# COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of Vehicle Exhaust Extraction Systems for Fire Station 1 (\$35,864.57)

MEETING DATE: November 15, 2000

PREPARED BY: Fire Chief

RECOMMENDED ACTION: That the City Council adopt the attached resolution waiving the formal bidding process and authorizing the purchase and installation of a vehicle exhaust extraction systems, for Fire Stations 1, from Neu-Tech, of Loomis, in the amount of \$35,864.57.

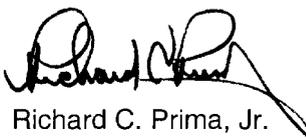

BACKGROUND INFORMATION: Fire Station 1, at 210 W. Elm St. need an exhaust system installed to properly vent harmful vehicle and equipment exhaust from the apparatus room. The Nederman System, distributed by Neu-Tech, was installed at Fire Station 2 & 3 in August of this year.. Therefore, the Nederman System was selected for Station1. The system for Station 1 will cost \$35,864.57 from Neu-Tech for all material, installation, warranty and training of City staff.

This work was not budgeted in the present budget, however, due to the toxicity of diesel fumes and issues with respect to air quality at Fire Station 1, staff requests that the entire amount of \$35,864.57 be used from the city's contingency account as a safety measure.

FUNDING: Contingency Account

RESOLUTION NO. 2000-192

A RESOLUTION OF THE LODI CITY COUNCIL WAIVING THE  
FORMAL BIDDING PROCESS AND AUTHORIZING THE  
PURCHASE AND INSTALLATION OF VEHICLE EXHAUST  
EXTRACTION SYSTEM FOR FIRE STATION 1

=====

WHEREAS, Lodi Municipal Code, §3.20.070, authorizes dispensing with bids for purchases of supplies, services or equipment when it is in the best interest of the City to do so; and

WHEREAS, Fire Station 1, located at 210 W. Elm Street, needs an exhaust system installed to properly vent harmful vehicle and equipment exhaust from the apparatus rooms; and

WHEREAS, the Fire Department has previously requested proposals for exhaust systems and received three proposals from the two main established vendors of this type of equipment; and the Nederman System distributed by NeuTech was installed at Fire Stations 2 and 3 in August 2000; and

WHEREAS, the Nederman System, distributed by Neu-Tech, was determined to best meet the Fire Department's needs previously and recommends installation of the Nederman System be installed at Fire Station 1 at a cost of \$35,864.57 for all material, installation, warranty and training of City staff.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lodi hereby waives the formal bidding process and authorizes the purchase of one Vehicle Exhaust Extraction Systems for Fire Station 1 in the amount of \$35,864.57.

Dated: November 15, 2000

=====

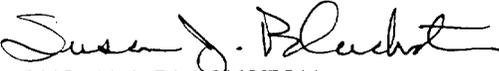

I hereby certify that the foregoing is a true and correct copy of Resolution No. 2000-192, which was duly and regularly passed and adopted by the City Council of the City of Lodi in a regular meeting held November 15, 2000 by the following vote:
