurance

All policies will be issued by insurers acceptable to the City. This insurance shall be issued by an insurance company or companies authorized to do business in the State of California with minimum "Best's'' rating of B+ and with minimum policyholder surplus of Twenty-Five Million Dollars ($25,000,000) or a company acceptable to City in its sole discretion. All policies shall be issued in a form satisfactory to the City Manager and shall be issued specifically as primary insurance. Workers' Compensation coverage requirements may be met with the California State Compensation Fund.

2) Procure and Maintain Insurance

The Consultant must, at its own cost and expense, procure and maintain at all times during the performance of this Agreement, all of the required policies specified above. The failure to procure or maintain the required insurance policies and/or an adequately funded self-insurance program acceptable to the City will constitute a material breach of the Agreement.

3) Terms of Policies

All insurance specified above shall remain in force until all work to be performed is satisfactorily completed. If the insurance is provided on a claims-made basis, it must remain in force for the entire term of the Contract and a minimum of three (3) years thereafter.

C. Evidence of Insurance and Endorsements

Prior to commencing of work or entering onto the City's property, the Consultant shall file a Certificate of Insurance with the City evidencing the foregoing coverages, including the following endorsements:

1) The insurance company(ies) issuing such policy(ies) will provide at least thirty **(30)** days' notice to the City of cancellation or non-renewal.

2) That the policy(ies) is primary insurance and the insurance company(ies) providing such policy(ies) shall be liable thereunder for the full amount of any loss or claim that the Consultant is liable for under this section, up to and including the total limit of liability, without right of contribution from any other insurance maintained or which may be maintained by the City.

3) Such insurance shall include as additional insureds the City of Lodi, and its respective council members, officers, employees, and agents while acting in such capacity, and their successors or assignees, as they now or as they may hereafter be constituted, singly, jointly, or severally.

4) The policy must also contain either a Cross Liability endorsement or Severability of Interests Clause and stipulate that inclusion of the City as an additional insured will not in any way affect the City's rights as respects to any claim, demand, suit or judgment made, brought, or recovered against the Consultant. Said policy shall protect the Consultant and the City in the same manner as though a separate policy had been issued to each, but nothing in said policy shall operate to increase the insurance company's liability as set forth in its policy beyond the amount or amounts shown or to which the insurance company would have been liable if only one interest had been named as an insured.

D. Consequence of Lapse

Should any required insurance not be procured or lapse during the term of this Agreement, requests for payment originating after such lapse will not be processed until the City receives satisfactory evidence of reinstated coverage as required by the Agreement. If insurance is not reinstated, the City, may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

13. MANNER OF PAYMENT

Consultant shall be paid a lump sum for each year's work, as set forth in Exhibits **A** and B. Upon submission of the final drafts of all deliverables, Contractor shall submit an invoice, detailing the services performed during the billing period which shall conform to the rates specified in Exhibit B as accepted by City. The City shall endeavor to pay approved invoices within thirty (30) days of their receipt. The City reserves the right to retain five percent of the invoiced amount pending written approval of all deliverables by the appropriate cognizant agency, as set forth in Exhibit A.

14. CONSULTANT'S STATUS

Neither the Consultant nor any party contracting with the Consultant shall be deemed to be an agent or employee of the City. The Consultant is and shall be an independent

Consultant, and the legal relationship of any person performing services for the Consultant shall be one solely between that person and the Consultant.

15. ASSIGNMENT

The Consultant shall not assign any of its rights nor transfer any of its obligations under this Agreement without the prior written consent of the City.

16. CITY WARRANTIES

The City makes no warranties, representations or agreements, either express or implied, beyond such as are explicitly stated in this Agreement.

17. CITY REPRESENTATIVE

Except when approval or other action is required to be given or taken by the City Council, the City Manager, or such person or persons as he/she shall designate in writing from time to time, shall represent and act for the City.

18. TERMINATION

The City shall have the right to terminate this Agreement at any time by cause or by convenience by giving written notice to the Consultant. Upon receipt of such notice, the Consultant shall not commit itself to any further expenditure of time or resources.

If the Agreement is terminated for any reason other than a breach or default by the Consultant, the City shall pay to the Consultant in accordance with the provisions of Sections 5 and 13 all sums actually due and owing from the City for all services performed and all expenses incurred up to the day written notice of termination is given, plus any costs reasonably and necessary incurred by the Consultant to effect such termination. If the Agreement is terminated for breach or default, the City shall remit final payment to the Consultant in an amount to cover only those services performed and expenses incurred in full accordance with the terms and conditions of this Agreement up to the effective date of termination.

The City shall not in any manner be liable for the Consultant's actual or projected lost profits had the Consultant completed the services required by this Agreement.

19. MAINTENANCE, AUDIT AND INSPECTION OF RECORDS

All Consultant and subconsultant costs incurred in the performance of this Agreement will be subject to audit. The Consultant and its subconsultants shall permit the City, or its authorized representatives to inspect, examine, make excerpts from, transcribe, and copy the Consultant's books, work, documents, papers, materials, payrolls records, accounts, and any and all data relevant to the Agreement at any reasonable time, and to audit and verify statements, invoices or bills submitted by the Consultant pursuant to this Agreement. The Consultant shall also provide such assistance as may be required in the

course of such audit. The Consultant shall retain these records and make them available for inspection hereunder for a period of four **(4)** years after expiration or termination of the Agreement.

If, as a result of the audit, it is determined by the City's auditor or staff that reimbursement of any costs including profit or fee under this Agreement was in excess of that represented and relied upon during price negotiations or represented as a basis for payment, the Consultant agrees to reimburse the City for those costs within sixty (60) days of written notification by the City.

20. EQUAL EMPLOYMENT OPPORTUNITY

In connection with the performance of this Agreement, the Consultant shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability or national origin. The Consultant shall take affirmative actions to ensure that applicants are employed, and that employees are treated during their employment, without regard to their race, religion, color, sex, disability or national origin. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion or transfer recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Consultant further agrees to insert a similar provision in all subcontracts, except subcontracts for standard commercial supplies or raw materials.

21. NON-DISCRIMINATION ASSUFUNCE

The Consultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of U.S. DOT-assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as the City deems appropriate. The Consultant shall obtain the same assurances from its joint venture partners, subcontractors, and subconsultants by including this assurance in all subcontracts entered into under this Agreement.

22. CONFLICT OF INTEREST

The Consultant warrants and represents that it presently has no interest and agrees that it will not acquire any interest which would present a conflict of interest under California Government Code §§ 1090 et seq. or §§ 87100 et seq. during the performance of services under this Agreement. The Consultant further covenants that it will not knowingly employ any person having such an interest in the performance of this Agreement. Violation of this provision may result in this Agreement being deemed void and unenforceable.

Depending on the nature of the work performed, the Consultant may be required to publicly disclose financial interests under the City's Conflict of Interest Code. The Consultant agrees to promptly submit a Statement of Economic Interest on the form provided by City upon receipt.

No person previously in the position of council member, officer, employee or agent of the City may act as an agent or attorney for, or otherwise represent, the Consultant by making any formal or informal appearance, or any oral or written communication, before the City, or any officer or employee of the City, for a period of twelve (12) months after leaving office or employment with the City if the appearance or communication is made for the purpose of influencing any action involving the issuance, amendment, award or revocation of a permit, license, grant or contract.

23. RELEASE OF INFORMATION

The Consultant shall not release any reports, information or promotional materials prepared in connection with this Agreement without the approval of the City.

24. ATTORNEYS FEES

If any legal proceeding should be instituted by either of the parties to enforce the terms of this Agreement or to determine the rights of the parties under this Agreement, the prevailing party in said proceeding shall recover, in addition to all court costs, reasonable legal fees.

25. APPLICABLE LAW

This Agreement, its interpretation and all work performed under it shall be governed by the laws of the State of California.

26. BINDING ON SUCCESSORS

All of the terms, provisions and conditions of this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors, assigns and legal representatives.

27. ENTIRE AGREEMENT: MODIFICATION

This Agreement, including any attachments, constitutes the entire Agreement between the parties with respect to the subject matter hereof and may not be amended except by a written amendment executed by authorized representatives of both parties. In the event of a conflict between the terms and conditions of this Agreement and the attachments, the terms of this Agreement will prevail.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by their duly authorized officers as of the day and year first above written.

Addendum No. 1 to City of Lodi Request for Proposals for OMB A-87 Cost Allocation and Indirect Cost Rate

Proposal Date: April 8,2010
Addendum Date: May 3, 2010

The following sections of the RFP dated April 8,2010 for OMB A-87 Cost Allocation Plan and Indirect Cost Rate proposals is amended as noted below.

Section II (A)

The days and dates reflected in the table for Interviews should be as stated below:

Interviews (if necessary)	Thursday, June 3,2010 or Friday, June 4,2010

Section II (E) (1) (d) is amended to reflect a date of May 17, 2010. The revised section reads as follows:

d) A signed letter of transmittal stating the Proposer's understanding of the work to be done, a statement why the firm believes itself to be the best qualified to perform the engagement, and a statement that the proposal is a firm and irrevocable offer for the 90 days after May 17,2010. Please confirm that the firm has accepted the Sample Professional Services Agreement included as **Exhibit 3.**

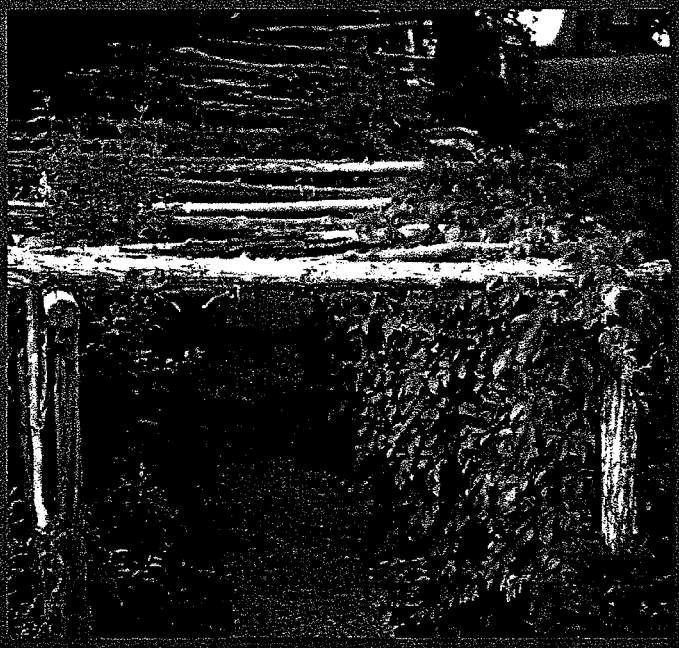
City of Lodi, California

Consultant Services to Prepare OMB A-87 Cost Allocation Plans and Indirect Cost Rates

May 17, 2010



This entire proposal is made of readily recyclable materials, including the bronze wire binding and the front and back cover, which are made from post-consumer recycled plastic bottles.

ORIGINAL

www.fcsgroup.com

Prior to joining FCS GROUP, he worked for the California Bureau of State Audits where he audited state agency cost allocation plans of as part of his audits.

Mr. Endres joined FCS GROUP in July 2009 and has provided his professional services to agencies under his previous employer. Unfortunately, work products substantiating his expertise for this project cannot be provided as those documents are owned by his former employer.

We look forward to the opportunity to discuss our approach with you in more detail. Our proposal is a firm and irrevocable offer for the next 90 days. Please do not hesitate to contact me should you have questions about our proposal or wish to arrange an interview time.

Sincerely,
FCS GROUP

CONFLICT OF INTEREST

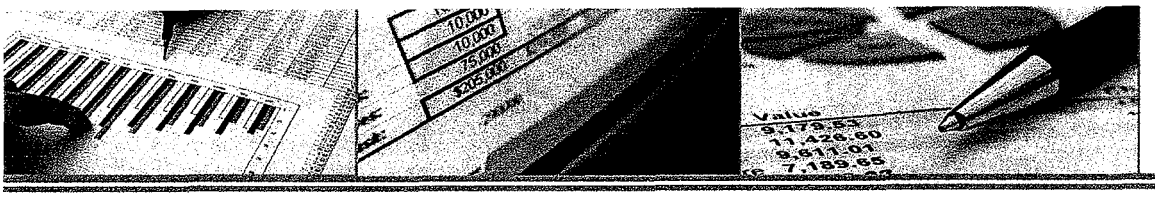
We know of no conflicts of interest that would limit our ability to provide services pursuant to Section 22 of the Sample Professional Services Agreement.

2. QUALIFICATIONS AND EXPERIENCE OF THE FIRM

FCS GROUP is a leader in financial, economic, and management consulting services specializing in the public sector. Since 1988, our experts have customized solutions for public agencies, serving towns, cities, counties, multi-jurisdictional regional agencies, and special districts across the western United States and Canada. Our highly experienced staff includes cross-trained consultants with expertise in management consulting, economics, accounting, engineering, policy analysis, public administration, and project management.

FCS GROUP was formed to meet a growing demand for independent, objective economic and financial consulting to effectively address financial issues in the public sector. Our extensive experience includes 1,600 engagements involving rate, fee, funding, and cost-of-service issues over the past 20 years. From our offices in San Francisco, Palm Springs, Portland, and Redmond, our staff provides an array of complementary services to local government agencies in government fees and finance, utility rates and finance, and public management. With a regional office in San Francisco, we have an understanding of the financial and economic challenges that cities and counties are faced with given the current economic climate.

