

Mayor Land and Council Members Nakanishi and Hitchcock indicated they would be in favor of looking into this. Council Member Hitchcock added that she understands Citrus Heights also has a brand new ordinance regarding the same matter, and she would be interested in the City looking at that ordinance as well.

Council Member Mann stated that the City of Modesto's ordinance has been very successful, and he would look forward to a like ordinance being adopted and imposed in Lodi.

- 
- b) Council Member Pennino acknowledged receipt of a petition signed by a number of parents of children attending Lawrence School. The petition expresses their concern about the danger they are being exposed to every day in crossing Lockeford Street at the corner of Calaveras Street. They are asking that a stop sign be placed on Lockeford Street for the security of all the community and especially the children. Council Member Pennino suggested that a letter be prepared for the Mayor's signature advising that work is presently being planned for the subject area, and that the letter be forwarded to the parents and the Lawrence School Parent-Teacher Association (PTA).
  - c) Council Member Nakanishi reported that he recently attended a Planning Conference, and he came away with many new ideas.
  - d) Council Member Hitchcock reported that last week the City Council met in a joint meeting with the Lodi Unified School District (LUSD). Council Member Hitchcock indicated that discussion included joint-use agreements, before and after school programs and lack of facilities. Council Member Hitchcock encouraged community support of the School Board bond issue that is coming before the community shortly.
  - e) Mayor Land stated he had served as a judge recently for a talent show at Lodi Middle School. He congratulated the winner and indicated how much he enjoyed the event.

Mayor Land further stated he has been invited this weekend to attend the 100<sup>th</sup> birthday celebration of Ida Sinclair. Also, he has been invited to the 50<sup>th</sup> wedding anniversary celebration for Evanda and Reuben Frey.

Mayor Land presented a new brochure that was published by the Boosters of Boys and Girls Sports Organization and acknowledged what an outstanding organization this is.

Mayor Land stated that on the evening of April 8, 1999, he will be attending the California Parks and Recreation Society awards banquet. He stated that the Lodi Rotary Club will be honored for its efforts at Van Buskirk Park and that John Griffith will receive the Lodi Community Service Award.

Mayor Land stated that two weeks ago he did a ride-along with the Lodi Fire Department and acknowledged the City's outstanding Fire Department employees.

Mayor Land gave a report on the Stockton City Council meeting he and other City representatives attended at which ProStyle Sports was a topic of discussion.

Also at that meeting, it was brought out that the Stockton City Council is concerned about developing a green belt. It was suggested that a 2 x 2 x 2 Committee be formed comprised of two representatives each of the City of Lodi, the City of Stockton and the Board of Supervisors to study this subject and the master planning of the I-5 corridor.

Atencion Miembros del Concilio de la Ciudad,

Nosotros, los padres y nuestros niños de la Escuela Lawrence y demás comunidad estamos muy preocupados acerca del peligro al que estamos expuestos al cruzar diaramente la calle Lockeford con esquina en la calle Calaveras. Esto sucede especialmente en las horas que los nios van y regresan de la escuela. Hemos tenido unos incidentes en los cuales los niños han estado a punto de ser atropellados por los automobiles que viajan a velocidades muy elevadas.

En septiembre de 1998 un estudiante de Lawrence fue victima de un accidente al cruzar la antes mencionada calle. Afortunadamente el golpe no fue de gravedad. Es por este motivo que pedimos que se coloque una señal de alto para la seguridad de toda la comunidad y los niños en especial.

Esperamos pongan interés en nuestra petición y tomen una pronta acción para evitar una futura fatalidad.

Atentamente,

Los Padres de la escuela Lawrence  
Y demás Comunidad

SUBJECT: Lockeford Street at Calaveras Street Intersection

At the April 7, 1999, City Council meeting, your petition (copy enclosed) regarding safety concerns on Lockeford Street at Calaveras Street was referred to staff.

According to the Public Works Department, an adult crossing guard has been assigned to this intersection by Lodi Unified School District since July 1994. An adult crossing guard works similar to stop controls with the guard waiting for traffic gaps before stopping traffic in all directions with a hand held stop sign. The Public Works Department will study the intersection for stop sign controls. A request is also being sent to the Police Department for increased enforcement at this intersection during the times children are going to and from school.

An upcoming City project, the Central City Railroad Safety Improvement Project, will include installing a traffic signal, with pedestrian push buttons, west of this location, at Lockeford Street and Stockton Street. With this project, a fence will be installed along Railroad Avenue at the tracks and a pedestrian crossing with gates will be installed across the tracks at Central Avenue/Calaveras Street, pending State approval. In the interim, the Public Works Department will be marking the crosswalk with longitudinal lines (ladder design) for added visibility. Please have your spokesperson contact Associate Traffic Engineer Paula Fernandez, at 333-6800, ext. 667, to discuss this improvement and the stop control study.

Thank you for bringing your concerns to our attention.

Keith Land

Attention City Council Members,

We, the parents and our children of Lawrence School and community, are very concerned about the danger that we are exposed to every day in crossing Lockeford Street at the corner of Calaveras Street. This happens especially when children go to and from Lawrence School. We have had some incidents where children have almost been struck by automobiles that are traveling at very high speeds.

In September of 1998 a Lawrence student was a victim of an accident as she crossed the above- mentioned street. Fortunately, the accident was not serious. We are asking that a stop sign be placed on Lockeford Street for the security of all the community and especially the children.

We hope you show interest in our petition and that you take rapid action to avoid a future fatality.

Sincerely,

Lawrence Parents and Community
