COUNCIL COMMUNICATION

AGENDA TITLE: Consider the Planning Commission's Recommendation to Approve General Plan Amendment GP LU 95-1 Consisting of the following:

1. request of Chris R. Keszler and Fred Baker to redesignate the parcels at 451 East Turner Road (APN's 015-230-36 and 38) from PR, Planned Residential, to LDR, Low Density Residential;

2. requests of J. Jeffrey Kirst and Angelo Parisi to redesignate the parcels at 3921 and 3953 East Harney Lane (APN's 062-290-10 and 11) from NCC, Neighborhood/Community Commercial to LDR, Low Density Residential, and to redesignate a portion of the parcel at 3883 East Harney Lane (APN 062-290-09) from NCC, Neighborhood Community Commercial, to LDR, Low Density Residential, and HDR, High Density Residential. with NCC, Neighborhood/Community Commercial on the remainder

MEETING DATE: April 19, 1995

PREPARED BY: Community Development Director

RECOMMENDED ACTION: that the City Council conduct a public hearing to consider the Planning Commission's recommendation to approve General Plan Amendment GP LU 95-1 consisting of the following:

1. request of Chris R. Keszler and Fred Baker to redesignate the parcels at 451 East Turner Road (APN's 015-230-36 and 38) from PR, Planned Residential, to LDR, Low Density Residential;

2. parcels at 3921 and 3953 East Harney Lane (APN's 062-290-10 and 11) from NCC, Neighborhood/Community Commercial to LDR, Low Density Residential, and to redesignate a portion of the parcel at 3883 East Harney Lane (APN 062-290-09) from NCC, Neighborhood Community Commercial, to LDR, Low Density Residential, and HDR, High Density Residential. with NCC, Neighborhood/Community Commercial on the remainder.

BACKGROUND INFORMATION: The Keszler/Baker portion of this General Plan Amendment consists of two parcels containing 32.66 acres on the north side

of Turner Road, east and south of the Woodbridge Irrigation District canal and westerly of Woodhaven Drive. The request is being made for two reasons: (1) to make the area eligible to compete for growth management allocations this year and (2) to serve as the first step in the annexation process.

The rezoning of the Keszler/Baker parcels is necessary (1) to make it consistent with the General Plan should the City Council approve the General Plan Amendment and (2) in order to fulfil the rezoning requirement of the Local Agency Formation Commission (LAFCO).

The Kirst/Parisis portion of the General Plan Amendment will reduce a 17.52 acre neighborhood commercial site to 1.2 acres which will provide for a convenience store. The elimination of the neighborhood shopping center would be considered a plus for downtown revitalization. The remaining 16 plus acres will be devoted to single and multiple family uses.

Again, the rezoning of the Kirst/Parisis area is necessary for General Plan consistency and to begin the LAFCO annexation process.

The staff is recommending that the Keszler/Baker and Kirst/Parisis General Plan items be combined in order to save a General Plan Amendment. The City is allowed four General Plan Amendments per year under current state law.

