

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Consider Approving Consolidated Plan for HUD Funded CDBG, Home and Other Entitlement Programs for San Joaquin County and all Agreement Cities, Including Lodi.

MEETING DATE: July 5, 1995

PREPARED BY: Community Development Director

RECOMMENDED ACTION: Staff is recommending that the City Council review and approve the Consolidated Plan as presented. This document is required for the City to continue participating in the federally funded CDBG and HOME programs.

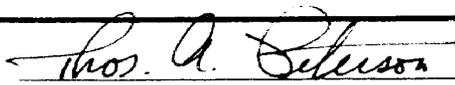

BACKGROUND INFORMATION: The Consolidated Plan was drafted by San Joaquin County Planning staff with information and assistance provided by all the participating cities. The bulk of the information contained in the document is taken from the CHAS, or Community Housing Assistance Plan, which was adopted in December of 1993 for the same purpose. The Consolidated Plan contains an inventory of housing and community development related facilities and services currently being provided and a needs assessment. It also contains goal statements which indicate the areas the City will be trying to emphasize for program funding over the next year and over the next five year period. As contained in the Consolidated Plan, the City will be concentrating its efforts on ADA handicap retrofitting projects/programs, housing rehabilitation, the Hotel Lodi, and other community development needs.

FUNDING: None required.
