

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Specifications and Advertisement for Bids for Printed Utility Bills, 1995 Requirements

MEETING DATE: March 15, 1995

PREPARED BY: Finance Director

RECOMMENDED ACTION: That the City Council approve the specifications and authorize advertisement for bids for the printing and delivery of 300,000 City Utility Bill Forms, and 25,000 Delinquent Utility Bill Forms.

BACKGROUND INFORMATION: With the present volatility in paper prices, and forecasts of continuing price increases through 1995, staff believes it to be in the City's best interest to contract for the year's requirements now, rather than bid periodically as needed throughout the year.

FUNDING: Funding for Utility Bills is included in the Finance Department's Billing Division annual budget.
Estimated cost: \$10,500

BID OPENING: March 28, 1995

H. D. Flynn, Finance Director