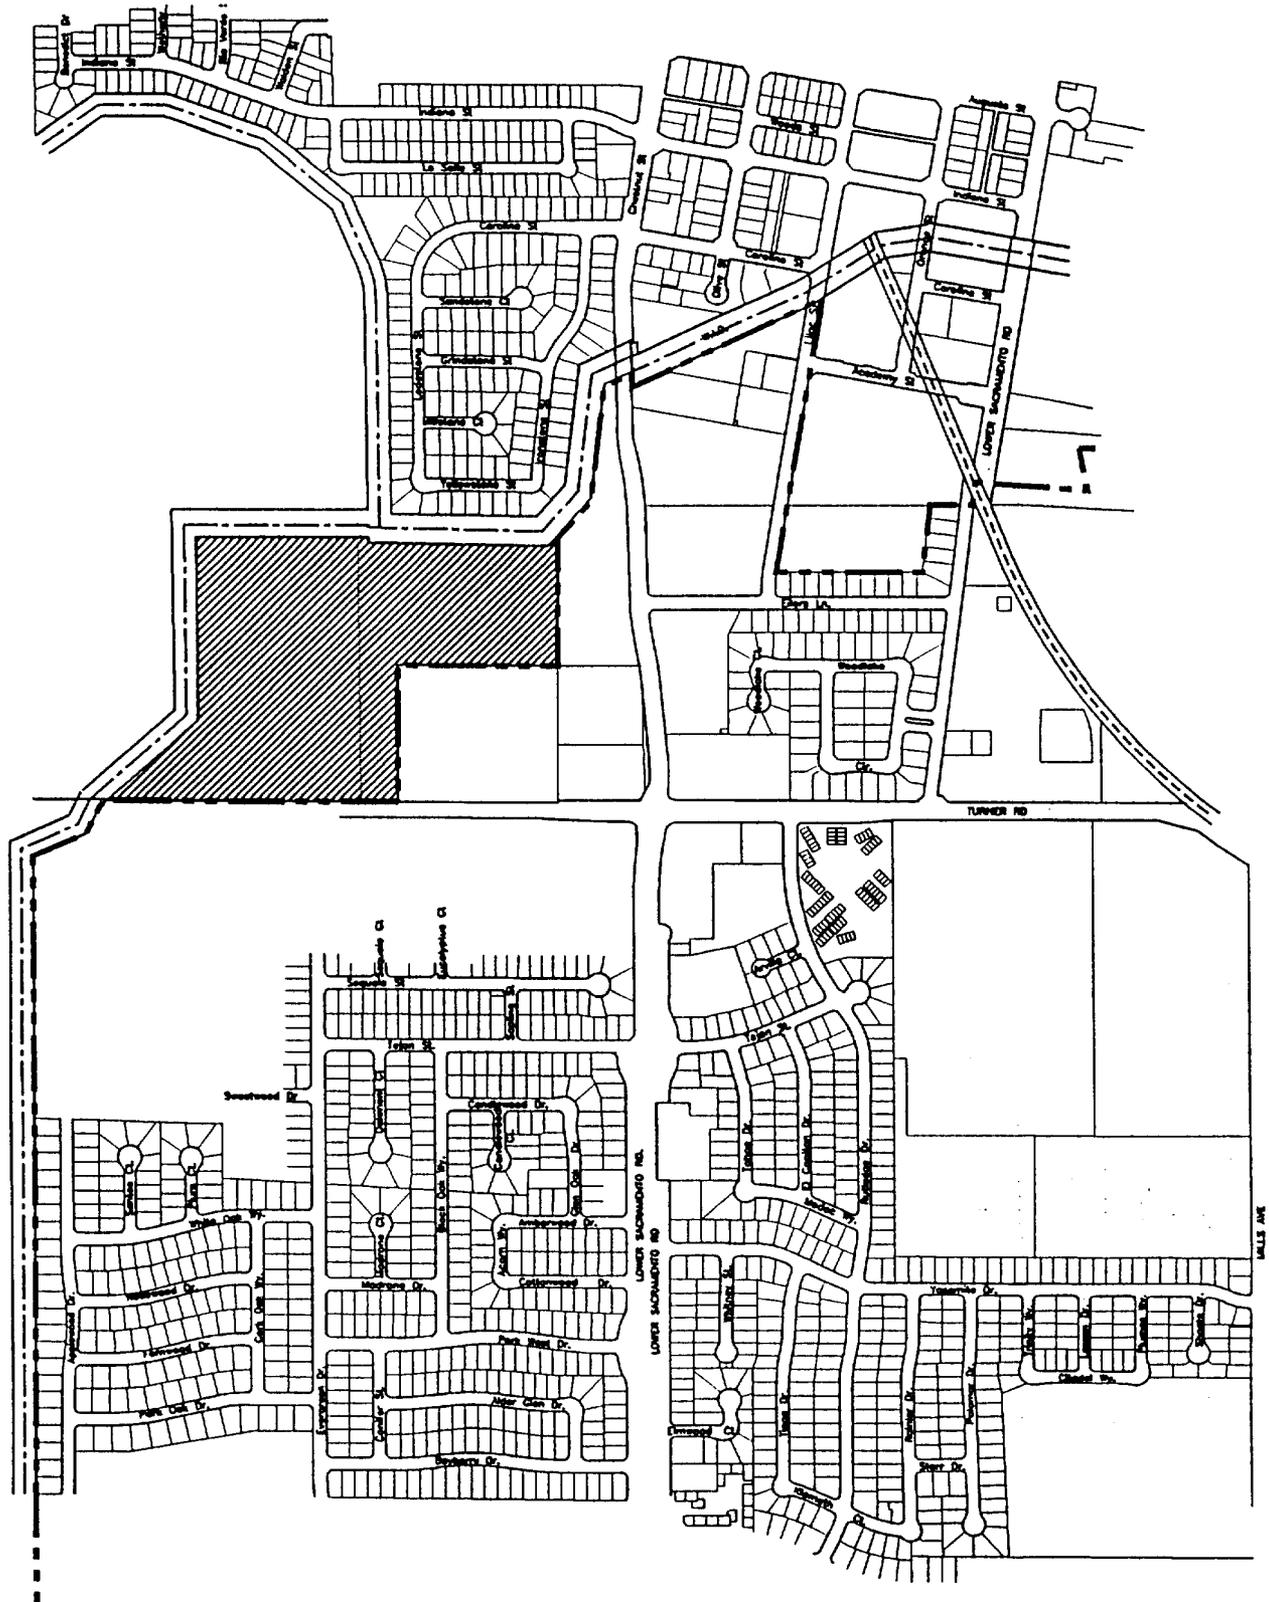

It is suggested that if the City Council wishes to approve the above requests that the following procedures be followed:

