

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Approve Extension of Support Agreement for Wide Area Network Equipment
MEETING DATE: August 16, 2000
SUBMITTED BY: Information Systems Manager

RECOMMENDED ACTION: That the City Council approve the extension of the existing support agreement for wide area network (WAN) equipment with WAN/LAN Solutions, Inc., Rocklin, CA, for one year for the amount of \$14,206.00.

BACKGROUND INFORMATION: As part of the award of the wide area network project (reference Resolution Number 99-51) the City purchased routers and switches that need to be on a support agreement. When the City went out for bid for this equipment, the support plan was also bid with the stipulation that it could be extended for one additional year for the same or lesser price. WAN/LAN Solutions, Rocklin, CA, has provided rapid response and excellent support during the first year of deployment of the wide area network. City staff would like to exercise this option and extend the support agreement for one additional year.

Prior to the end of this extended support period, City staff will prepare a request for bids to allow competitive bidding of this critical WAN support service.

WAN Equipment Support

Cisco Smartnet Standard (response 8x5xNBD)	\$4,959.00
Cisco Smartnet Premium (response 24x7x4)	\$4,461.00
WAN/LAN Solutions Inc. -Adtran Equipment Support (8x5xNBD)	\$4,786.00
Grand Total for One Year Support	\$14,206.00

FUNDING: 100411.7330 \$13,637.76 (Information Systems)
