City Hall
Monday-Dec.17,1928

The City Council of the City of Lodi met in regular session at 8.05 o'clock P.M. on the above date, Councilmen Hale, Roach, Shattuck, Weihe and Spooner present, none absent.

Fire Chief B.C.Dougherty asked permission to purchase a hose testing pump and guage, the cost not to exceed $35.00. On motion of Councilman Weihe, Roach second, Mr. Dougherty was instructed to make the purchase.

As the annual contract for meter purchases would expire before the next meeting date and as Superintendent Henning recommended its renewal, the Mayor and City Clerk were instructed to execute a new contract at the same rates as last year with the Duncan Electric Company of La Fayette, Indiana.

Three building permits aggregating $3,750.00 were ordered granted.

Councilman Shattuck stated that the darkened condition of Olive Court between School and Church Streets had been brought to his attention and the installation of an overhead light in this block was referred to the Superintendent of Public Utilities for report.

At the order of the Council and on suggestion of Mayor Spooner, the Clerk, Councilman Shattuck and Mr. E.T.Wisner were asked to obtain a plan for an adequate garage to be covered with stucco instead of the materials heretofore suggested and to have specifications prepared on which a call for bids could be issued.

Bills in the amount of $8,695.14 as approved by the Finance committee were allowed and ordered paid on motion of Councilman Weihe, Roach second.

Mr J.A.Henning directed the attention of the Council to the necessity of a new tower for the fire signal, again suggesting that it be erected at Maple Square. At the order of the Mayor, this was referred to Committee of the Whole.

On motion of Councilman Weihe the Council adjourned until the day and hour of their next regular meeting.

Attest: J.G. Beverly
City Clerk of the City of Lodi.

The foregoing minutes were read and approved without correction at a regular meeting of the City Council of the City of Lodi held Monday, January 7th., 1929.