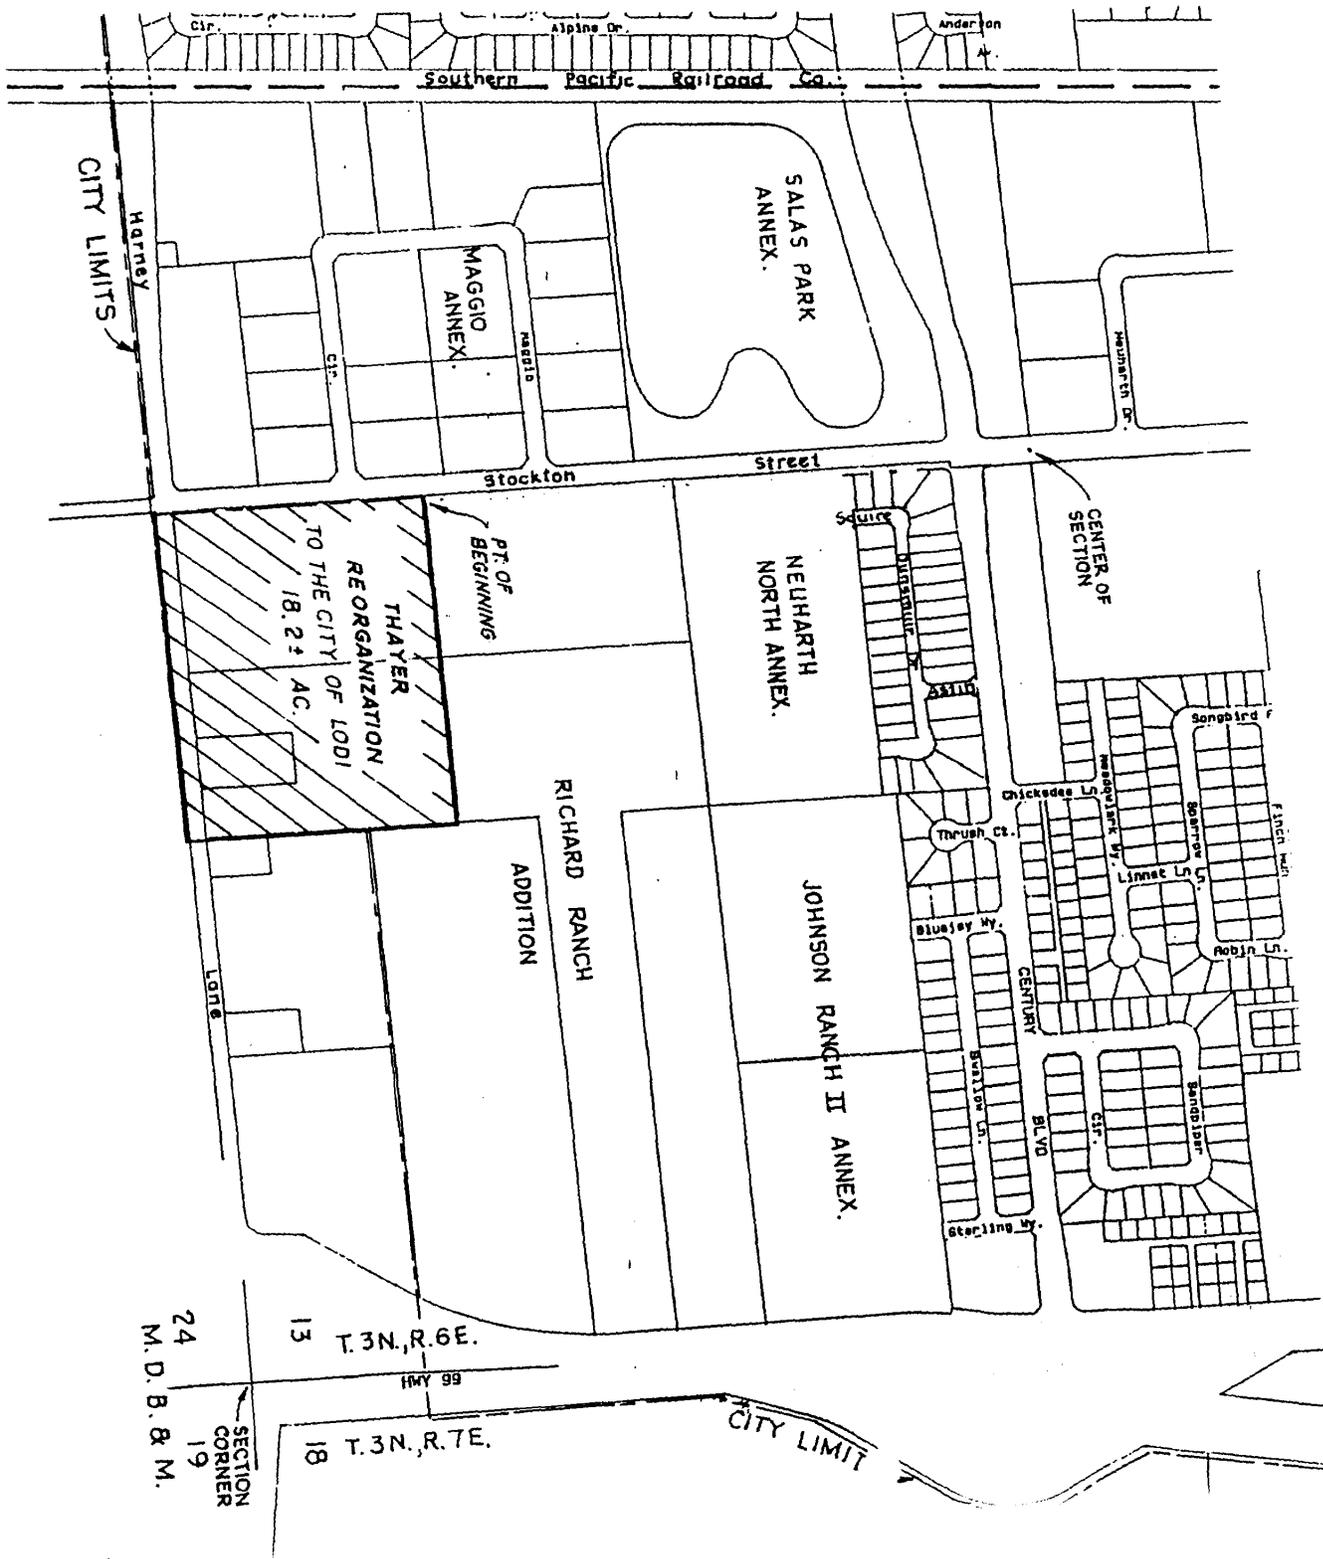

1. Certify Negative Declaration for Keszler/Baker;
2. Certify Negative Declaration for Kirst/Parisis;
3. Approve General Plan Amendment GP LU 95-1;
4. Approve Keszler/Baker rezoning; and
5. Approve Kirst/Parisis rezoning.

FUNDING: Application Fees.

PROPOSED DEVELOPMENT PLAN

JUSTIFICATION OF REQUEST

It is my belief that a commercial parcel of this size is not economically viable in this location and will not be until development occurs South of Harney Lane.

17.4 acres of the Richards Ranch area has been taken up in proposed Park and School Sites.

The neighborhood commercial site at Harney and Hutchins took many years to fill up even though that traffic count and adjacent population exceeds what is projected for this vicinity.

A new apartment site is needed in this town much more than more commercial property.

