Dear Alice:

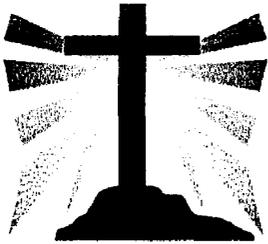

Please accept my resignation from the position of Advisor to the Greater Lodi Area Youth Commission. Due to professional responsibilities and commitments, I am simply unable to participate in a capacity that is valuable to the Commission.

I wish to request in advance reappointment to the position in April, 2002. Thanks you in advance for your consideration.

Sincerely,

Stephen M. Simpson

Dear Mayor Land,

Mayor Sieglock appointed me to the San Joaquin County FEMA Board, last year at this time. This board has the responsibility of distributing Federal and State funds the county receives for those agencies that provide housing and food to the needy.

I have never been on a board where the people or agencies that are being funded are part of the board that determines who gets what. However, that is how the government has established this board.

After serving one year I do not feel that I wish to continue serving on this board as the City of Lodi representative. I have attempted to overcome my unease with the board's structure but cannot. I am not saying that this board is doing anything illegal. However, these agencies regulate each other and determine what funds each get and they each have a vote in the process.

I have experienced twice this last year where changes were attempted to be made in the process and both times any attempt at changes were voted down. Quite frankly, there is no need for my participation because everything has been established for years and the organization is not going to allow any attempt to alter the present process.

So please accept my resignation from this board.

Yours truly,

Steve Jarrett
