To the Board of Directors of the Eastside Improvement Committee,

It is with much thought and regret that I tender my resignation as a Director of the Eastside Improvement Committee effective 6 February 1997 at 6:00 p.m.

Resigning such a position is not my nature. I truly believe that when appointed or elected, one should fulfill that duty to it's fullest term and extent. However, recently I have taken 3 additional Directors positions that will require my attention and demand my time. (E. I. C. is now one of 5 Boards on which I serve.)

For the sake of all of my commitments but especially for my family, it is necessary for such a move. My son is 5 years old and at a influential time in his life. I must make the time available for him now before I can consider helping someone else. As is often referred to, "you only have children young once and then they grow up to be you and me."

Through my business and other avenues I will continue to work for the goals and mission to make Lodi a better place in which to live. Furthermore, I will not be disappearing from the scene so to speak. My involvement with the Chamber of Commerce and other areas will allow us to cross paths often. At some point I may return to the more public arena but for now this is the best decision. What a wonderful joy it has been to serve with such dedicated and capable people. I will cherish the relationships I have established with you.

I do make myself available to you for any "special projects" that may arise, simply give me a call.

Thank you again for the wonderful work you have accomplished in the past and for what you will do in the future for Lodi.

Respectfully submitted,

Kevin Suess
