## COUNCIL COMMUNICATION

AGENDA TITLE: Plans and Specifications and Advertisement for Bids for White Slough Water Pollution Control Facility Holding Pond No. 4 Embankment Rehabilitation

MEETING DATE: August 6, 1997

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project consists of excavation of eroded soil from pond bottom, placement and compaction of eroded soil on the west, north and east embankments of Holding Pond No. 4, the installation of rip rap on the slopes, construction of a new asphalt concrete access road, and other incidental and related work as shown on the plans and specifications for the project.

The plans and specifications are on file in the Public Works Department.

FUNDING: The money for this project will be coming from the Wastewater Capital Reserve Fund. A request for appropriation of funds will be made at contract award.

Project Estimate: \$114,000  
Budgeted: 1996/1997 fiscal year  
Planned Bid Opening Date: August 27, 1997

  
Jack L. Ronsko  
Public Works Director
