AGENDA TITLE: Specifications and Advertisement for Bids for 2000 Sidewalk Repair Program and Miscellaneous Concrete Work

MEETING DATE: February 2, 2000

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project will provide the City with a unit-price bid for removing and replacing curb, gutter, and sidewalk in various locations throughout the city. This is an annual contract and will be used to administer the sidewalk repair program and to repair curb and gutter as needed during 2000. Purchase orders will be issued for the work to be done. Last year's contractor, Popuch Concrete Contracting, Inc., has requested their contract not be extended into 2000.

Specifications are on file in the Public Works Department.
