

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Rate Agreement Between Hy-Grade Glass Inc., and the City of Lodi

MEETING DATE: June 19, 1996

SUBMITTED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution authorizing the Electric Utility Director to approve the Rate Agreement (Agreement) between Hy-Grade Glass, Inc. (Customer) and the City of Lodi (City).

BACKGROUND: The City desires to implement the attached agreement with the Customer to: 1) correct a billing anomaly with the current rate schedule; 2) provide an incentive in the form of a rate break in return for new load; and 3) bill the customer's two accounts as one account for the customer's convenience.

The customer's electric load pattern is on the border of two electric rate schedules, G2 (non-time-of use), and G3 (time-of-use) which impacts customer's work scheduling and provides a disincentive to expand operations in the City. In consultation with the customer, the attached agreement was developed. City power costs will be covered and other ratepayers will receive a contribution to the margin for electric system costs.

The contract term will be from the document signing date by both parties until May 31, 1999. The contract term and other elements were chosen to provide rate stability and balanced economic risk for both parties.