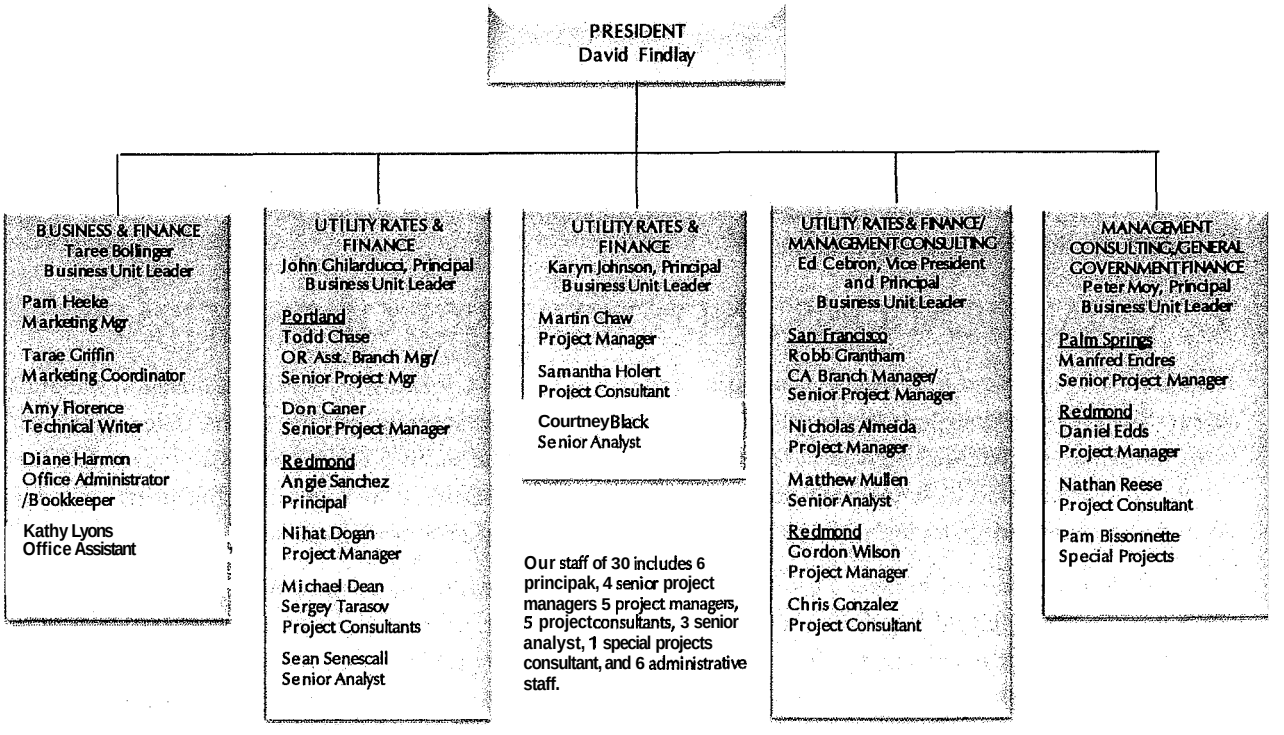
The City of Lodi will benefit from our expert's breadth and depth of knowledge. As a firm, we bring more than 20 years of experience allocating costs and analyzing the cost of services including indirect costs related to law enforcement, ambulance and emergency medical services; animal control services; building inspection and plan review; planning, land use, and zoning services; engineering; finance; libraries; parks and recreation; streets and

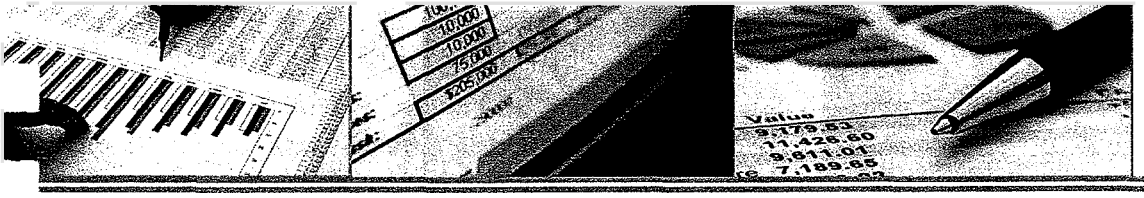


transportation; fleet; utilities; communications; information systems; equipment management; and administrative services.

FCS GROUP's mission is to facilitate sound decision-making and management by public officials and stakeholders by applying a solutions-oriented analytical approach to public-sector financial and management issues and programs. We provide accessible end products from easy-to-interpret reports to easy-to-maintain financial models. We deliver high quality products regardless of scheduling constraints and work closely with client staff to make this a seamless and positive process. Our experts are accessible throughout the project and are willing to provide assistance past project close-out. FCS GROUP has sustained a solid, respectable practice in the region as is evident by our continued work with municipal clients throughout the western United States. We are proud to be recognized as a firm with sincere attention to achieving excellence in every endeavor and will adhere to a strict code of professionalism, objectivity, and ethics in all aspects of our business and interactions. The City will benefit from our expertise, our integrity, and our commitment to its needs and mission. We know of no conflicts of interest with the City, Council members, officers, agents, or employees.

FCS GROUP ORGANIZATIONAL STRUCTURE





3. QUALIFICATIONS **AND** EXPERIENCE

Peter Moy, a firm principal, brings more than 30 years experience in public sector consulting and advising elected officials. Mr. Moy will be the principal-in-charge of the engagement. He will be involved during the contracting phase, project kick-off, quality control, and close-out. Manfred Endres will handle the day to day project management from start to finish. He has conducted or managed the oversight of hundreds of indirect cost allocation plans in California and the western United States. Mr. Endres' experience includes providing indirect cost allocation plans for half of California's 58 counties. Mr. Almeida will provide additional support to Mr. Endres, as needed. Full résumés of Mr. Moy, Mr. Endres, and Mr. Almeida can be found in **Exhibit A** of this proposal.

General Experience

Peter Moy, a principal for FCS GROUP, brings over 30 years of public sector experience specializing in public finance, program evaluation, personnel and organizational analysis, management and operational reviews, performance audits, and policy analysis. He joined FCS GROUP ten years ago. Prior to FCS GROUP, Mr. Moy collaborated with a variety of non-profit organizations and governmental agencies allowing him to provide clients with a thorough knowledge of government operations and innovative and workable solutions to issues and problems. His experience includes QA/QC and project oversight and consulting work for numerous cost allocation plans. He has also made presentations on indirect cost allocation at the Washington Finance Officers Association conferences. Mr. Moy understands how government sets and implements policies, how it performs its many different functions, and how it remains responsive to the needs of the public, community organizations, and its employees.

Mr. Moy began his career as a management auditor with the Congressional watchdog agency, the United States General Accounting Office. He later worked for the Seattle City Council as a program analyst and as the Assistant Director of the Council's Central Staff where he acted as the City Council's primary financial advisor and managed a staff responsible for analyzing policy, program, and management issues. In addition to his public sector work experience, Mr. Moy has been an active participant in his community where he has served on the board and committees of many community organizations, such as Seattle Housing Authority, the Seattle School District's Committee on Fiscal Integrity, United Way of King County, Leadership Tomorrow, the Asian Counseling & Referral Service, and the Wing Luke Asian Museum.

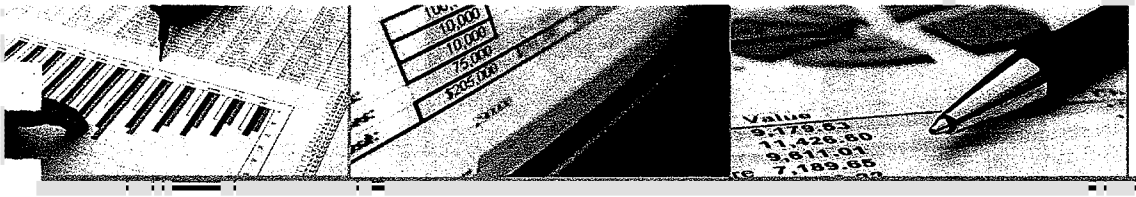
PROJECT MANAGER – MANFRED ENDRES

Education
- B.S., Business Administration, California State University at Sacramento

General Experience
Manfred Endres joined FCS GROUP in July 2009 as a senior project manager with over 27 years of accounting, financial reporting, budgeting, property taxation, and financial analysis experience in the government and not-for-profit sectors. He understands the complexities and challenges faced by California agencies and well known in the region for his expertise. Mr. Endres has conducted cost for service studies over the last 19 years. His range of project experience includes development and implementation of cost allocation plans; system analysis, design, development, and implementation; program impact analysis; revenue maximization; and program management.

Mr. Endres manages and participates in the preparation and negotiation of central service cost allocation plans for 24 California counties annually and conducts numerous cost studies in compliance with California Propositions IV, XIII, and 218. He has prepared and assisted in hundreds of citywide full cost allocation studies for California cities large and small. Mr. Endres' services include the preparation of annual financial reports required by the State Controller's Office of California for over 60 jurisdictions. This involves designing a relational database to convert



unformatted financial information into the required reporting format as specified by the State Controller. He has provided oversight for numerous audits and conducted accounting process reviews.

Mr. Endres professional involvement includes the following organizations: League of California Cities; California State Association of Auditors and Tax Professionals; County Audit Chiefs Committee; County Supervisors Association of California; and the Municipal Finance Officers Associations in California, Oregon, Washington, and Colorado.

Experience Related to RFP

Mr. Endres recently joined FCS GROUP. Specific examples of related experience high-lighted in red prior to joining the firm include the following:

Cost Allocation Plans Prepared in Compliance with OMB A-87:

- City of Sunnyvale, CA (HUD)
- City & County of San Francisco, CA DPW (CALTRANS)

- *BA.*, Public *Policy, Stanford* University

General Experience

Nicholas Almeida is a project manager at FCS GROUP. In this position, he provides services in the areas of financial and management consulting. Mr. Almeida is responsible for conducting financial forecasts, cost of service and cost allocation analyses, fiscal policy reviews, economic feasibility analyses, and organizational analyses. His current clients range from community services districts to large cities, and he has also provided services to state, federal, and nonprofit entities.

Prior to joining FCS GROUP, Mr. Almeida consulted in the areas of policy, financial, and program evaluation as a senior associate for a research and consulting firm in Los Angela. Mr. Almeida has also been a senior auditor evaluator for the California Bureau of State Audits, where he assessed the performance, compliance, and cost effectiveness of public sector entities and their activities. In this position, he developed tests to evaluate internal controls, program performance, the accuracy of financial statements, and an entity's compliance with applicable laws, regulations, program requirements, and contract agreements.

Related Project Experience

Specific examples of Mr. Almeida's experience include the following:

SUBCONTRACTORS

FCS GROUP will not be using subcontractors in the completion of this project.

4. APPROACH

All phases of our approach – development of the plan, rate calculation and preparation of supporting documentation – adhere to the Federal Cost Principals promulgated by OMB Circular A-87. The Circular provides principles and standards for determining both direct and indirect costs applicable to federal cost-based awards to governmental units. The principles are designed to ensure that the federal government bears its fair share of costs recognized, except where restricted or prohibited by law. Another reference guide we adhere to is ASMB-ClO, which we will refer to while training city staff on OMB Circular A-87 concepts.

A thorough understanding of the policies by the FCS GROUP consultant will assure that all preparation and documentation guidelines will be followed and the plan and rates will comply with federal and state rules. The steps we will follow for this project are as follows:

1. Prepare a city organization chart that reflects the city operations including central support service activities. This chart will demonstrate not only the central support service units and city operating units but it will also depict their interrelationships.

2. Interview department managers to determine those departments that provide services to other city departments or units. External overheard that is applicable to all departments should also be identified at this time.

3. Prepare narratives describing each external overhead or support service item. These narratives will be prepared in detail during year one and updated annually and revised as necessary to ensure that each cost plan includes all organizational and procedural changes that may have occurred.

4. Distribute each central support service department's expenditures to the department's cost pools, using percentages of effort applied or some other rational basis. Any revenues and transfers-in that cannot be readily attributed to a specific department or agency will be offset against the cost pool expenditures.

5. Prepare detailed schedules for each cost pool, allocating the pooled expenditures to all benefiting departments and employing a rational allocation basis. Any amounts billed or intra-fund transferred to the user departments will be deducted from the expenditures allocated to these departments.

6. Transfer the allocations for each central support department's cost pools to a cost summary/exhibit, add the computed carry-forward adjustments as necessary and any additional required adjustments to this total to arrive at the total adjusted indirect costs that may be claimed by each operating department. These cost summary/exhibit totals are the amounts that may be claimed from federal and state grant programs as reimbursement of indirect costs for each central support department.

7. Transfer indirect costs to Indirect Cost Rate proposal templates for select departments for which an indirect rate will be calculated.

8. Discuss with department staff whether a simple rate or multiple rate calculation should be used. Figure 1 represents a single-rate approach and Figure 2 shows a multiple-rate approach for comparison.

Figure 1. Single Rate **Approach**

FCS GROUP
Solutions-Oriented Consulting

Prepare simple rate calculation for select departments (e.g. Police, Library).

- Adjust indirect costs for the period by eliminating any costs directly reimbursed through a federal award awarded specifically for that purpose.
- Adjust direct costs by eliminating flow-through funds and capital expenditures. Compute and add use allowances.
- Divide the total allowable indirect costs (net of applicable credits) by an equitable direct cost base, e.g. salaries and wages or modified total direct cost.

