

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Accept Improvements Under Contract for Well 26 Well Drilling,
1020 Bridgetowne Drive

MEETING DATE: November 15, 2000

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council accept the improvements under the "Well 26 Well Drilling, 1020 Bridgetowne Drive" contract.

BACKGROUND INFORMATION: The project was awarded to Arthur & Owen Well Drilling, Inc., of Fresno, on August 2, 2000, in the amount of \$111,427. The contract has been completed in substantial conformance with the plans and specifications approved by the City Council.

The contract completion date was October 20, 2000, and the actual completion date was October 27, 2000. The final contract price was \$110,427. The difference between the contract amount and the final contract price is mainly due to a deduction in the contractor's compensation because the well did not meet the plumbness and alignment criteria in the project specifications.

Following acceptance by the City Council, the City Engineer will file a Notice of Completion with the County Recorder's office.

FUNDING: Budgeted Fund: Water Development Impact Fee Fund
Contract Amount: \$111,427
