PREPARED BY: Police Chief

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the bid for the purchase of ten portable radios and six mobile radios for the Police Partners Program to the low bidder, Lagorio Communications of Manteca, in the amount of \$10,759.45.

BACKGROUND INFORMATION: On October 6, 1999, the City Council approved specifications and authorized advertisement for bids. (Subsequent to Council's approval, Motorola announced the discontinuation of the specified mobile unit, and bidders were instructed to submit proposals on the replacement mobile radio, the Motorola Model M1225).

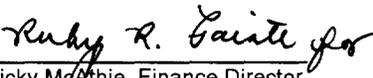

The following bids were received, and were opened on October 20, 1999:

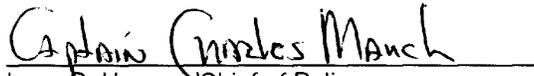

Lagorio Communications, Manteca	\$10,759.45
BearCom, Sacramento	\$11,400.86
Delta Wireless, Stockton	\$11,736.44
Industrial Communications, Modesto	\$13,133.32

Because of the continued expansion and success of the Partners Program, these radios are needed to provide the additional volunteers and patrol units with vital communications equipment.

It is especially noteworthy that, because of the generous support for the Partners Program by the Lodi community, this purchase is funded entirely by community contributions.