						Average Rate	[redacted] 51.81%

Prepare multiple rate calculations for select departments (e.g. Public Works, Parks and Recreation).

- Classify departmental indirect costs into functional cost groupings (cost pools) that benefit divisions of the agency in significantly different proportions.
- Select appropriate bases for distribution of each classified pool of indirect costs.

- Distribute each classified pool to the benefitting division.
- Calculate an indirect cost rate for each division of the agency by relating the total indirect costs allocated to that division to that unit's direct cost.

ADDITIONAL DESCRIPTION OF TASKS

In addition to the eight steps outlined in the approach, the following are more detailed descriptions of tasks as well as additional tasks that will be performed.

A. HOLD KICK-OFF MEETING AND INTERVIEW STAKEHOLDERS.

FCS GROUP will conduct a project kick-off meeting with the City's project manager and any other City staff members who will serve as the primary contacts with FCS GROUP during the study. The agenda of this meeting will include discussion on basic data collection (previous allocation plan and A-87 plan), project goals and parameters, project schedule, and discussion of other coordination issues. A written data request will be provided to the City's project manager in advance of this meeting. *City* Staff Time: One hour per person.

B. INITIATE PROJECT AND DEVELOP DATA COLLECTION AND ALLOCATION METHODS, AS REQUIRED TO ADDRESS ANY ARTICULATED STAKEHOLDER ISSUES AND CONCERNS.

After the kick-off meeting is held, FCS GROUP will meet with the project liaison and other stakeholders to determine whether there are any specific issues that need to be addressed in the project work plan. We will determine what state and/or federal contracts might require additional cost analysis or revised allocation methods. We will determine which departments need rate calculations and to whom the rates will be submitted. This task is necessary for successful completion of the project, because both FCS GROUP and the City must fully understand the uses for the plan and rates in order to structure the work appropriately.

FCS GROUP staff will also assess the information available from the City's financial system and will determine what information will be required, and in what format, to complete the cost allocation plan. In addition, FCS GROUP will assess available information and its usefulness in meeting stakeholder goals for the cost allocation project. During this task, FCS GROUP will also identify those areas where better data might allow the most appropriate and advantageous allocation strategy. These discussions are necessary to ensure a successful project. For example, in working with the City, FCS GROUP might discover that more appropriate allocation bases or financial data could result in better grant cost recovery or improve the identification of costs associated with non-general funded activities. The result of this initial meeting might be a revision in the data FCS GROUP expects to collect. City Staff Time: One hour per person interviewed, but those responsible ***for*** providing information may need between one *to* two *hours* per person.

C. REVIEW ORGANIZATION AND BUDGET STRUCTURE; DEVELOP PRELIMINARY ALLOCATION STRATEGIES; AND INSTRUCT STAFF.

During this task, FCS GROUP will review organization charts and budgetary structures to assist in identifying all of the costs that must be allocated, as well **as** to identify those cost centers that provide services to other cost centers. At this time, FCS GROUP will also review any services provided to any external entities or any shared services, to determine how to handle these issues in the cost allocation methods and documentation. At the end of this review, FCS GROUP will present a preliminary allocation strategy. This strategy will be refined as we continue to move through the tasks and gain additional understanding of the City's operations. With tasks A and B, we will gain familiarity with the City operations and will recommend strategies and procedures to maximize

potential recovery of City costs from grant sources. City Staff Time: Two *hours* per person for allocation strategy meeting.

Also as part of this task we will instruct the City staff on OMB Circular A-87 concepts and their application to the cost pools and allocations strategies. City Staff Time: One *hour* per person.

D. IDENTIFY ALL DIRECT COSTS THAT MUST BE ASSIGNED TO EACH SERVICE, BOTH LABOR AND NON-LABOR COSTS.

During this task, FCS GROUP will gain a better understanding of the ways in which the City's financial system handles direct costs. FCS GROUP will review the chart of accounts. FCS GROUP will also review time keeping and reporting systems to determine how labor costs are assigned to cost objectives as direct costs. FCS GROUP will review any internal strategies for assigning and handling costs, with the ultimate goal of understanding specifically how cost centers treat costs and then how staff utilize this information. Wherever possible, FCS GROUP will identify inconsistencies. ***City*** Staff *Time:* One hour per person.

E. DETERMINE COSTS OF ALLOCATED COST CENTERS; DEVELOP DETAILED BASES FOR TREATING COSTS WITHIN THE COST CENTERS.

This task includes determining all costs associated with each cost center or expenditure category to be allocated. FCS GROUP will review each detailed expenditure category to determine how costs should be assigned to functions or activities, if necessary. Thus, interviews will be conducted with supervisors (and other staff members, if needed) within any cost center being allocated to other cost centers to determine the time associated with various functions or activities. Payroll costs within the allocated cost center can then be calculated for each function or activity. Similarly, other operating costs, such as services and supplies and contracts will be analyzed to determine whether they support all functions or activities performed or whether they should be assigned to one or more specific functions or activities. For example, a contract for auditing services could be assigned to an audit function, to be allocated based on the number of financial transactions processed for each department or based on expenditures. The costs of processing the payroll could be assigned to that function and allocated based on the number of paychecks processed for each department. At this time, FCS GROUP will also identify and exclude unallowable or unallocable costs. Ciry Staff Time: One hour per person.

F. DETERMINE APPROPRIATE ALLOCATION BASE DATA FOR COSTS/COST CENTERS TO BE ALLOCATED; COLLECT AND COLLATE THE DATA AS REQUIRED.

FCS GROUP will work with City staff to determine the appropriate ways to allocate each cost. This may include functionalizing costs (as discussed above) so as to be more specific about who benefits from services. Another issue to consider will be whether documentation currently exists to allow a specific allocation. For example, the City might wish to allocate the costs of the administrative staff in a specific way. If no appropriate data are available for such an allocation, FCS GROUP will recommend alternatives that could reasonably approximate the time or effort expended by the administrative staff. City Staff Time: One hour per person ***bur*** rhose responsible for providing information *may* need between one to two additional hours per ***person.***

G. MEET WITH THE INDIRECT RATE DEPARTMENTS TO EXPLAIN ALLOCATION METHODOLOGIES AND HOW THEY IMPACT THE DEPARTMENTS AND THEIR INDIRECT RATES.

FCS GROUP will contact each department included as part of the indirect rate calculations to discuss the rates and the methodologies. *City* Staff Time: One hour per person.

H. FINALIZE AND PRESENT ALLOCATIONS AND RATES TO FINANCE AND STAKEHOLDERS. REVISE THE PLAN AND RATES, BASED ON INPUT FROM FINANCE AND STAKEHOLDERS, PRIOR TO FINALIZING THE COST ALLOCATION PLAN BASED ON THE ACTUAL COST FOR EACH YEAR ENDING JUNE 30.

FCS GROUP will meet with all appropriate stakeholders to present the final results of the cost allocation plan and rate study and to discuss the methods for implementing the plan and submitting the plan to the respective state and federal agencies. Revisions will be made based upon input from these stakeholders. City Staff Time: *One **hour** per person.*

I. PREPARE FINAL COST ALLOCATION PLAN AND RATES FOR SUBMISSION.

This Plan will serve as a template for training City staff on FCS GROUP model.

J. TRAIN CITY STAFF IN THE USE OF THE MODEL.

During this work, FCS GROUP will provide a training session and materials based upon the cost allocation plan developed. We will also provide high level model documentation. City Staff *Time: **two** to three hours per person.*

K. PROVIDE CLOSEOUT REVIEW OF PLAN AND PLAN PROCESSES, AND ANY ADDITIONAL TRAINING REQUIRED TO MAKE CITY STAFF SELF-SUFFICIENT IN PLAN PREPARATION AFTER THE CONTRACT TERM.

L. ASSIST IN NEGOTIATING WITH COGNIZANT AGENCIES AND MAKE REVISIONS AS REQUESTED BY THE COGNIZANT AGENCIES TO MODIFY THE DOCUMENTS TO AN ACCEPTABLE LEVEL WITHIN A REASONABLE TIME FRAME.

WORK SCHEDULE AND DELIVERABLES

The following is our proposed work schedule. The schedule assumes that the City staff will be able to respond in a timely manner and that data gathering can be done without any problems. We find that if data requests are efficiently handled and the data exists without much additional research we can keep to the schedule. Except for this year, we would anticipate that we would start working on the draft plans in November of the previous year to meet the February 1 deadlines.

At a minimum, we will provide the following products according to the City's preferred timetable. Unless so noted, we accept the following timetable. The City will be provided with electronic versions and five (5) written copies of the draft and final documents for each year.

Fiscal Year 2010-2011 (based on 2008-2009 audited data)	
Date	**Deliverable**
October 1, 2010	DRAFT Citywide Central Service Cost Allocation Plan due to City
October 1, 2010	DRAFT Indirect Cost Rate Proposals for the units listed in Exhibit 1 due to City
November 5, 2010	FINAL Citywide Central Service Cost Allocation Plan due to cognizant agency
November 5, 2010	FINAL, Indirect Cost Rate Proposals for the units listed in Exhibit 1 due to cognizant agency

Fiscal Year 2011-2012 (based on 2009-2010 audited data)	
Date	**Deliverable**
February 1,2011	DRAFT Citywide Central Service Cost Allocation Plan due to City
February 1, 2011	DRAFT Indirect Cost Rate Proposals for the units listed in Exhibit 1 due to City
March 1,2011	FINAL Citywide Central Service Cost Allocation Plan due to cognizant agency
March 1,2011	FINAL Indirect Cost Rate Proposals for the units listed in Exhibit 1 due to cognizant agency
Fiscal Year 2012-2013 (based on 2010-2011 audited data)	
Date	**Deliverable**
February 1, 2012	DRAFT Citywide Central Service Cost Allocation Plan due to City
February 1, 2012	DRAFT Indirect Cost Rate Proposals for the units listed in Exhibit 1 due to City
March 1, 2012	FINAL Citywide Central Service Cost Allocation Plan due to cognizant agency
March 1, 2012	FINAL Indirect Cost Rate Proposals for the units listed in Exhibit 1 due to cognizant agency
Fiscal Year 2013-2014 (based on 2011-2012 audited data)	
Date	**Deliverable**
February 1, 2013	DRAFT Citywide Central Service Cost Allocation Plan due to City
February 1,2013	DRAFT Indirect Cost Rate Proposals for the units listed in Exhibit 1 due to City

INFORMATION REQUIRED FROM CITY

For a successful study completion, it will be essential to have City input and assistance. We have attempted to estimate the participation required and level of effort for each project task. We will at all times be focused in our request for staff time and efficiently schedule review meetings. Anticipated required information from the City includes the following:

- A copy of the 2007 cost allocation plan,
- Organizational cham and descriptions of the central service functions and activities,
- Financial information on internal service and insurance funds, as appropriate and needed,

- Audited line item financial data (e.g. interfund transfers, related revenues, expenditures, etc.) for **all** central service departments and functions,
- Financial, facility, and other workload data used for the allocation bases, and
- Other financial and non-financial data and information **as** needed.

SAMPLE COST ALLOCATION PLAN AND INDIRECT COST RATES

We have included a copy of a sample cost allocation plan and indirect cost rates report as part of **Exhibit B.**

OTHER SERVICES AND AREAS OF EXPERTISE

FCS GROUP provides a broad array of financial and management consulting services, and because of this breadth, our staff have a good understanding of all the finances and interrelationships between the different funds and services provided by a city. Although the focus of the proposed work is on cost allocation plans, we also understand how such plans impact the direct service departments and programs. In our other practice areas involving utility rates and user fees, we often use the full cost allocation results to determine the full cost of City services and to design and calculate rates, fees, and charges. To the extent that the City is interested in understanding the full cost of services, we can discuss potential opportunities to allocate costs in a manner that the City can use those allocations in its calculation of utility rates, user fees, and administrative charges. At this time we do not anticipate providing any other services within our proposed budget or costs. If the City determines that it would like to perform additional work, we will work with the City to develop a scope of work and budget. The following describes our firm's practice areas.

