COUNCIL COMMUNICATION

AGENDA TITLE: Bicycle and Pedestrian Path Along the Century Boulevard Alignment - Resolution Certifying Availability of \$15,200 in Measure K Funds for Local Match for Bicycle Lane Account (BLA) Project Application

MEETING DATE: April 2, 1997

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution certifying the availability of \$15,200 in Measure K funds to be used for the ten percent local match required for the Bicycle Lane Account (BLA) application submitted to construct a bicycle and pedestrian path along the Century Boulevard alignment across the Southern Pacific Railroad tracks. Use of funds will depend on approval of project by Caltrans and the Public Utilities Commission.

BACKGROUND INFORMATION: Due to the indefinite delay in the construction of the grade-separated crossing on Century Boulevard at the Southern Pacific Railroad crossing, Traffic Engineering staff recently submitted an application to construct a bicycle and pedestrian path along the Century Boulevard alignment to provide access and promote bicycle use by residents in the southeast portion of the city. The project consists of constructing a 12-foot wide illuminated asphalt concrete path, extending from Church Street to Stockton Street, which will be equipped with crossing gates at the railroad tracks (**Exhibit A**). Although Class II bicycle lanes will be installed when Century Boulevard is constructed, this project will support the goals set by the Bicycle Transportation Master Plan in the interim.

Projects submitted for funding under the BLA program require that local agencies provide a resolution certifying the availability of local funds for a minimum of ten percent of the total project cost. With the total project cost being \$152,000, the local match would be \$15,200, all of which would be from the City's allocated share of Measure K bicycle program funds. Caltrans will notify the City in July if our application is approved for funding.

Community Development staff has determined that the proposed project is exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15061 b-3 of said Act.

FUNDING: Ten percent local match of \$15,200 from Measure K.

RESOLUTION NO. 97-41

A RESOLUTION OF THE LODI CITY COUNCIL
CERTIFYING THE AVAILABILITY OF \$15,200 IN MEASURE K
FUNDS FOR LOCAL MATCH FOR BICYCLE LANE ACCOUNT (BLA)
PROJECT APPLICATION

=====
WHEREAS, due to an indefinite postponement in the construction of a grade separated crossing on Century Boulevard at the Southern Pacific Railroad crossing, staff has recently submitted an application to construct a bicycle and pedestrian path along the Century Boulevard alignment to provide access and promote bicycle use for residents in the southeast portion of the City; and

WHEREAS the project consists of constructing a 12-foot wide illuminated asphalt concrete path extending from Church Street to Stockton Street which will be equipped with crossing gates at the railroad tracks; and

WHEREAS, although Class II bicycle lanes will be installed when Century Boulevard is constructed, this project will support the goals set by the Bicycle Transportation Master Plan in the interim; and

WHEREAS, projects submitted for funding under the Bicycle Lane Account (BLA) program require that local agencies provide a resolution certifying the availability of local funds for a minimum of ten (10%) percent of the total project cost; and

WHEREAS, the total project cost is \$152,000, the local match would be \$15,200, which would be allocated from the City's share of Measure K bicycle program funds; and

WHEREAS, Caltrans will notify the City of Lodi in July, 1997 as to whether our application has been approved for funding; and

WHEREAS, Community Development staff has determined that the proposed project is exempt from the requirements of the California Environmental Quality Act (CCEQA) pursuant to Section 15061 b-3 of said Act; and

WHEREAS, staff recommends that the City Council certify the availability of \$15,200 in Measure K Funds for local match for Bicycle Lane Account (BLA) Project Application; and

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council hereby certifies the availability of \$15,200 in Measure K Funds for local match for Bicycle Lane Account (BLA) Project Application dependent upon the approval of the City application for funding.