Dear Jeff::

RE: Thayer Property
3921 and 3953 East Harney Lane
APN's 062-290-10 and 11

At its meeting of Monday, February 27, 1995 the Lodi City Planning Commission recommended that the City Council take the following actions:

1. Approve the request of J. Jeffrey Kirst on behalf of Walter and Joann Thayer for a General Plan Amendment to redesignate the parcels at 3921 and 3953 East Harney Lane (APN's 062-290-10 and 11) from NCC, Neighborhood/Community Commercial to LDR, Low Density Residential,
2. Approve the request of J. Jeffrey Kirst on behalf of Walter and Joann Thayer to prezone the parcels at 3921 and 3953 East Harney Lane (APN's 062-290-10 and 11) to R-2, Single-Family Residential.
3. Certify the filing of a Negative Declaration by the Community Development Director as adequate environmental documentation on the above projects

The above recommendations are being forwarded to the City Council for final hearing and action. Ms. Jackie Taylor, Deputy City Clerk, will inform you of the time and place of the Council's public hearing.

Sincerely,

JAMES B. SCHROEDER
Community Development Director

RE: GPA-LU-95-1

Mr. Mayor:

It has come to our attention that the Lodi City Council will be taking under advisement the above referenced Amendment to the General Plan. A portion of this GPA includes the requests by Mr. Jeffrey Kirst and Mr. Angelo Parisi to redesignate a portion of the parcel located at 3883 East Harney Lane from NCC, Neighborhood Community Commercial to LDR, Low Density Residential and HDR, High Density Residential.

As business owners located within one block of the proposed development, we would urge the Council to take in to consideration our opposition to the redesignation of this parcel to include HDR - in addition to NCC.

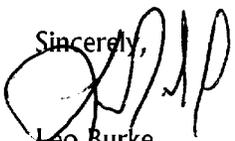

Our current business sites were chosen specifically for their locations in a Commercial area, away from residents that would be bothered by our business hours and associated industry hazards. The nature of our businesses necessitates odd and varied hours- loading and unloading large trucks in the middle of the night and related shop noises.

To alter the zoning of the surrounding areas, after our businesses have been established, and subject our buildings and vehicles to increased exposure of graffiti and vandalism- problems commonly associated with HDR and NCC areas - places an unfair hardship on the existing business owners. Our large trucks and all night operating hours are NOT compatible with either small children or residential quiet hours, and subjecting future residents to our industry noises and hazards is equally unfair to them.

Although we can not, in fairness to the requesting property owners, ask that the parcels included in this proposal be kept from development at this time, we very strongly urge the Council to consider with all gravity our protest that this redesignation NOT include any HDR or NCC areas. If this area must be zoned residential, the LOWEST density possible is the only fair and equitable decision for all parties concerned. Only by limiting the exposure prior to development can future conflicts also be limited.

Thank you for your fair consideration of our existing situation.

CITY CLERK

Lodi City Council
City of Lodi
221 West Pine Street
Lodi, CA 95240

Dear Gentlemen:

It has been brought to my attention that you will be considering the following matter at the City Council meeting to be held April 19, 1995:

Planning Commission recommendations to approve a General Plan Amendment that would redesignate the parcels of land located at 3883, 3921, & 3953 E. Harney Lane to Low Density Residential, High Density Residential, and Neighborhood/Community Commercial.

I will be unable to attend the meeting due to a prior commitment, but I would like you to be aware of my viewpoint. As a nearby property and business owner, I feel that making the changes that have been requested would be detrimental to the area. Not only would my employees and others have to contend with additional traffic on South Stockton Street, but the intersection at South Stockton Street and East Harney Lane would have to be much improved. It is already a hazardous intersection; Harney Lane has become a "bypass" of sorts and traffic has increased steadily over the past few years.

My opposition concerns mainly the High Density Residential and Neighborhood/Community Commercial redesignations. I do not wish to encounter further congestion on our city streets, nor do I wish to endure the graffiti and vandalism that unfortunately usually accompanies high density dwellings and the community convenience store or strip mall that is most often built nearby. Nor do I wish to see the value of my property lessened by such developments and their effects on their borders.

It is apparent from speaking to my business neighbors, that many of them also disagree with the proposed plans. I feel that you should also be concerned with not only the wishes of Mr. Kirst and Mr. Parisi, but also those of the many business and property owners who have already chosen this locale as their prime investment not only for themselves but for the benefit of the City of Lodi.

Very truly yours,

Harry L. Campbell
President