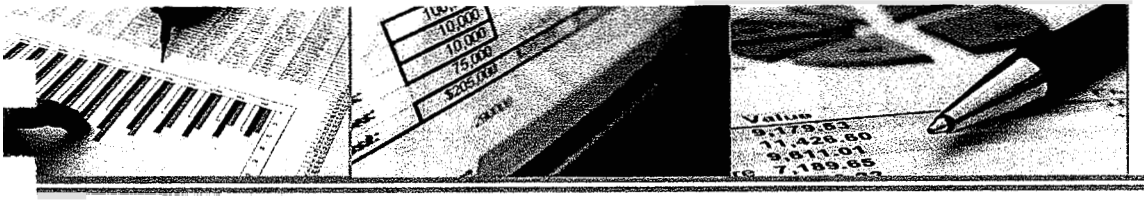
Utility Rates & Finance Solutions

Our consultants recognize the challenges utility providers face as they strive to provide essential services to the public, fully fund the costs of providing and sustaining good service, and still keep rates and fees fair and affordable. At FCS GROUP, we help our clients succeed in balancing these sometimes competing objectives by applying our broad industry expertise of best practices to each agency we serve and by developing customized solutions that reflect the values of our clients and their communities. We have performed more than 1,100 utility rate studies, ranging from defining revenue requirements to complete cost of service rate analyses. Services include:

- Utility Rate Studies
- System Development Charges/Connection Charges
- Comprehensive Plan Financial Elements/Capital Financing Plans
- Capital Reinvestment (Asset Management/Reserve Funding)
- Utility Formations
- Utility Appraisals and Valuations
- Mergers, Acquisitions, Assumptions, Consolidations, Divestitures Fiscal Health Reviews
- Regional Governance and Multi-Agency Analysis
- Parity Certificates
- Litigation Support and Expert Witness
- Negotiations and Mediations
- Excise Tax Rebate Analysis (WA)
- Water Supply and Treatment

Functions served for public utilities include:

- Water
- Wastewater/Sewer
- Stormwater
- Reclaimed Water
- Electricity
- Solid Waste
- Transportation



FCS GROUP
Solutions Oriented Consulting

General Government Finance and Management Consulting

At FCS GROUP, our financial and management consultants specialize in helping local and state governments address and solve issues involving policy analysis, public finance, and management. They provide a broad understanding and level of expertise in how local and state governments set and implement policies, how the many different governmental functions are performed, and what role elected officials, the public, community organizations, and employees have in making government responsive to community needs. Services include:

- Financial Planning and Analysis
- Indirect Cost Allocation Plans
- Cost of Service/Cost Recovery Analysis
- Impact Fees
- Development Services Fees
- User Fees
- Performance **Audits,** Performance Measurement
- Organizational Analysis and Change
- Staffing Analyses
- Benchmarking and Comparative Studies
- Annexations and Development Analyses
- Mergers, Acquisitions, Assumptions, Consolidations, Divestitures

Functions served include:

- Public Safety (fire, ambulance, EMS)
- Public Works
- Engineering
- Transportation/Road Operations
- Planning, Land Use, and Community Development
- Building Inspection and Plan Review
- Public Health and Social Services
- Court Systems and Jails
- Libraries
- Parks and Recreation
- Finance
- Administration
- Facilities Management
- Information Systems and Technology
- zoos
- Cemeteries
- Community Services

Economic Services

Our economic consultants evaluate the economic and fiscal implications of alternative development approaches, use and create innovative analytical techniques, and craft achievable economic strategies that add public and private value.

We understand the public sector's policy objectives, the private sector's economic imperatives, and the decision: making processes required to generate support for proposed solutions. FCS GROUP specialties include local and regional economic and financing strategies for transportation, transit, parks, sewer, water, stormwater facilities, public-private developments, and community revitalization. Services include:

- Annexation and Municipal Incorporation Studies
- Asset Management and Valuation
- Capital Improvement Programs
- Community Outreach
- Community Redevelopment Strategies
- Developer/Business Recruitment
- Economic Analysis
- Economic and Fiscal Impact Analysis
- Environmental and Social Justice Analysis
- Financial Feasibility
- Financing and Implementation Strategies
- Life-Cycle Cost Analysis
- Real Estate Market Analysis
- Site Programming and Phasing
- Special Benefit District Formation Plans
- Sustainable "Green Infrastructure" Return on Investment
- Tax Revenue Forecasts

Service Commitment

FCS GROUP sustains a solid, reputable practice in the region as evidenced by our continued work with clients throughout the western United States. We are proud to be recognized as a firm with sincere attention to achieving excellence in every endeavor.

You can be assured that we will adhere to a strict code of professionalism, objectivity, and ethics in all aspects of our business and interactions.

Our staff is committed to working with clients, engineering firms, contractors, and regulatory agencies to get agreed upon work done within agreed upon timeframes as well as to provide follow-up services throughout the planned life of projects.

To avoid surprises and ensure timely implementation, the FCS GROUP project management approach strives for consistent interaction with client staff, key checkpoints with staff and elected officials, and citizen advisory committee processes when appropriate. Our depth of senior level, experienced consultants allows us to remain responsive to each and every one of our clients' individual schedules. Furthermore, our historical practice of maintaining excess staffing capacity enables us to commit to being available for the duration of the project and to manage the scope and budget to ensure that our clients' objectives are met.

ACCEPTANCE OF PROPOSED METHOD OF PAYMENT

We have read and can accept the proposed method of payment as outlined in Exhibit 3 of the RFP. However, we would propose an alternative to the method of payment that would provide 75% of the lump sum payment after delivering the draft plans. The remaining 25% would be paid upon the delivery of the final plans, unless the City retains five percent pending written approval from the cognizant agency.

5. FINANCIAL STABILITY

To provide you with the necessary documentation to assess our financial stability, we have included a copy of our 2007/2008 "Statements of Assets, Liabilities and Equity." Our accountant is currently preparing our 2009 statement. We have also provide a copy of our January 31, 2010 Balance Sheet. These items have been enclosed in a sealed envelope, marked as proprietary and confidential. Our financial statements are prepared by a certified public accountant in accordance with Statement on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. We are a sub-chapter S Corporation and are not publicly held.

FCS GROUP was founded in 1988 and has generated sufficient net operating income to produce a profit for each of the ensuing 22 years. FCS GROUP has grown in size from the original two founders to thirty employees housed in three offices and two satellite locations, across three states. Our current annual revenue is in excess of $5 million.

FCS GROUP uses a modified cash basis of accounting for federal tax reporting purposes. To maintain financial stability, FCS GROUP practices prudent fiscal policies. Because we have never borrowed from a financial institution and our accounts receivable have never been and are not pledged or committed to a bank to cover payroll loans, they are a significant part of our working capital, and in addition to our cash and investment balances are available to us to finance our operations. We plan to maintain a minimum of two months operating reserves in cash or investments in our bank account. Our accounts receivables run equivalent to another two to three months operating expenses giving us a total of four to five months of reserves to pay costs "up front". For

added security, we have always had a limited bank line of credit of $50,000, and we also have an ability to borrow on demand the cash value of our life insurance policies which is now around $200,000. We also have a clause in our Buy-Sell Agreement that commits our nine (9) owners to a capital call in the worst case scenario. We have been in business for over 20 years and have never had a problem with fiscal capacity. This is partly due to the fact that 95 percent of our contracts are with public agencies and our average collection turnaround is 60 days or less.

FCS GROUP has no pending administrative proceedings, investigations, or civil suits.

6. REFERENCES

CURRENT CLIENTS

City and County of San Francisco, CA – Department of Public Works Cost Allocation Plan

FCS GROUP was engaged by the City and County of San Francisco, Department of Public Works, to provide a thorough review of its existing indirect cost allocation plan. This included a complete review of its current cost data, structure of its cost allocation model, mapping the flow of data, an analysis of OMB A-87 and CALTRANS compliance, and accuracy of the allocation methodology. Its current cost allocation model was over 20 years old, had been altered through various iterations and the City/County was looking for a confirmation that the model was still performing accurately. In addition, the engagement may require the transfer of existing data to the FCS GROUP indirect cost allocation model which is an upgrade over the current model the City/County is using.

San Francisco, CA 94103
(415) 554-5805
Dates: 2009-2010

County of Madera, CA – County-wide Cost Allocation Plan

The County of Madera engaged FCS GROUP to develop its cost allocation plan for submittal to and approval by the California State Controller's Office. The County has to prepare an OMB compliant plan each year in order to receive federal funding for indirect costs for its Health and Human Services provided to its citizens.

Dates: 2009-2010

Spokane County, WA – Cost Allocation and Jail Housing Rate Services

FCS GROUP is working with Spokane County to develop three cost plans: a full cost allocation plan, an OMB A-87 cost allocation plan, and a detailed law enforcement administration plan. The County also requested FCS GROUP develop both jail and Geiger Correctional Facility rates to charge the users of those facilities, including the federal government. As part of developing the cost plans, the process involves meeting and conducting interviews with County staff to understand its processes and operations; meeting specifically with the County Sheriffs staff to discuss how to allocate costs to the Sheriffs functions; developing booking and housing rates for the Geiger Correctional Facility; identifying the maintenance and operations costs of joint use buildings and

allocating costs to the facility users; and determining the cost of service for contracted services by cities and other jurisdictions.

In addition, FCS GROUP is providing on-call services to the County for the year 2010.

PREVIOUS CLIENTS

Note: Previous client experience reflects projects conducted by Mr. Endres while with a previous firm.

San Mateo County Transit District (SAMTrans), CA – OMB A-87 Cost Allocation Plan

Mr. Endres prepared an agency-wide, OMB A-87-compliant cost allocation plan with rates for internal use and capital construction projects. In addition, he developed defined imports to streamline plan preparation. As part of his services, Mr. Endres provided training to staff in the preparation of the plan, interview techniques, and OMB A-87 guidelines. He assisted in implementing the plan results and incorporating the allocations into the agency's accounting system.

1250 San Carlos Avenue
PO Box 3006
San Carlos, CA 94070-1306
(650) 508-6200
harringtong@samtrans.com
Dates: 2008-2009

Los Angeles County Metropolitan Transportation Authority (LAMTA), CA – OMB A-87 Cost Allocation Plan

Mr. Endres prepared an agency-wide cost allocation plan including rates. He conducted interviews with agency staff, and identified indirect service providers and direct line services. He met with department heads to review data provided by staff. He created departmental models with multi-functional tasks and responsibilities and developed appropriate allocation bases. Mr. Endres conducted workshops to explain the methodology used and assisted LAMTA's internal Office of Management and Budget in developing plan scenarios for future years.

The project approach was to build the plan from the ground up, ignoring what had been done before. Mr. Endres applied the guidelines promulgated by OMB A-87 principles in preparing the plan. He prepared variance analysis with the prior year's report and analyzed major differences. He revised variances where needed and/or explained where variances were appropriate. Major challenges included accounting for staff out on strike and lack of funds to support budgeted projects. Situations like that force staff to account for non-project, non-billable time and if not properly analyzed will cause a material overstatement of "overhead." Caution was expressed to management which prompted detailed discussions with LAMTA Office of Management and Budget and the Controller. Based

on the conclusions reached, the plan was prepared after closely analyzing time reports to correctly state time spent on overhead activities.

One Gateway Plaza
Los Angeles, CA 90012-2952
213-922-6810
josie@larnta.gov
Dates: 2004-2007

City of Bakersfield, CA – Citywide Cost Allocation Plan and Indirect Cost Rate Proposal

Mr. Endres prepared and submitted a citywide cost allocation plan and indirect cost rate proposal for the City of Bakersfield. The citywide cost allocation plan included roll-forward adjustments in compliance with Federal Circular OMB A-87. The plan was also compliant with guidelines established by the California Department of Transportation, Federal Community Development Block Grant, the State Controller, and CALTRANS Department of Audits and Investigations. The indirect cost rate proposal prepared by Mr. Endres was to be used by the City when claiming indirect cost reimbursements from the State (such as the California Department of Transportation) and from federal agencies, and met OMB A-87 compliance standards as well.

As part of his services, Mr. Endres assisted in negotiating the plan and rates with the grantor agencies and provided audit support to explain methodology and results. He prepared written recommendations and procedures, including guidance and training in the application of OMB A-87 guidelines, so that the city may perpetuate the rates in the future.

Bakersfield, CA 93301
(661) 326 – 3740
nsmith@bakersfieldcity.us
Dates: 2002

City of Sunnyvale, CA – indirect Cost Allocation Plan

Mr. Endres developed an indirect cost allocation plan for the City of Sunnyvale that determined costs charged to the Federal Community Development Block Grant and that was consistent with U.S. Department of Housing and Urban Development (HUD) guidelines and OMB Circular A-87. He prepared thorough and complete documents that consolidated all elements in a format and organization structure that met the federal regulations, guidelines and notifications, and summarized recommendations of the indirect cost allocation plan for submittal to HUD.

The City is using the same allocation model currently for reimbursement claiming.

PROFESSIONAL EXPERIENCE

Peter Moy is a principal for FCS GROUP with over 30 years of public sector experience specializing in public finance, program evaluation, personnel and organizational analysis, management and operational reviews, performance audits, and policy analysis. He has worked with a variety of non-profit organizations and governmental agencies and provides clients with a thorough knowledge of government operations and innovative and workable solutions to issues and problems. Mr. Moy has a broad understanding and expertise in how government sets and implements policies, how the many different government functions are performed, and what roles the public, community organizations, and employees have in making government responsive to their needs.

Mr. Moy began his career as a management auditor with the Congressional watchdog agency, the United States General Accounting Office. He later worked for the Seattle City Council as a program analyst and as the Assistant Director of the Council's Central Staff where he acted as the City Council's primary financial advisor and managed a staff responsible for analyzing policy, program, and management issues. In addition to his public sector work experience, Mr. Moy has been an active participant in the community where he has served on the board and committees of many community organizations, such as Seattle Housing Authority, the Seattle School District's Committee on Fiscal Integrity, United Way of King County, Leadership Tomorrow, the Asian Counseling & Referral Service, and the Wing Luke Asian Museum.

MANFRED ENDRES – Senior Project Manager

EDUCATION

- B.S., Business Administration, California State University at Sacramento

SPEAKING ENGAGEMENTS AND PUBLICATIONS

- Implementing the Financial Reporting Model under GASB 34, presented to finance directors in California, Colorado, Minnesota, Oregon and Washington during the annual conferences, 2001 to 2003
- Automating California State Controller Reports, City Finance Officers, 1994 to 1999
- SB2557 – Implementation Guide for Local Agencies, California Auditor's Association; City Attorneys and County Counsels' Association (CSAC); Special Districts Boards; California Sheriff's Association; and California Police Officers' Association, 1990 to 1996
- Cost Allocations and User Fees, California Society of CPAs and Oregon Municipal Finance Officers Association (OMFOA) Conferences, 1994 to 2007.

OTHER

- Professional interpreter in the German and English languages

PROFESSIONAL EXPERIENCE

Manfred Endres is a senior project manager with over 27 years of accounting, financial reporting, budgeting, property taxation, and legislative analysis experience in the governmental and not-for-profit sector. Mr. Endres has lead cost of service studies and user fee engagements over the last 19 years. His range of project experience includes development and implementation of cost allocation models; system analysis, design, development, and implementation; program impact analysis; revenue maximization; and program management.

Mr. Endres has managed and participated in the preparation and negotiation of central service cost allocation plans for *24* California counties annually and conducted numerous cost studies in compliance with California propositions IV, XIII, and 218. He has assisted jurisdictions calculate jail booking, processing and housing fees and developed indirect rates for California Probation Departments to claim federal reimbursement under the welfare fraud, IVE foster care and title XIX targeted case management programs.

Mr. Endres has directed the preparation of annual financial reports required by the State Controller's Office of California for over ***60*** jurisdictions and designed a relational database to convert unformatted financial information into the required reporting format. He has participated in installations of stand-alone relational database for the preparation of year-end financial reports in conformity with the financial reporting requirements of GASB *34*. He has conducted and also provided oversight for numerous audits and accounting process reviews. While in the position of Assistant County Auditor-Controller he acquired in-depth knowledge of government financial administration.

Mr. Endres is actively involved in the following organizations: League of California Cities; California State Association of Auditors and Tax Professionals; County Audit Chiefs Committee; County Supervisors Association of California; and the Municipal Finance Officers Associations in California, Oregon, Washington, and Colorado.

Relevant **Experience**

- Cost allocation plans; user fee/cost of service studies
- Property tax administration fee studies
- Incarceration or booking rate calculations
- Probation rate studies
- Activity-based costing
- State Criminal Alien Assistance Program (SCAAP)
- GASB *34* implementation
- Transient occupancy tax reviews
- Operational reviews and financial reporting

ACTIVITIES

Board Member, Stanford Alumni-in-Government Club of Sacramento

Member, San Francisco Planning and Urban Research Association

PROFESSIONAL EXPERIENCE

Nicholas Almeida is a project manager at FCS GROUP. In this position, he provides services in the areas of financial and management consulting. Mr. Almeida is responsible for conducting financial forecasts, cost of service and cost allocation analyses, fiscal policy reviews, economic feasibility analyses, and organizational analyses. His current clients range from community services districts to large cities, and he has also provided services to state, federal, and nonprofit entities.

Prior to joining FCS GROUP, Mr. Almeida consulted in the areas of policy, financial, and program evaluation as a senior associate for a research and consulting firm in Los Angeles. Mr. Almeida has also been a senior auditor evaluator for the California Bureau of State Audits, where he assessed the performance, compliance, and cost effectiveness of public sector entities and their activities. In this position, he developed tests to evaluate internal controls, program performance, the accuracy of financial statements, and an entity's compliance with applicable laws, regulations, program requirements, and contract agreements.

Section I
Certification

I. Certificate of Cost Allocation Plan

This is to certify that I have reviewed the cost allocation plan submitted herewith and to the best of my knowledge and belief:

(1) All costs included in this proposal dated November 30,2009 to establish cost allocations or billings for January 1, 2010 through December 31, 2010 are allowable in accordance with the requirements of 2 CFR Part 225, Cost Principles for State, Local, and Indian Tribal Governments (OMB Circular A-87), and the Federal award(s) to which they apply. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.

(2) All costs included in this proposal are properly allocable to Federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.

I declare that the foregoing is true and correct.

SECTION II

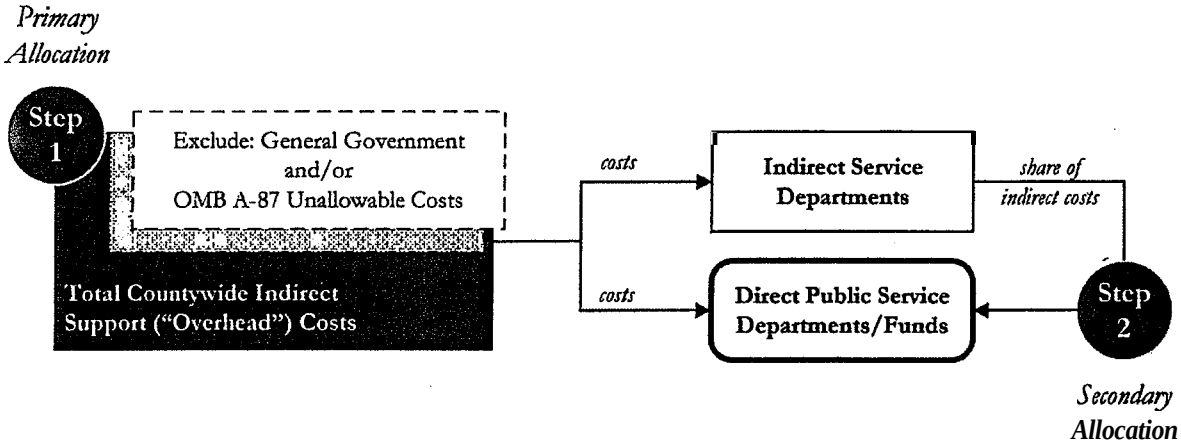
Section II
Indirect Cost Allocation Methodology & Summary

II. Indirect Cost Allocation Methodology & Summary

Overview

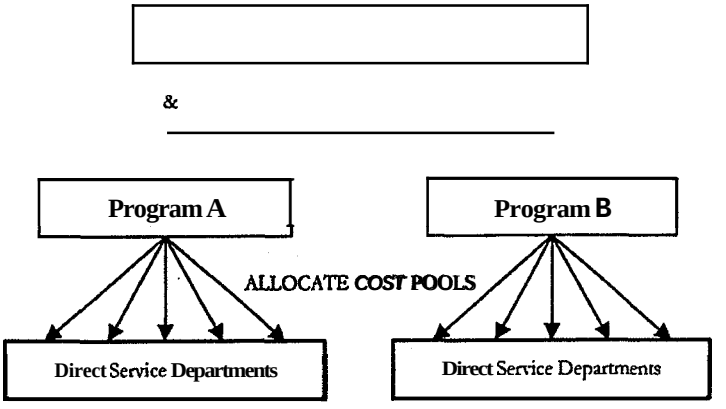
The methodology used for the indirect cost allocation plan involves a two-step approach. This approach is shown in Exhibit 1. The first step is the primary allocation of Countywide indirect costs to **all** departments, including those departments that provide indirect or support services. This step assures that the full cost of the indirect services is being allocated. The second step is a secondary allocation that takes the indirect service departments' share of those primary allocated costs and reallocates those costs to the direct service departments.

Exhibit 1
Example **of Two** Step Methodology



The first step in the cost allocation process is to identify the departments that provide indirect or support services to the direct service departments. In this step, the expenditures for an indirect service (overhead) department are grouped into various cost pools that are referred to as "program areas". The expenditures in these cost pools are reviewed, and general government and/or OMB A-87 unallowable costs are excluded. These resulting cost pools are ultimately allocated as overhead to the County's direct service departments. As an example, the Purchasing Department has three program areas: Direct Purchasing, General Purchasing Services, and Mail Center. The actual expenditures for the Purchasing Department were organized into these three program areas and any general government and OMB **A-87** unallowable costs were excluded, creating indirect cost pools chat were then allocated to other departments. More detail of how the Purchasing Department was organized into program areas can be found in Appendix C.

The second key step is to identify how each cost pool or program area should be allocated to the departments using the services. For example, General Purchasing Services' costs were allocated to each department using **an** average of the number of purchase orders and the value of purchases. Working with representatives from the County, the allocation **basis** for each program area was established. The cost pool process is portrayed in Exhibit 2.



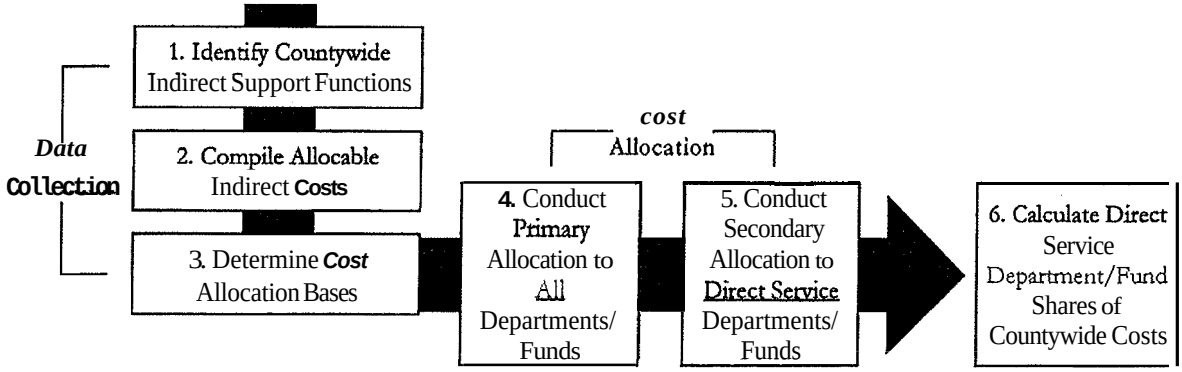
Once the program areas and allocation bases are defined, the costs are then allocated to the departments using the primary allocation and then the secondary allocation processes. The first step is the primary allocation where all departments, including the indirect service departments, receive a share of the indirect costs. For **example,** Human Resources' cost is allocated based on each department's full-time employees (FTEs). Thus, if a direct service department has 10% of the total FTEs at the County, it would receive 10% of Human Resources' costs in the primary allocation. The secondary allocation process reallocates the indirect service departments' share of the primary allocations. Using the same allocation factors, a direct service department's share of a secondary allocation is based on its share of the allocation factor compared to only the other direct service departments. For example, where a department might have 10% of the total FTEs in the County, it might have 15% of the total FTEs for direct service departments. The 15% figure would then be used in the secondary allocation to distribute Human Resources' share of the primary allocation.

Based on these principles, the Indirect Cost Allocation Plan identifies the annual cost of Countywide overhead for each of the County's direct service departments and funds. This plan **can also** be used in the future to identify annual allocations and interfund transfers necessary to reimburse the County's General Fund.

Technical Steps

The analysis of the County's indirect costs followed a series of technical steps that ensured the Indirect Cost Allocation Plan identified the total costs **and** resources used to support direct services. Exhibit **3** shows an illustration of the technical steps involved in the Indirect Cost Allocation **Plan.**

Exhibit 3
Indirect Cost Allocation Steps



Step 1: Identify Countywide Indirect Support Functions The first step in developing the Indirect Cost Allocation Plan was to determine which departments provided support services for the County and what type and level of support they provided. County staff identified the following department and functions that provide the Countywide support services. The identified indirect services included the following departments, program areas, and costs:

- Building Depreciation
- Equipment Depreciation
- Insurance (Gen'l Fund)
- Admin Srvcs - General
- Adrnin Srvcs - Excess Comp
- Admin Srvcs - Direct Support
- Admin Srvcs - Record Storage
- Admin Srvcs - Monroe Court Lease
- Admin Srvcs - Employee Programs
- Admin Srvcs - Valley Center Lease
- Admin Svcs - Postal Courier
- Labor Relations
- Assessor
- Aud Fin Srvcs - Elected Auditor
- Aud Fin Srvcs - Fund Accting
- Aud Fin Srvcs - Gen Fund Accting
- Aud Fin Srvcs - Gen Accting
- Aud Fin Srvcs - Fixed Assets
- Aud Fin Srvcs - Accts Payable
- Aud Fin Srvcs - Payroll
- Aud Fin Srvcs - Peoplesoft
- Commissioner
- Prosecutor - Civil
- Treasurer - Elected Treasurer
- Treasurer - Cashiering
- Treasurer - Finance
- Treasurer - Tax Collection
- Information Systems
- Human Resources
- Civil Service
- Facilities Maintenance
- Purchasing - Direct Purch
- Purchasing - Mail Center
- Purchasing - General Purch Services
- State Examiner
- Campus Security
- Steam Plant
- Direct Billing
- Treasurer's Utilities Lockbox

These indirect services are provided to the following County direct service departments and funds, as well as other local jurisdictions that receive services from the County:

- Coop Extension
- Bd Of Equalization
- Aud Auto
- Aud Other
- Boundary Rev
- Dept of Emergency M g

The associated overhead costs for these services represent a portion of the full cost of providing direct services to the public. Consequently, by allocating the Countywide overhead costs, a pro rata share of those costs can be included in any fee calculations, and/or be included in overhead rate calculations.

Step 2: Compile Allocable Indirect Costs Using the County's 2008 actual expenditures, the costs associated with the indirect services, such as Human Resources, Information Systems, Facilities Maintenance, etc., were identifled. Costs that could not be directly assigned to a single program area were allocated into program areas by County staff using the percentage of total labor costs.

The total A-87 allocable costs identified for each indirect service department or program area are summarized in Exhibit 4. All costs associated with the Assessor, Commissioners, Elected Auditor and Elected Treasurer were excluded as well as some costs associated with Admin Services – General and Prosecutor – Civil, because they represent general government and/or unallowable costs according to OMB A-87. Direct Billing is an allocation amount that is being used to account for payments made by direct service departments to indirect service departments for services received in 2008. More detail on these costs can be found in Section V. Departmental Cost Schedules.

