

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Adopt a Resolution Authorizing the City Manager to File the Claim for 2000/01 Transportation Development Act (TDA) Funds in the Amount of \$1,782,114

MEETING DATE: February 7, 2001

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution authorizing the City Manager to file the claim for 2000/01 TDA funds in the amount of \$1,782,114.

BACKGROUND INFORMATION: Each year, the City of Lodi receives an apportionment of TDA funds to support Lodi's transit operations and pedestrian and bicycle costs. These are State transportation funds that are primarily for non-vehicular transportation but can be used on roads if those other needs are being met. They are channeled through the Council of Governments, our regional transportation planning agency. The claim for fiscal year 2000/01, including pedestrian/bike and 3% for San Joaquin Council of Governments planning, is \$1,782,114. This amount has been revised upward from the previous amount approved by City Council on December 20, 2000.

The City Council should be aware that our transit operations, Dial-A-Ride and GrapeLine, are fully funded with formula dollars from the Federal Transit Administration (FTA), TDA, and other competitive sources of funds. Transit is not dependent on any General Fund money. We intend to use TDA funds for transit-, pedestrian-, and bicycle-related projects and maintenance as much as possible.

FUNDING: Not applicable.

Richard C. Prima, Jr.
Public Works Director
