

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Program Supplements to State-Local Transportation Partnership Program Agreement No. SLTPP-5154 and ISTEALocal-State Agreement No. 10-5154

MEETING DATE: October 15, 1997

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolutions approving six program supplements to the State-Local Transportation Partnership Program Agreement No. SLTPP-5154 and one supplement to the ISTEALocal-State Agreement No. 10-5154.

BACKGROUND INFORMATION: Six of the program supplements partially fund projects under the State-Local Transportation Partnership Program. The contracts for all of these projects were awarded prior to the end of the 1996/97 fiscal year; however, the State is just getting these supplements to us. Until the supplements are approved by the Council, the City cannot request the money available under this program. The State match for these six Cycle 7 projects will be approximately 12.84% of the construction costs. The City's match for the projects under this program were funded with TDA, assessment district and Measure K dollars.

The seventh program supplement is for a Federally-funded project which is going to bid in the next few months. The project is the Tokay Street Overlay and Reconstruction, Fairmont Avenue to Mills Avenue. Federal funds will cover approximately 88.53% of the construction and construction engineering costs. Funds for this project will be appropriated at contract award.

The State requests that a separate authorizing resolution be issued for each project. Listed below are the projects showing the program supplement number and the authorizing resolution number.