Exhibit 4
Indirect Departments and Allocable Costs

Indirect Service Department	Total Countywide A-87 Allocable Costs
Building Depreciation	$ 369,094
Equipment Depreciation	$ 1,086,121
Insurance (Gen'l Fund)	$ 2,242,166
Admin Svcs - General	$ 633,861
Admin Srvcs - Excess Comp	$ 85,400
Admin Srvcs - Direct Support	$ 92,295
Admin Svcs - Record Storage	$ 70,236
Admin Srvcs - Monroe Court Lease	$ 62,904
Admin Srvcs - Employee Programs	$ 1,436
Admin Srvcs - Valley Center Lease	$ 148,453
Admin Svcs - Postal Coutier	$ 8,451
Labor Relations	$ 188,072
Assessor	$
Aud Fin Srvcs - Elected Auditor	$
Aud Fin Srvcs - Fund Accting	$ 289,768
Aud Fin Srvcs - Gen Fund Accting	$ 54,770
Aud Fin Svcs - Gen Accting	$ 765,548
Aud Fin Srvcs - Fixed Assets	$ 44,540
Aud Fin Srvcs - Accts Payable	$ 172,671
Aud Fin Srvcs - Payroll	$ 223,066
Aud Fin Srvcs - Peoplesoft	$ 243
Commissioner	$
Prosecutor - Civil	$ 997,528
Treasurer - Elected Treasurer	$
Treasurer - Cashiering	$ 508,444
Treasurer - Finance	$ 483,597
Treasurer-Tax Collection	$ 664,632
Information Systems	$ 3,724,924
Human Resources	$ 699,078
Civil Service	$ 150,491
Facilities Maintenance	$ 3,861,087
Purchasing - Direct Purch	$ 220,486
Purchasing - Mail Center	$ 61,460
Purchasing - General Purch Services	$ 374,132
State Examiner	$ 297,665
Campus Security	$ 800,497
Steam Plant	$ 871,157
Direct Billing	$ (736,148)
Treasurer's Utilities Lockbox	$ 55.407
Total	**$19,573,529**

Step 3: Determine Cost Allocation Factors To allocate overhead costs in the primary and secondary allocation processes, specific allocation factors or workload measures were identified that were representative of rhe level of support services received by a department or fund. For example, the number of represented employees per department correlates to the relative share of costs associated with the Labor Relations function. To assure consistency in future updates and to provide for relative easy data gathering, workload measures should use data that are already collected on a regular basis or are easily generated when needed.

Exhibit 5 shows the indirect service departments and the allocation factor used to distribute the costs to the various direct services. A further explanation of these indirect service departments and allocation factors can be found in **Section** IV. Description of Allocated Services and Allocation Methodologies.

Direct Billing	Direct Billing
Treasurer's Utilities Lockbox	Treasurer's Utilities Lockbox

Step 4: Conduct Primary Allocation to All Departments/Funds The primary allocation distributes the total allocable overhead costs to all the departments and funds based on the allocation factors described in Step 3. As a result, even the overhead departments such as Purchasing, Administrative Services, Treasurer, etc. receive a share of their own costs as well as a share of the other overhead costs. Overhead departments and support activities are often major users of each other's services, and by allocating to them a share of the overhead costs, the full cost of the services can be established.

Step 5: Conduct Secondary Allocation to Direct Service Departments To redistribute the support costs assigned to the overhead departments, a secondary allocation is necessary. The secondary allocation assures that the full costs of support activities are assigned to the direct service departments and funds.

Step 6: Calculate Direct Service Department/Fund Shares of Countywide Costs The totals from the primary and secondary allocations for the direct service departments/funds were added together to establish each department's or fund's full share of overhead costs. Exhibit 6 shows a summary of the direct service department shares of the Countywide A-87 allocable costs, as well as the shares of other local jurisdictions that also receive services from the County. More details of this calculation can be found in Section VIII. Primary and Secondary Allocation Schedules.

Exhibit 6
Direct Service Department share of Countywide Costs

	Direct Service Department/Fund	Share of Countywide A-87 Allocable Costs	Percentage of Allocable Costs

SECTION IV

Section IV
Description of Allocated Services and Allocation Methodologies

IV. Description of Allocated Services and Allocation Methodologies

Building Depreciation

Building depreciation is being used to distribute depreciation costs for buildings purchased with resources from the General Fund. Buildings purchased with resources from other funds are not being included. The cost for each building includes total acquisition, construction, and improvement costs. The cost of land is an unallowable cost for plan purposes, and is not included as part of a building's costs. Building maintenance and custodial costs are part of the Facilities Maintenance indirect cost pool, which is included below.

The annual depreciation rate used is 2% of the building's cost, representing a 50 year life. Depreciation costs are allocated to departments using the total square footage that they occupy in each building. The square footage was provided by the Facilities Maintenance Department. The building costs included the original cost (excluding land) plus improvements, and were obtained from the fixed assets system maintained by the Auditor's Financial Services Department.

Equipment Depreciation

Equipment depreciation is being used to distribute depreciation costs for equipment purchased with resources from the General Fund. Equipment purchased with resources from other funds is not being included. The cost for each piece of equipment includes total acquisition costs plus major improvements that significantly impact the value or extend the anticipated lifespan of the equipment.

The annual depreciation rate used is 6 213% of the equipment's cost, representing a 15 year life. Depreciation costs are allocated to departments using the equipment belonging to them or being used by them. The equipment list and purchase values were obtained from the Auditor's Financial Services Department.

Insurance Services (General Fund)

The County is self-insured for liability insurance and is a member of the Washington Counties Risk Pool. Insurance Services is used to account for the General Fund's premium to the self-insurance fund for liability coverage. Other proprietary funds at the County are billed directly for their liability insurance, and are not included as part of Insurance Services costs.

Insurance Services is allocated to General Fund departments using actuarial statistics determined by PricewaterhouseCoopers LLP.

Administration Services

Administrative Services includes the Budget Office and other Countywide costs not associated with a particular department. It is responsible for **all** aspects of the budget, position maintenance, and **also** provides sales tax auditing. Administrative Services **is** divided into eight program areas: Budget (identified **as** "General" in the plan), Excess Compensation, Direct Support, Record Storage, the Monroe Court Lease, Employee Programs, the Valley Service Center Lease, and Postal Courier.

- Budget's costs for dues and lobbying are not being included as part of the County's OMB **A-**87 plan, but are being included as part of the County's full cost plan. Costs are allocated using a weighted average of 50% total adjusted expenditures and 50% total financial transactions. Expenditures are adjusted to exclude depreciation expense, capital purchase, pass-through, debt service, and cost allocation payments.

- Excess Compensation is for the additional retirement costs associated with excess compensation. It **is** allocated using total actual excess compensation expenditures per department/fund.

- Direct Support is for expenditures that are more appropriately charged to other departments. It is allocated using each department's share of the total direct support costs. Examples include actuarial studies for the Sheriff and Geiger Corrections Center, and payments for Geiger **work** crews.

- Record Storage is for the offsite storage of records that the County **is** required to retain. The cost is allocated using the billed expenditures for record storage services for each department/fund.

- The Monroe Court Lease is for leased office space located near the Monroe Court building. The cost is allocated using square footage occupied by each department.

- Employee Programs represents the costs associated with a medical benefits newsletter. These costs are allocated using total full time equivalent positions (FTEs).

- The Valley Service Center Lease is for the leased office space near the Valley Service Center. The cost is allocated using the square footage occupied by each department.

- The Postal Courier picks up mail in bulk from the Post Office, and delivers it to the County. The cost is allocated using total FTEs.

Labor Relations

The Labor Relations division of the Administrative Services Office represents management when dealing with 20 bargaining units at the County. Its work includes contract negotiation, contract administration, contract analysis/interpretation and discipline and discharge. The division also drafts supplemental contracts and Memorandum of Understandings to settle employment issues, provides legal guidance regarding labor and employment matters, and processes all grievances for departments as well as PERC matters. The costs of Labor Relations are allocated using total represented FTEs.

Assessor

The Assessor's Office costs are not being included as part of the County's OMB A-87 plan, but they are being included as part of the County's full cost plan. The Assessor's Office determines fair market value of all property within Spokane County and is responsible for the administration of state laws relating to the assessment of both real and personal property. Real property is revalued every year. Personal property is listed and valued annually. The Assessor maintains inventory, description, ownership, sales and geographical information for all county property parcels. They prepare an annual statement of assessed valuations, tax rates and taxes levied within the various taxing districts of Spokane County. They also allocate value to taxing districts, calculate levy rates, and certify the tax roll to the Treasurer.

The costs of the Assessor's Office are being allocated using the value of total taxes assessed. The General Fund's share of this allocation is being distributed to General Fund departments using their operating expenditures, after adjusting for contract revenues.

Auditor: Financial Services

The Auditor's Office is comprised of a number of divisions, including the Financial Services Division. Financial Services provides support services throughout the County, and its costs are considered allowable for federal reporting requirements. Financial Services maintains and controls the County's financial system to ensure the integrity and accuracy of the County's financial information, financial reporting, payment of liabilities, and safeguarding of assets. Financial Services also provides financial, accounting, payroll and accounts payable services to the County's various departments and agencies, and acts as the disbursing officer for smaller taxing districts within the County. Financial Services is organized into eight program areas: Elected Auditor, Fund Accounting, General Fund Accounting, General Accounting, Fixed Assets, Accounts Payable, Payroll, and People Soft.

- The Elected Auditor's costs are not being included as part of the County's OMB A-87' plan, but they are being included as part of the County's full cost plan. The Elected Auditor costs

are allocated back to the other seven program areas in Financial Services, using the number of Financial Service FTEs assigned to each function.

- Fund Accounting is for accounting-related activities that directly support each fund, except for the General Fund, which has its own program area below. Accounting-related activities include activities such as the preparation of annual financial statements for funds, find balancing, cash flow analysis, asset recording, etc. These costs are allocated using the value of total staff time spent in support of each fund.

- General Fund Accounting is for accounting-related activities that directly support the General Fund. Accounting-related activities include activities such as the preparation of the annual financial statements, fund balancing, cash flow analysis, asset recording, etc. These costs are allocated using a weighted average of 50% total adjusted General Fund expenditures and 50% total General Fund financial transactions. Expenditures are adjusted to exclude capital purchases, pass-through, and debt service payments.

- General Accounting is for general accounting-related activities that are not specific to a particular fund. Examples include the overall review of the comprehensive annual financial report, notes to the financial statements, the Countywide review and impact assessment of accounting pronouncements, and attending departmental meetings not specific to individual funds. These costs are allocated using a weighted average of 50% total adjusted expenditures and 50% total financial transactions. Expenditures are adjusted to exclude depreciation expense, capital purchases, pass-through, debt service, and cost allocation payments.

- Fixed Assets represents the value of staff time spent in maintaining the County's fixed asset system and balancing fixed asset expenditures. These costs are allocated using the total number of fixed asset transactions per department/fund.

- Costs for Accounts Payable are allocated using total accounts payable vouchers per department/fund.

- Payroll costs are allocated using FTEs, including employees from the Health District and the Law Library.

- People Soft is for the cost of employees tied specifically to the implementation of the financial system. These costs are allocated using a weighted average of 50% total adjusted expenditures and 50% total financial transactions. The expenditures are adjusted to exclude

depreciation expense, capital purchases, pass-through, debt service, and cost allocation payments.

Commissioners

The Spokane County Board of Commissioners' costs are not being included as part of the County's OMB A-87 plan,. but they are being included as part of the County's full cost plan. The Commissioners are responsible for providing legislative and administrative service to Spokane County. They approve the annual appropriations of all county functions. Powers include adopting and enacting the budget, appropriation expenditures, setting policy, establishing fees and comprehensive use plans, and conducting public hearings and meetings. The board also has quasi-judicial duties as the appeals body for some actions relating to the regulation of property division and land development. Their costs are allocated using a weighted average of 50% FTEs and 50% total adjusted expenditures. Expenditures are adjusted to exclude depreciation expense, capital purchases, pass-through, debt service, and cost allocation payments.

Prosecuting Attorney: **Civil**

The County Prosecuting Attorney is divided into several divisions, including the Civil Division. The Civil Division is the legal advisor to the County's elected officials and all County departments and agencies in legal matters relating to official business.

The Civil Division costs include only those costs associated with providing general legal services to County departments. Litigation costs are not included. Costs are allocated using the total time spent by staff in direct support of each department. A small amount of cost for the elected prosecuting attorney that was included with the Civil Division's costs is not being included as part of the County's OMB A-87 plan, but is being included as part of the County's full cost plan.

Treasurer

The County Treasurer's Office is the custodian of all County money and investments and is also a treasurer and investment agent for many other governmental entities and junior taxing districts. Services provided include cash custody, investment, revenue collection, and debt service payments. The Treasurer is organized into five program areas: Elected Treasurer, Cashiering, Finance, Tax Collection, and Utilities Lockbox.

- The Elected Treasurer's costs are not being included as part of the County's OMB A-87 plan, but they are being included as part of the County's full cost plan. The Elected Treasurer's costs are being allocated back to the other Treasury program areas using the number of Treasury FTEs assigned to *each* function.

- Costs for Cashiering are allocated using the number of cash receipts processed per department/fund.

- Finance represents activities related to rhe reconciliation of cash and all investments. Finance's costs are allocated using the Treasurer's financial document count per department/fund.

