**Re: Name Change**

Dear Ms. Reimche:

Through the recent merger of our company with United and USA Waste, we have experienced exciting growth, operational efficiency, and change. One of these changes is "Our Name." Over the past several years, the Company has been known as California Waste Removal Systems, California Waste Recovery Systems, and California Waste Systems.

We are pleased to announce that effective May 1, 1998, we began conducting all business under the name of:

**CENTRAL VALLEY WASTE SERVICES,  
A USA Waste Services Company . . . .**

Ownership is the same and management remains the same. Our Federal Identification Number is the same. The people remain the same. Only the name will change.

Under **CENTRAL VALLEY WASTE SERVICES**, we can use the invaluable resources and network experience of USA Waste and, more importantly, develop our new presence in the Central Valley. Be assured that you will continue to receive the high quality service you have come to expect.

Thank you for your support and the opportunity to work with you and your staff. If we can answer any questions or address any issues, please contact me at your earliest convenience.

Sincerely,

Thomas A. Sanchez  
District General Manager
