

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of LCD Projector (\$6,771.01)
 MEETING DATE: June 18, 1997
 PREPARED BY: Finance Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the bid for the purchase of one LCD projector to the second-low bidder, Minnesota Western of Sacramento, in the amount of \$6,771.01.

BACKGROUND INFORMATION: On March 19, 1997, the City Council approved specifications for one LCD projector. The following three bids were received, and opened on May 7, 1997:

Audio Graphic Systems, San Francisco	(Hitachi Model CP-L750)	\$6,332.47
Minnesota Western, Sacramento	(Sharp XG-NV1)	\$6,771.01
Imaging Products International, Simi Valley	(Proxima DP5600)	\$7,677.18

The bid specifications required that "bidders whose proposals represent the three lowest bids offered (for equipment meeting specifications) will...provide demonstration projectors...for evaluation. Equipment determined by the City of Lodi to offer the best value will be recommended for purchase." This requirement provided the City with an opportunity to follow the so-called "golden rule" of buying an LCD projector: "Always get a demonstration of the models...., preferably under conditions similar to those in which you'll use the projector" (*Presentations* magazine, January, 1997). Important considerations in the evaluation were sharpness and clarity, brightness, colors and contrast, and overall image quality.

Both the Hitachi and the Proxima projectors met specifications. The Sharp did not meet specifications in two areas (power focus and zoom, and number of RGB input ports); in image quality, it and the Hitachi were ranked about equal. However, the Sharp was the only projector that could be connected successfully with the computer with which it will most frequently be used. In addition, it was the only model offering a three-year on-site warranty; the others offered one-year mail-in coverage. Therefore, for connectivity, picture quality, and warranty considerations, staff believes the Sharp to be the best value for the City, and recommends award to Minnesota Western.