- Tax Collection costs are allocated using the total taxes collected, with the General Fund's allocation distributed to General Fund departments using their operating expenditures.

- The Utilities Lockbox cost **is** being allocated directly to Sewer Operations and Waste Water Treatment, who are the sole users of this service. The allocation is based on the total value of customer collections for Sewer Operations and Waste Water Treatment for **an** average, typical month

Information Systems (General Fund)

The Information Systems Department (ISD) provides centralized data processing services. Customers include the County, other government agencies, and private entities under contract. Services include: network, communication, database, hardware, desktop, telephone, video conferencing support, GIS, and application/programming.

ISD costs include only those for departments **in** the General Fund, adjusted for depreciation and capital costs. All other funds pay directly for services. Information systems costs are allocated using usage statistics tracked by ISD.

Human Resources

The Human Resources Department combines all personnel-related services for the County. These services include: affirmative action, recruitment and selection, employee training and development, personnel policies and procedures, compensation and benefic programs, classification and position analysis, and labor and employee relations. Human Resources costs are allocated using total FTEs.

Civil Service

The Civil Service Department is responsible for recruiting new staff and law enforcement officers for the Sheriffs Department. Civil Services costs are being allocated using total FTEs served by Civil Service.

Facilities Maintenance

The Facilities Department performs needed repairs or maintenance on County owned buildings. Maintenance workers perform jobs such as construction, shop fabrications, and campus landscaping. Also contracted custodial services, including cleaning services, are provided for some buildings. Heat, light, and power for some buildings are paid by Facilities and are also allocated through this plan based on actual usage per building. Facilities costs for each building are being allocated using the total square footage occupied by departments/funds in each building.

Purchasing

The Purchasing Department provides procurement services to County departments and agencies. These services include assisting with the acquisition of materials, supplies, services, equipment and public works projects, management and coordination of all phases of the competitive solicitation process, contract preparation and management, and review of vendor requests for payment. Purchasing also operates the County Mail Center, manages the County petty cash fund, and helps departments in the sale and disposition of surplus and excess County property. Purchasing is organized into three program areas: Direct Purchasing, Mail Center, and General Purchasing Services.

- Direct Purchasing represents the value of staff time spent in direct support of departments or funds. These costs are allocated using the total direct hours of support per department/fund.

- The Mail Center collects and distributes all interoffice, outgoing, and incoming mail for the County. Costs for the Mail Center are allocated using total FTEs per department/fund.

- General Purchasing Services is for general purchasing activities not related to a specific department or fund. These costs are allocated using weighted average of 50% purchase orders (PO's) issued and 50% value of PO's issued.

State Examiner

Each year an audit of the financial affairs of the County is conducted by the State Auditor's Office. State Examiner is being used to distribute the costs of this audit. These costs are allocated using a weighted average of 50% total adjusted expenditures and 50% total financial transactions. The expenditures are adjusted to exclude depreciation expense, capital purchases, pass-through, debt service, and cost allocation payments.

Campus Security

In 1994 security measures were implemented in County buildings with Courts. Campus Security provides these security services, including closed-circuit monitors, x-ray machines, and metal detectors. Campus Security costs are only allocated to buildings that are occupied by the courts. The allocation is based on actual security **staff** hours spent per department.

Steam Plant

The Steam Plant provides climate control for the following buildings: Public Works, Facilities Maintenance, Juvenile, Public Safety, Courthouse, Annex, and Public Health. Steam Plant costs are allocated using each department's share of the total square footage served by the Steam Plant.

Direct Billing

Direct Billing represents the payments for services that were billed directly to departments/funds by the following indirect cost pools: Prosecuting Attorney: Civil; Facilities Maintenance; Auditor: Financial Services – Payroll; and Steam Plant. Direct Billing is being used to offset the total allocated Countywide overhead costs for departments/funds which have already paid for some or **all** of these services through a direct bill. Direct billing costs are allocated using the value of the direct bills charged to each department/fund.

PROFESSIONAL SERVICES AGREEMENT
RELATIVE TO
REQUEST FOR PROPOSALS (RFP),
OMB A-87 COST ALLOCATION PLANS AND INDIRECT COST RATES

THIS AGREEMENT is made as of the _____ day of _____, 2010, by and between the CITY OF LODI (hereinafter referred to as "City") and Financial Consulting Solutions Group, Inc., (hereinafter referred to as "Consultant").

WHEREAS, the City desires to obtain professional services to develop City-wide central service cost allocation plans and annual indirect cost proposals for selected divisions/business units in accordance with the Office of Management and Budget (OMB) Circular A-87, and the Cost Principles and Procedures for Establishing Cost Allocation Plans and Indirect Cost Rates for Agreements with the Federal Government (ASMB C-10) relative to Request for Proposals (RFP) , *OMB A-87 Cost Allocation Plans and Indirect Cost Rates*; and

WHEREAS, the City has issued an RFP dated April 8, 2010, a copy of which is attached and incorporated as Exhibit A; and

WHEREAS, the Consultant desires to provide such services and has represented that it is experienced and qualified to perform such services. It has submitted a written proposal, dated May 17, 2010 a copy of which is attached and incorporated as Exhibit B.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. <u>RENDITION OF SERVICES</u>

The Consultant agrees to provide professional services to the City in accordance with the terms and conditions of this Agreement. In the performance of its work, the Consultant represents that it has and will exercise the degree of professional care, skill, efficiency, and judgment of consultants with special expertise in developing OMB A-87 Cost Allocation Plans and Indirect Cost Rates, and the Consultant represents that it carries all applicable licenses, certificates, and registrations needed for the work in current and good standing.

2. <u>SCOPE OF SERVICES</u>

The scope of the Consultant's services shall consist of the services set forth in Exhibit A, as supplemented by Exhibit B, except when inconsistent with Exhibit A. In the event of a conflict between Exhibit A and Exhibit B, Exhibit A shall control. In the event of a conflict between this Agreement and Exhibit A, this Agreement shall control.

3. <u>SCHEDULE AND TIME OF COMPLETION</u>

The Consultant shall commence work upon the City's issuance of a written notice to proceed. The term of this Agreement will be a five (5)-year contract. Unless the Agreement is terminated sooner pursuant to Section 18, services shall be performed within the deadlines set forth in Exhibit A unless otherwise mutually agreed upon by the City and the Consultant.

4. KEY PERSONNEL

It is understood and agreed by the parties that at all times during the term of this Agreement that Peter Moy shall serve as the primary staff person of the Consultant to undertake, render and oversee all of the services under this Agreement. Upon written notice by the Consultant and approval by the City, which will not be unreasonably withheld, the Consultant may substitute this person with another person, who may possess similar qualifications and experience for this position.

5. COMPENSATION

The Consultant agrees to perform all of the services included in Section 2 for a total all inclusive sum not-to-exceed fee of SEVENTY-SEVEN THOUSAND DOLLARS ($77,000.00) for the five years of service, in accordance with Exhibits A and B. The total all inclusive sum shall include all labor, materials, taxes, profit, overhead, insurance, subcontractor costs and all other costs and expenses incurred by the Consultant. The hourly rate by personnel category shall be as set forth in Exhibit B. The City will pay the Consultant in accordance with Section 13.

6. NOTICES

All communications relating to the day-to-day activities of the project shall be exchanged between the City's Deputy City Manager and the Consultant's Project Manager, Manfred Endres.

All other notices and communications regarding interpretation of the terms of this contract and changes thereto shall be given to the other party in writing and may be given by personal delivery to a representative of the parties or by mailing the same postage prepaid, addressed as follows:

If to the City:
City of Lodi
P.O. Box 3006
Lodi, CA 95241-1910
Attention: Jordan Ayers, Deputy City Manager

If to the Consultant:
FCS Group
7525 166th Avenue, N.E. Suite D-15
Redmond, WA 98052
Attention: Peter Moy

The address to which mailings may be made may be changed from time to time by notice mailed as described above. Any notice given by mail shall be deemed given on the day after that on which it is deposited in the United States Mail as provided above.

7. OWNERSHIP OF WORK

All reports, designs, drawings, plans, specifications, analyses, charts, tables, schedules and all other materials prepared, or in the process of being prepared, for the services to be performed by the Consultant shall be and are the property of the City. The City shall be

entitled access to and copies of these materials during the progress of the work. Any such materials remaining in the hands of the Consultant or in the hands of any subcontractor upon completion or termination of the work shall be immediately delivered to the City. If any materials are lost, damaged or destroyed before final delivery to the City, the Consultant shall replace them at its own expense and the Consultant assumes all risks of loss, damage or destruction of or to such materials. The Consultant may retain a copy of all material produced under this Agreement for its use in its general business activities.

Any and all rights, title, and interest (including without limitation copyright and any other intellectual-property or proprietary right) to materials prepared under this Agreement are hereby assigned to the City. The Consultant agrees to execute any additional documents which may be necessary to evidence such assignment.

The Consultant represents and warrants that all materials prepared under this Agreement are original or developed from materials in the public domain (or both) and that all materials prepared under and services provided under this Agreement do not infringe or violate any copyright, trademark, patent, trade secret, or other intellectual-property or proprietary right of any third party.

8. CONFIDENTIALITY

Any City materials to which the Consultant has access or materials prepared by the Consultant during the course of this Agreement ("confidential information") shall be held in confidence by the Consultant, who shall exercise all reasonable precautions to prevent the disclosure of confidential information to anyone except the officers, employees and agents of the Consultant as necessary to accomplish the rendition of services set forth in Section 2 of this Agreement.

The Consultant shall not release any reports, information or promotional materials prepared in connection with this Agreement, whether deemed confidential or not, to any third party without the approval of the City.

9. USE OF SUBCONTRACTORS

The Consultant shall not subcontract any services to be performed by it under this Agreement without the prior written approval of the City, except for service firms engaged in drawing, reproduction, typing, and printing. Any subcontractors must be engaged under written contract with the Consultant with provisions allowing the Consultant to comply with all requirements of this Agreement, including without limitation the “Ownership of Work” provisions in Section 7. The Consultant shall be solely responsible for reimbursing any subcontractors and the City shall have no obligation to them.

10. CHANGES

The City may, at any time, by written order, make changes within the scope of work and services described in this Agreement. If such changes cause an increase in the budgeted cost of or the time required for performance of the agreed upon work, an equitable adjustment as mutually agreed shall be made in the limit on compensation as set forth in

Section 5 or in the time of required performance as set forth in Section 3, or both. In the event that the Consultant encounters any unanticipated conditions or contingencies that may affect the scope of work or services, schedule, or the amount of compensation specified herein, the Consultant shall so advise the City immediately upon notice of such condition or contingency. The written notice shall explain the circumstances giving rise to the unforeseen condition or contingency and shall set forth the proposed adjustment in schedule or compensation. This notice shall be given to the City prior to the time that the Consultant performs work or services related to any proposed adjustment. The pertinent changes shall be agreed to in a written and signed supplement to this Agreement prior to implementation of such changes.

11. RESPONSIBILITY; INDEMNIFICATION

The Consultant shall indemnify, keep and save harmless the City and its council members, officers, agents and employees against any and all suits, claims or actions arising out of any of the following:

A. any injury to persons or property that may occur, or that may be alleged to have occurred, arising from the performance of this Agreement by the Consultant caused by a negligent act or omission or willful misconduct of the Consultant or its employees, subcontractors or agents; or

B. any allegation that materials or services provided by the Consultant under this Agreement infringe or violate any copyright, trademark, patent, trade secret, or any other intellectual-property or proprietary right of any third party.

The Consultant further agrees to defend any and all such actions, suits or claims and pay all charges of attorneys and all other costs and expenses of defenses as they are incurred. If any judgment is rendered against the City or any of the other individuals enumerated above in any such action, the Consultant shall, at its expense, satisfy and discharge the same. This indemnification shall survive termination or expiration of the Agreement.

12. INSURANCE

A. Types of Insurance

The Consultant shall not commence work until proper evidence of insurance coverage of the types and amounts specified in this section has been provided to City. The Consultant shall not violate or permit to be violated any conditions or provisions of said policies of insurance, and at all times shall satisfy the requirements of the insurer for the purpose of maintaining said insurance in effect.

If any claim is made by any third person against the Consultant on account of any incident connected to the Agreement, the Consultant shall promptly report the fact in writing to City, giving full details of the claim.

Any person, firm, or corporation that the Consultant authorizes to work upon the City's property, including any subcontractor, shall be deemed to be the Consultant's agent and shall be subject to all applicable terms of this Agreement. Prior to the Consultant's start of the work or entry onto the City's property, the Consultant agrees to require its subconsultants to procure and maintain, at the Consultant's (or its subconsultant(s)') sole cost and expense (and to prove to the City's reasonable satisfaction that it remains in effect throughout the performance of the work under this Agreement), the kinds of insurance described below. Such insurance must remain in effect throughout the term of this Agreement and will be at the sole cost and expense of the Consultant (or its subconsultant(s)).

1) Commercial General Liability Insurance

The Consultant shall, at its own expense, procure and maintain Commercial General Liability insurance providing bodily injury and property damage coverage with a combined limit of at least One Million Dollars ($1,000,000) each occurrence and a general aggregate limit of at least Two Million Dollars ($2,000,000). This insurance shall include, but not be limited to, premises and operations, contractual liability covering the indemnity provisions contained in this Agreement, personal injury, products and completed operations, and broad form property damage, and include a Cross Liability endorsement.

