# COUNCIL COMMUNICATION

AGENDA TITLE: Appropriate Funds for Hutchins Street Improvements Fronting Hutchins Street Square

MEETING DATE: March 18, 1998

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council appropriate funds to install frontage improvements on the west side of Hutchins Street, between Walnut Street and Oak Street.

BACKGROUND INFORMATION: The Hutchins Street Square Conference and Performing Arts Center is nearing completion and staff is recommending that funds be appropriated at this time to widen Hutchins Street. This additional work will install new curb, gutter and sidewalk on the west side of Hutchins Street, between Walnut Street and Oak Street. The new face of curb will be installed at its ultimate location which is approximately 13 feet west of its existing location. The new improvements will also include patch paving between the existing asphalt concrete and the new gutter and the installation of street lights along the west side of Hutchins Street. A change order will be issued to F& H Construction, the contractor for the Conference and Performing Arts Center, for this work.

FUNDING: Requested Appropriation: Street Fund \$153,000
