

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for White Slough Water Pollution Control Facility Boiler #1 Replacement (\$91,250)

MEETING DATE: October 15, 1997

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to IPS Mechanical, Inc., of Sacramento, in the amount of \$91,253 and appropriate funds in accordance with the recommendation show below.

BACKGROUND INFORMATION: This project consists of replacement of Boiler #1 and incidental electrical equipment at the White Slough Water Pollution Control Facility. This unit, along with the previously replaced Boiler #2, supply heated water needed to maintain operation of the facility's anaerobic digestion system. During an annual inspection, it was discovered that Boiler #2 was on the verge of failure, and it was replaced July 1997 under a special allocation. The \$80,000 budgeted in 1997/98 was not used on Boiler #2. The inspection also found Boiler #1 was failing and in need of replacement and needs to be replaced now. It is proposed that the \$80,000 budgeted in 1997/98 be used to fund Boiler #1, along with \$14,000 from the contingency fund. The \$85,000 budgeted in 1998/99 will no longer be needed.

Specifications for this project were approved on September 17, 1997. The City received the following two bids for this project:

Bidder	Location	Bid
Superintendent's Estimate		\$85,000
IPS Mechanical, Inc.	Sacramento	\$91,253
R.F. MacDonald Company	Modesto	\$91,978

FUNDING: Requested Appropriation: \$94,000
 Budgeted Fund: 1997/98 Wastewater Capital Fund \$80,000
 Additional Fund: Wastewater Contingency Fund \$14,000
 Project Estimate: \$94,000
 Bid Opening Date: October 1, 1997
 Funding Available:
