

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Summer Jobs '97 Presentation

MEETING DATE: May 7, 1997

PREPARED BY: Assistant to the City Manager

---

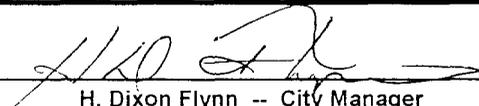

RECOMMENDED ACTION: That City Council hear a presentation regarding Summer Jobs '97.

BACKGROUND INFORMATION: Summer Jobs '97 is a community-wide effort to provide summer jobs for youth, ages 16-21. Last year a joint countywide effort resulted in the creation of 350 jobs. This year the program, which includes the Lodi Chamber, other chambers, and the Private Industry Council of San Joaquin County (PIC) has a countywide goal of 435 jobs. Lodi's goal is 60 jobs. Lodi's goal was more conservative last year - yet we created 78 jobs. We hope to exceed our goal this year as well. Denise Schenone, branch manager of Fidelity National Title Insurance, chairs the Chamber's Summer Jobs '97 Task Force. Les Debritz of the Chamber, and Jay Baker of PIC will also be present to make brief comments.
