

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Plans and Specifications and Advertisement for Bids for Westgate Park Interior Storm Drainage

MEETING DATE: March 2, 1994

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project consists of installing approximately 1,100 lineal feet of 12- and 15-inch storm drain pipe inside Westgate Basin. This piping is connected directly to the storm water pump station located at the basin and will be used to drain the last few feet of water out of the basin after each storm.

This project is funded by the Storm Drain Development Impact Mitigation Program.

FUNDING:

Originally Budgeted:	1993/94
Budgeted Fund:	Storm Drain Development Impact Mitigation
Current Appropriation:	\$37,000
Total Project Estimate:	\$35,000
Bid Opening Date:	March 16, 1994

Jack L. Ronsko
Public Works Director
