

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Presentation of June "Community Improvement Award."

MEETING DATE: June 16, 1999

PREPARED BY: Community Development Director

RECOMMENDED ACTION: That the Mayor present Maheshinder S. & Anupam Sidhu, Property owner and Proprietors of El Tokay Market at 548 S. Sacramento Street, with the Community Improvement Award for June 1999.

BACKGROUND INFORMATION: This commercial property, which is located on the corner of Tokay and Sacramento Streets, has recently been purchased, renovated and opened as El Tokay Market, by Maheshinder S. & Anupam Sidhu. These new owners of the property have done a fabulous job in cleaning the building up, after vacating the bar that had been operating at that location under the previous ownership.

This property was brought to our attention by Economic Development Coordinator Tony Goehring. After reviewing the property, it was easy to see that the improvements that have been made to this property are a benefit to this neighborhood which is a mix of residential, commercial and industrial uses.

For those reasons, the Eastside Improvement Committee had no problem confirming the nomination at their June 3rd meeting.

FUNDING: None.

Konradt Bartlam
Community Development Director
