

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Equipment Purchase - Salas Park Sports Area Lighting Project (\$18,748.50)

MEETING DATE: August 6, 1997

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution authorizing the purchase of sports lighting equipment for the Salas Park Sports Area under a sole-source agreement with Musco Lighting, Inc., of Muscatine, Iowa, in the amount of \$18,748.50.

BACKGROUND INFORMATION: Earlier this year, the City completed a renovation of the outfield at Tony Zupo Field. Renovation was necessary to bring the field to acceptable standards following conclusion of the 1996-97 junior tackle football program.

Having made that investment in Zupo, staff felt that it would be prudent to move the football program to another sports facility for upcoming seasons. Salas Park's northeast corner was selected as the best available alternative to Zupo Field, but that section of the park is not currently lighted.

Musco Lighting has provided lighting systems for a number of Lodi's facilities, having most recently installed lighting equipment at Peterson Park. Musco lights are also in use at Hale Park and Armory, as well as the Kofu and Salas Parks baseball diamonds.

This purchase would include two 70-foot steel poles, 14 light fixtures, 15 1500-watt metal halide lamps, drawings, structural calculations, freight, and seven-year warranty. The City's Electric Utility Department would install the lights.
