NOTICE OF APPLICATION

SuperShuttle of San Francisco, Inc. ("SuperShuttle") has applied to the California Public Utilities Commission for authority to provide on-call, door-to-door passenger stage service between Sacramento Metropolitan Airport (SMA), on the one hand, and points and places in the Counties of Sacramento, Yuba, Nevada, Sutter, Butte, Placer, El Dorado, San Joaquin, Yolo, and Solano. In addition, SuperShuttle has requested authority to establish zones of rate freedom within which the fares for such service will be set. The proposed service would be provided using SuperShuttle's existing fleet of vans and in accordance with the existing rules, terms, and conditions for on-call service set forth in SuperShuttle's tariff.