Said Policy shall protect the Consultant and the City in the same manner as though a separate policy had been issued to each, but nothing in said policy shall operate to increase the insurance company's liability as set forth in its policy beyond the amount or amounts shown or to which the insurance company would have been liable if only one interest had been named as an insured.

2) Business Automobile Liability

The Consultant shall, at its own cost and expense, procure and maintain Business Automobile Liability insurance providing bodily injury and property damage with a combined single limit of at least One Million Dollars ($1,000,000) per occurrence for all owned, non-owned and hired automobiles. This insurance shall provide contractual liability covering all motor vehicles and mobile equipment to the extent coverage may be excluded from general liability insurance.

3) Workers' Compensation and Employers' Liability Insurance

If the Consultant employs any person to perform work in connection with this Agreement, the Consultant shall procure and maintain at all times during the performance of such work Workers' Compensation Insurance in conformance with the laws of the State of California, and federal laws where applicable. Employers' Liability Insurance shall not be less than One Million Dollars ($1,000,000) for each accident and One Million Dollars ($1,000,000) for each disease, with a policy limit of One Million Dollars ($1,000,000).

The policy shall contain a waiver of subrogation in favor of the City and its officers, council members, employees, volunteers, and agents, while acting in such capacity, and their successors and assignees, as they now or as they may hereafter be constituted, singly, jointly, or severally.

4) Professional Liability Insurance

The Consultant shall also maintain Professional Liability Insurance covering the Consultant's performance under this Agreement with a limit of liability of One Million Dollars ($1,000,000) for any one claim. This insurance shall be applicable to claims arising from the work performed under this Agreement. The policy shall contain an "Extended Reporting Period" provision providing for at least one (1) year of Extended Reporting. In the event of non-renewal or cancellation, the Consultant shall be required to purchase the Extended Reporting Period coverage at Consultant's sole expense or provide evidence of new coverage with a retroactive date prior to the commencement of work under this Agreement. Prior to commencing work under this Agreement, the Consultant shall furnish to City a Certificate of Insurance or certified copy of the insurance policy if requested, indicating compliance with the requirements of this paragraph. This certificate or policy shall further stipulate that thirty (30) days advance written notice of cancellation, non-renewal or estimated settlements in excess of the limits of the policy shall be given to City. In the event of a reduction in limits, the Consultant will provide evidence of reinstatement of limits or provide evidence of additional coverage so that a minimum of One Million Dollars ($1,000,000) per claim is evidenced.

The Consultant shall notify the City of all professional liability claims that have an estimated settlement value in excess of the policy. If the amount of the professional liability insurance is reduced by other claims, the Consultant shall procure such additional insurance to restate the limits as required under this Agreement.

If any insurance specified above shall be provided on a claims-made basis, then in addition to the coverage requirements stated above, such policy shall provide that:

a. Policy retroactive date coincides with or precedes the Consultant's start of work (including subsequent policies purchased as renewals or replacements).

b. The Consultant will make every effort to maintain similar insurance for at least three (3) years following project completion, including the requirement of adding all additional insureds.

c. If insurance is terminated for any reason, the Consultant agrees to purchase an extended reporting provision of at least two (2) years to report claims arising from work performed in connection with this Agreement.

The policy must also allow for reporting of circumstances or incidents that might give rise to future claims.

B. General Insurance Requirements

1) Acceptable Insurance

All policies will be issued by insurers acceptable to the City. This insurance shall be issued by an insurance company or companies authorized to do business in the State of California with minimum "Best's" rating of B+ and with minimum policyholder surplus of Twenty-Five Million Dollars ($25,000,000) or a company acceptable to City in its sole discretion. All policies shall be issued in a form satisfactory to the City Manager and shall be issued specifically as primary insurance. Workers' Compensation coverage requirements may be met with the California State Compensation Fund.

2) Procure and Maintain Insurance

The Consultant must, at its own cost and expense, procure and maintain at all times during the performance of this Agreement, all of the required policies specified above. The failure to procure or maintain the required insurance policies and/or an adequately funded self-insurance program acceptable to the City will constitute a material breach of the Agreement.

3) Terms of Policies

All insurance specified above shall remain in force until all work to be performed is satisfactorily completed. If the insurance is provided on a claims-made basis, it must remain in force for the entire term of the Contract and a minimum of three (3) years thereafter.

C. Evidence of Insurance and Endorsements

Prior to commencing of work or entering onto the City's property, the Consultant shall file a Certificate of Insurance with the City evidencing the foregoing coverages, including the following endorsements:

1) The insurance company(ies) issuing such policy(ies) will provide at least thirty (30) days' notice to the City of cancellation or non-renewal.

2) That the policy(ies) is primary insurance and the insurance company(ies) providing such policy(ies) shall be liable thereunder for the full amount of any loss or claim that the Consultant is liable for under this section, up to and including the total limit of liability, without right of contribution from any other insurance maintained or which may be maintained by the City.

3) Such insurance shall include as additional insureds the City of Lodi, and its respective council members, officers, employees, and agents while acting in such capacity, and their successors or assignees, as they now or as they may hereafter be constituted, singly, jointly, or severally.

4) The policy must also contain either a Cross Liability endorsement or Severability of Interests Clause and stipulate that inclusion of the City as an additional insured will not in any way affect the City's rights as respects to any claim, demand, suit or judgment made, brought, or recovered against the Consultant. Said policy shall protect the Consultant and the City in the same manner as though a separate policy had been issued to each, but nothing in said policy shall operate to increase the insurance company's liability as set forth in its policy beyond the amount or amounts shown or to which the insurance company would have been liable if only one interest had been named as an insured.

D. <u>Consequence of Lapse</u>

Should any required insurance not be procured or lapse during the term of this Agreement, requests for payment originating after such lapse will not be processed until the City receives satisfactory evidence of reinstated coverage as required by the Agreement. If insurance is not reinstated, the City, may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

13. MANNER OF PAYMENT

Consultant shall be paid seventy-five percent (75%) of the annual fee as set forth in Exhibits A and B upon submission of each year's draft report, based upon a invoice submitted by Consultant. Upon submission of the final drafts of all deliverables, Contractor shall submit an invoice for the remaining twenty-five percent (25%) of the annual fee for services. Additional services, if any, provided by Consultant shall be invoiced separately and conform to the rates specified in Exhibit B as accepted by the City. The City shall endeavor to pay approved invoices within thirty (30) days of their receipt.

14. CONSULTANT'S STATUS

Neither the Consultant nor any party contracting with the Consultant shall be deemed to be an agent or employee of the City. The Consultant is and shall be an independent Consultant, and the legal relationship of any person performing services for the Consultant shall be one solely between that person and the Consultant.

15. ASSIGNMENT

The Consultant shall not assign any of its rights nor transfer any of its obligations under this Agreement without the prior written consent of the City.

16. CITY WARRANTIES

The City makes no warranties, representations or agreements, either express or implied, beyond such as are explicitly stated in this Agreement.

17. CITY REPRESENTATIVE

Except when approval or other action is required to be given or taken by the City Council, the City Manager, or such person or persons as he/she shall designate in writing from time to time, shall represent and act for the City.

18. TERMINATION

The City shall have the right to terminate this Agreement at any time by cause or by convenience by giving written notice to the Consultant. Upon receipt of such notice, the Consultant shall not commit itself to any further expenditure of time or resources.

If the Agreement is terminated for any reason other than a breach or default by the Consultant, the City shall pay to the Consultant in accordance with the provisions of Sections 5 and 13 all sums actually due and owing from the City for all services performed and all expenses incurred up to the day written notice of termination is given, plus any costs reasonably and necessary incurred by the Consultant to effect such termination. If the Agreement is terminated for breach or default, the City shall remit final payment to the Consultant in an amount to cover only those services performed and expenses incurred in full accordance with the terms and conditions of this Agreement up to the effective date of termination.

The City shall not in any manner be liable for the Consultant's actual or projected lost profits had the Consultant completed the services required by this Agreement.

19. MAINTENANCE, AUDIT AND INSPECTION OF RECORDS

All Consultant and subconsultant costs incurred in the performance of this Agreement will be subject to audit. The Consultant and its subconsultants shall permit the City, or its authorized representatives to inspect, examine, make excerpts from, transcribe, and copy the Consultant’s books, work, documents, papers, materials, payrolls records, accounts, and any and all data relevant to the Agreement at any reasonable time, and to audit and verify statements, invoices or bills submitted by the Consultant pursuant to this Agreement. The Consultant shall also provide such assistance as may be required in the course of such audit. The Consultant shall retain these records and make them available for inspection hereunder for a period of four (4) years after expiration or termination of the Agreement.

If, as a result of the audit, it is determined by the City's auditor or staff that reimbursement of any costs including profit or fee under this Agreement was in excess of that represented and relied upon during price negotiations or represented as a basis for payment, the Consultant agrees to reimburse the City for those costs within sixty (60) days of written notification by the City.

20. EQUAL EMPLOYMENT OPPORTUNITY

In connection with the performance of this Agreement, the Consultant shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability or national origin. The Consultant shall take affirmative actions to ensure that applicants are employed, and that employees are treated during their employment, without regard to their race, religion, color, sex, disability or national origin. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion or transfer recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Consultant further agrees to insert a similar provision in all subcontracts, except subcontracts for standard commercial supplies or raw materials.

21. NON-DISCRIMINATION ASSURANCE

The Consultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of U.S. DOT-assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as the City deems appropriate. The Consultant shall obtain the same assurances from its joint venture partners, subcontractors, and subconsultants by including this assurance in all subcontracts entered into under this Agreement.

22. CONFLICT OF INTEREST

The Consultant warrants and represents that it presently has no interest and agrees that it will not acquire any interest which would present a conflict of interest under California Government Code §§ 1090 et seq. or §§ 87100 et seq. during the performance of services under this Agreement. The Consultant further covenants that it will not knowingly employ any person having such an interest in the performance of this Agreement. Violation of this provision may result in this Agreement being deemed void and unenforceable.

Depending on the nature of the work performed, the Consultant may be required to publicly disclose financial interests under the City's Conflict of Interest Code. The Consultant agrees to promptly submit a Statement of Economic Interest on the form provided by City upon receipt.

No person previously in the position of council member, officer, employee or agent of the City may act as an agent or attorney for, or otherwise represent, the Consultant by making any formal or informal appearance, or any oral or written communication, before the City, or any officer or employee of the City, for a period of twelve (12) months after leaving office or employment with the City if the appearance or communication is made for the purpose of influencing any action involving the issuance, amendment, award or revocation of a permit, license, grant or contract.

23. RELEASE OF INFORMATION

The Consultant shall not release any reports, information or promotional materials prepared in connection with this Agreement without the approval of the City.

24. ATTORNEYS' FEES

If any legal proceeding should be instituted by either of the parties to enforce the terms of this Agreement or to determine the rights of the parties under this Agreement, the prevailing party in said proceeding shall recover, in addition to all court costs, reasonable legal fees.

25. APPLICABLE LAW

This Agreement, its interpretation and all work performed under it shall be governed by the laws of the State of California.

26. BINDING ON SUCCESSORS

All of the terms, provisions and conditions of this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors, assigns and legal representatives.

27. ENTIRE AGREEMENT; MODIFICATION

This Agreement, including any attachments, constitutes the entire Agreement between the parties with respect to the subject matter hereof and may not be amended except by a written amendment executed by authorized representatives of both parties. In the event of a conflict between the terms and conditions of this Agreement and the attachments, the terms of this Agreement will prevail.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by their duly authorized officers as of the day and year first above written.

** If the Consultant is a corporation, this Agreement must be executed by two corporate officers, consisting of: (1) the president, vice president or chair of the board; and (2) the secretary, assistant secretary, chief Jinancial officer or assistant treasurer. In the alternative, this Agreement may be executed by a single officer or a person other than an officer provided that evidence satisfactory to the City is provided demonstrating that such individual is authorized to bind the corporation (e.g. a copy of a certified resolution from the corporation's board or a copy of the corporation's bylaws.)*

RESOLUTION NO. 2010-89

A RESOLUTION OF THE LODI CITY COUNCIL
AWARDING CONTRACT TO FCS GROUP FOR
OMB A-87 COST ALLOCATION PLAN AND INDIRECT
COST RATE SERVICES

==========

WHEREAS, the City Council authorized the issuance of a request for proposals (RFP) for OMB A-87 cost allocation plan and indirect cost rate services on April 7, 2010; and

WHEREAS, the City posted the RFP on its web site and directly notified 17 vendors of the availability of the RFP; and

WHEREAS, the City received proposals from seven vendors as shown below:

Capital Accounting Partners	MGT of America
FCS Group	Tischler Bise
Macias Consulting	Willdan
Maximus	

WHEREAS, a selection committee of City staff independently evaluated the proposals received based upon the criteria set forth in the RFP; and

WHEREAS, the selection committee unanimously selected FCS Group.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lodi does hereby award a contract to FCS Group for OMB A-87 cost allocation plan and indirect cost rate services and authorizes the Interim City Manager to sign the contract.

Dated: June 16, 2010

==========

I hereby certify that Resolution No. 2010-89 as passed and adopted by the City Council of the City of Lodi in a regular meeting held June 16, 2010, by the following votes:

AYES: COUNCIL MEMBERS – Hansen, Hitchcock, Johnson, and Mounce

NOES: COUNCIL MEMBERS – None

ABSENT: COUNCIL MEMBERS – Mayor Katzakian

ABSTAIN: COUNCIL MEMBERS – None

RANDI JOHL
