

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: City-wide cleanup month

MEETING DATE: June 1, 1994

PREPARED BY: Kirk J. Evans, Administrative Assistant to the City Manager

RECOMMENDED ACTION: That City Council proclaim September 1994 as a time for sprucing up and improving the appearance of the City of Lodi. The theme for these activities will be "Lodi Pride - Community Wide". In addition, it is recommended that Council waive the provisions of Chapter 9.20 restricting garage sales to two per year for the weekend of September 24 and 25, 1994 only.

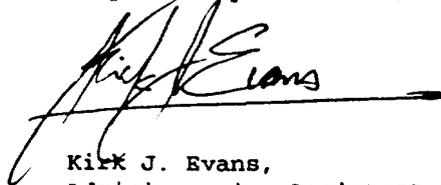

BACKGROUND INFORMATION: The Eastside Improvement Committee, CWRS and City staff would like to initiate a more comprehensive approach to property cleanup in the City of Lodi. The three events proposed as part of "Lodi Pride - Community Wide" will allow residents to:

- a) Dispose of Household Hazardous Waste safely at an event where no fee is charged.
- b) Recycle items which are no longer needed in a household but may be useful to others at a city wide garage sale.
- c) Dispose of larger items at the curb which cannot fit into a trash cart.

A representative from the Eastside Improvement Committee will be present to describe and/or answer questions regarding Lodi Pride Community Wide.

FUNDING: None required.

Respectfully Submitted,

Kirk J. Evans,  
Administrative Assistant to the City Manager
