

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Approve 1997/98 Transportation Development Act (TDA) Claim

MEETING DATE: September 16, 1998

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution authorizing the City Manager to file the claims for 1997/98 TDA funds in the amount of \$1,448,101.

BACKGROUND INFORMATION: Each year, the City of Lodi receives an allocation of TDA funds for support of our transit operations, pedestrian and bicycle, and street and road purposes. These are local funds which must be spent on designated activities. This claim is an integral part of our funding for transit activities in the City of Lodi.

Of the total funds, \$894,680 will be used for transit operations, and \$74,600 for transit capital. The remainder of the amount claimed, \$478,821, is designated for pedestrian, bicycle, and street and road purposes. The capital funds are the local match for Federal Transit Authority (FTA) capital funds. The capital items include two replacement vehicles for Dial-a-Ride, additional shelters and benches, and the restoration of the Southern Pacific Train Depot.

The City Council should be aware that our transit operation is fully funded with earmarked dollars so as not to be dependent on General Fund money.

FUNDING: None required.

Richard C. Prima, Jr.
Public Works Director
