

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Approve Plans and Specifications and Authorize Advertisement for Bids for Lower Sacramento Road Utilities, Kettleman Lane to Turner Road

MEETING DATE: November 15, 2000

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project will add water mains along the west side of Lower Sacramento Road (per the City's water master plan) and replace two sections of wastewater pipe that have developed sags in their flowlines. In addition, service laterals are being constructed to the existing homes on the east side of Lower Sacramento Road and connection points are being constructed to facilitate extending future services to homes on the west side of Lower Sacramento Road. This underground work will be done now to avoid future trench cuts in Lower Sacramento Road after completion of the street improvement project.

FUNDING: The money for this project will be coming from Water Impact Fees and the Wastewater Utility Fund. A request for appropriation of funds will be made at contract award.

Project Estimate	\$200,000
Budgeted:	2000/01 fiscal year
Planned Bid Opening Date:	December 6, 2000
