COUNCIL CHAMBERS CITY COUNCIL
CITY HALL - CITY OF LODI
WEDNESDAY, AUGUST 28, 1946

In accordance with its adjournment taken from the regular meeting of August 21st, the City Council met at 8:00 o'clock P.M. of Wednesday, August 28, 1946, Councilmen Haskell, Lytle, Riggs, Tolliver and Rinn present, none absent. Also attending City Attorney West, City Engineer Henning, Building Inspector Heckenlaible and Superintendent of Utilities Killelea.

RESIGNATION OF R.D.McCLURE

The written resignation of Richard D. McClure, employed in the Public Utilities Department was received and filed.

MOTOR BOAT RACES AT LAKE PARK

Lodi Memorial Hospital Association, as sponsor, applied for exclusive use of Lodi Lake Park September 15th from 8:00 A.M. to Noon for the holding of outboard motor races, charging admission therefore. As these races would be held at the time of the Lodi Grape & Wine Festival and Lake Park would doubtless be a place for rest and family picnics, the Council thought it best that this request be not granted and so ordered.

U.S.E.S. LEASE

A proposed form of lease covering the property now occupied and contemplated extensions at 125 N. Stockton Street was submitted by United States Employment Service and ordered referred to the City Attorney.

PLUMBING CODE DISCUSSED

At this time, Mayor Rinn declared the meeting open for the discussion of the adoption of a new plumbing code, representatives of the following Master Plumbers being in attendance out of nineteen who had been invited to attend:

Lodi Plumbing and Heating Co.	C. J. Dietz
Albert L. Dutschke	
Floyd G. Wolfe	
Edwin R. Wolfe	
John H. Youngman	
Jacob S. Howen	
Central Plumbing Co.	Emil Bentz
Utilities Service	N. G. Murrie
G. G. Hust & Sons	G. G. Hust

Messrs Dietz, Bentz and Howen acting as spokesmen advocating adoption of an ordinance copied in substance from that in use in Stockton.

Clarification of two sections, elimination of as many provisions making decisions of the plumbing inspector dependent on his judgement as possible and the constituting the Board of Examiners a Board of Appeals similar to the Board established in the Uniform Building Code was directed and a final draft ordered for submission as early as possible to the Council.

The Clerk was ordered to draft and submit a proposed resolution establishing the position of Park and Street Superintendent and defining the duties of that position.

At 10:15 o'clock P.M. the City Council adjourned on motion of Councilman Riggs.
