

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Street Light Installation Project, Various Arterial and Collector Streets (\$256,250)

MEETING DATE: November 1, 1995

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to M & M Electric, of Sacramento, in the amount of \$256,246.

BACKGROUND INFORMATION: This project will install street lighting on various arterial and collector streets using Federal Hazard Elimination/Safety (HES) funds. The selection process for the streets in this project considered the street classification, vehicle and pedestrian data, traffic volumes and land use. Arterial and collector streets carry the majority of vehicular traffic at the highest speeds. They are also a likely location for pedestrians, since large commercial businesses are generally located on these streets and many of these businesses are open after dark.

The bid proposal included optional bid items for installing street lights on East Lodi Avenue (between Beckman Road and Kelly Street) and on Victor Road (between Beckman Road and Cluff Avenue). Staff had hoped that the low bid would be low enough to include the optional bid items in the contract, but the low bidder's base bid, the contingencies for the project, and the City's costs will use all of the \$280,000 Federal HES funds for this project. It is being recommended that the contract for the Street Lighting Installation Project, Various Arterial and Collector Streets be awarded for the base bid only and not include the optional bid items. A copy of the bid tabulation sheet showing the base bid and the optional bid items from each of the bidders is attached.

Plans and specifications for this project were approved on August 2, 1995. The City received the following five bids for this project:

<u>Bidder</u>	<u>Location</u>	<u>Base Bid</u>
Engineer's Estimate		\$244,350
M & M Electric	Sacramento	\$256,246
Richard Heaps Electric	Sacramento	\$263,207
Wingard Engineering	Byron	\$270,823
Tennyson Electric	Livermore	\$285,209
Steiny & Co.	Vallejo	\$348,330

FUNDING: Originally Budgeted: 1994
 Budgeted Fund: Federal Hazard Elimination/Safety (HES) funds
 Current Appropriation: \$280,000
 Total Project Estimate: \$280,000
 Bid Opening Date: September 6, 1995
