

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Formation of a North County Water Conservation Zone

MEETING DATE: November 15, 1995

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council, by motion action, approve the City of Lodi being placed in Water Conservation Zone 1 as shown on the attached map.

BACKGROUND INFORMATION: The purpose of this Zone is to provide a basis of funding of facilities for a joint water banking/conjunctive use program with the East Bay Municipal Utility District. This Zone will include the following public agencies and districts:

- City of Lodi
- City of Stockton
- San Joaquin County (portions of)
- Woodbridge Irrigation District
- North San Joaquin Water Conservation District
- Stockton East Water District
- Central San Joaquin Water Conservation District

The County is hoping to establish this Zone prior to January 1, 1996. As discussed in the attached letter from the San Joaquin County Flood Control and Water Conservation District, the establishment of this Zone requires the consent of the City of Lodi. It is recommended that Council approve formation of this Zone which includes the existing City limits and future expansions of our City.

FUNDING: Not applicable.

SUBJECT: FORMATION OF A WATER CONSERVATION ZONE

Dear Jack:

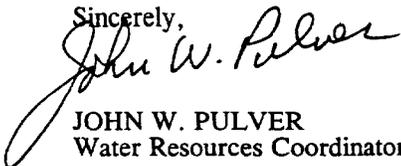

At the October 16, 1995, meeting of the Advisory Water Commission, the Commission held a public hearing regarding the formation of a Water Conservation Zone within the San Joaquin County Flood Control and Water Conservation District. The purpose of the Zone is to provide a basis for funding of facilities for a joint water banking/conjunctive use program with the East Bay Municipal Utility District. A Water Conservation Zone is a Zone within the Flood Control District that is empowered to provide for a project proposal, design, construction, and operation. If a Zone can be formed prior to January 1, 1996, it will be available that year to begin implementation of the project.

Attached is a map which shows the proposed limits of the Water Conservation Zone 1. The map includes the existing limits and sphere of influence of the Woodbridge Irrigation District, North San Joaquin Water Conservation District, City of Lodi, City of Stockton, Stockton East Water District, and Central San Joaquin Water Conservation District. To make the map complete, it is bounded on the north and east by the County limit lines and on the west by the sphere of influence lines with connections to include the eastern part of the County. All areas within the Zone that are not included in some other community will be represented by the San Joaquin County Flood Control and Water Conservation District.

In order to proceed with the establishment of the Zone, the consent of the City will be required. The consent can be in the form of a letter to the Clerk of the Board of Supervisors with a copy to me or by Resolution. If we are to succeed in forming this Zone by the end of the calendar year, it will be necessary to have your response as soon as possible.

If you need additional information or would like a presentation in regard to this issue, please call me at (209) 468-3089. Thank you for your cooperation and assistance.

Sincerely,

JOHN W. PULVER
Water Resources Coordinator

SUBJECT: Formation of a North County Water Conservation Zone

I have added the enclosed item to the Lodi City Council agenda of Wednesday, November 15, 1995. The meeting will be held at 7 p.m. in the City Council Chamber, Carnegie Forum, 305 West Pine Street, Lodi.

This item is on the consent calendar. Consent calendar items are usually not discussed unless a Council Member requests discussion. The public is given an opportunity to address items on the consent calendar at the appropriate time.

If you wish to write to the City Council, please address your letter to City Council, City of Lodi, P. O. Box 3006, Lodi, California, 95241-1910. Be sure to allow time for the mail. Or, you may hand-deliver the letter to the City Clerk at 305 West Pine Street.

If you wish to address the Council at the Council meeting, be sure to fill out a speaker's card (available at the Carnegie Forum immediately prior to the start of the meeting) and give it to the City Clerk. If you have any questions about communicating with the Council, please contact Jennifer Perrin, City Clerk, at (209) 333-6702.

If you have any questions about this item, please call me at 333-6709.

Jack L. Ronsko
