

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Adopt resolution authorizing the City Manager to provide funding in the amount of \$10,750 to fund the Public Benefits Program Grant – Electric Vehicle Charging Station (EUD)

MEETING DATE: May 16, 2001

PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council adopt a resolution authorizing the City Manager to provide funding in the amount of \$10,750 to fund the Public Benefits Program Grant – Electric Vehicle Charging Station, located at the City of Lodi Municipal Service Center (adjacent to the Electric Utility administration offices).

BACKGROUND INFORMATION: Earlier this year, the City Council approved funding for the construction of the Lodi Solar Port Project. This funding was allocated solely for the steel-frame, solar panels and associated wiring required to construct the solar port (six covered parking stalls) at the Municipal Service Center.

The request of \$10,750 is necessary to purchase and install equipment utilized to charge up to six (6) electric vehicles, which will be parked at/under the solar port. The specific equipment to be purchased includes: six (6) pedestals and related wiring materials, and four (4) electric vehicle chargers. The required equipment will allow for the electric vehicles to be charged from two sources- electricity delivered directly from the adjacent Henning Substation, or from the solar panels mounted atop the solar port.

The City of Lodi Electric Utility respectfully recommends approval of this funding request as a qualifying component of the City of Lodi Public Benefits Program, under the category of research, development and demonstration services.

FUNDING: 164607- Public Benefits Program – (Category: Research, Development & Demonstration Services)

Funding Available: Ruby R. Gault for
Vicky McAthie, Finance Director

RESOLUTION NO. 2001-113

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING THE CITY
MANAGER TO PROVIDE PUBLIC BENEFITS GRANT TO FUND THE
ELECTRIC VEHICLE CHARGING STATION

=====

WHEREAS, the State has mandated that beginning January 1, 1998, the City of Lodi is obligated to fund various programs through a Public Benefits Charge (PBC) based on a historical electric revenue requirement; and

WHEREAS, the requirement amounts to approximately \$1 Million per year that must be dedicated to qualifying programs such as energy efficiency. A further stipulation is that these efforts must be done on the customer's side of the meter in order to qualify; and

WHEREAS, earlier this year the City Council approved funding for the construction of the Lodi Solar Port Project, which consisted of the steelframe, solar panels and associated wiring required to construct the solar port (six covered parking stalls) at the Municipal Service Center; and

WHEREAS, the request of \$10,750.00 is necessary to purchase and install equipment utilized to charge up to six (6) electric vehicles, which will be parked at/under the solar port. The specific equipment to be purchased includes: six (6) pedestals and related wiring materials, and four (4) electric vehicle chargers. The required equipment will allow for the electric vehicles to be charged from two sources – electricity delivered directly from the adjacent Henning Substation, or from the solar panels mounted atop the solar port.

NOW, THEREFORE, BE IT RESOLVED, that the Lodi City Council hereby authorizes the City Manager to provide a Public Benefits Program Grant to fund the Electric Vehicle Charging Station in the amount of \$10,750.00, which falls under the category of research, development and demonstration services.

Dated: May 16, 2001
