COUNCIL COMMUNICATION

AGENDA TITLE: Approve Program Supplement No. 019 to State-Local Transportation Partnership Program Agreement No. SLTPP-5154 for Highway 12 – Kettleman Lane/ Highway 99 Interchange Improvements

MEETING DATE: February 17, 1999

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution approving Program Supplement No. 019 to State-Local Transportation Partnership Program Agreement No. SLTPP-5154 for construction of the Highway 12 – Kettleman Lane/Highway 99 interchange improvements, and authorize the City Manager to execute the agreement.

BACKGROUND INFORMATION: In June 1998, City Council awarded the construction contract (\$2,822,250) to Teichert Construction for the Highway 12 – Kettleman Lane/Highway 99 Interchange Improvements Project. Construction is currently underway and includes widening Kettleman Lane (Highway 12) between the southbound Highway 99 ramp and Beckman Road, installing three signals and street lighting, widening the northbound and southbound exit ramps, constructing “new” Beckman Road east of the existing road, and installing underground utilities.

There are several funding sources for construction of this project, one of which is from the State-Local Transportation Partnership Program (SLTPP). The funds received under this Program Supplement will fund approximately 24 percent of the construction costs of the non-State Transportation Improvement Program (STIP) portion which is the area east of the Highway 99 ramps.

FUNDING: SLTPP Funds, in the amount of \$371,065, were appropriated in June 1998.
