# COUNCIL COMMUNICATION

**AGENDA TITLE:** Approve Agreement with Lodi Unified School District, Certify the Negative Declaration, and Contract Award for Well Drilling, Well 25, 1014 Holly Drive

**MEETING DATE:** June 1, 1994

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** That the City Council approve the agreement with the Lodi Unified School District and certify the negative declaration for the Well Drilling at Well 25, 1014 Holly Drive. It is also recommended that the City Council award the contract for the above project to Calwater Drilling Company in the amount of \$67,680 and include the unit prices in the contract for increases and decreases in the depth of the drilled well.

**BACKGROUND INFORMATION:** This project consists of drilling one 380-foot deep municipal water well. This well will be located in the play field of Washington School, facing Holly Drive.

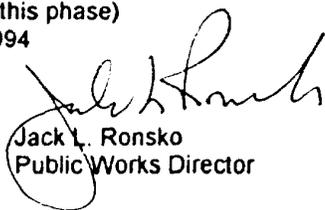

It is being recommended that the City Council approve the agreement with the Lodi Unified School District for the use of the site. In exchange for the dedication of the well site, the City is paying for the design and installation of playground equipment at Washington School. A copy of the agreement is attached.

The Public Works Department is also requesting that the City Council certify the filing of a negative declaration by the Community Development Director as adequate environmental documentation on this project.

Plans and specifications for this project were approved on April 20, 1994. The City received the following four bids for this project:

| <u>Bidder</u>         | <u>Location</u> | <u>Bid</u> |

AGREEMENT  
FOR  
DEDICATION OF WATER WELL AND  
PROVISION OF PLAYGROUND EQUIPMENT

-----

THIS AGREEMENT, entered into this 5th day of May, 1994, by and between the CITY OF LODI, a municipal corporation ("City"), and LODI UNIFIED SCHOOL DISTRICT OF SAN JOAQUIN COUNTY ("District").

W I T N E S S E T H:

WHEREAS, District and City have a mutual interest in the provision of adequate and attractive public facilities for education and recreation for the residents of Lodi and its environs; and

WHEREAS, District and City have a mutual interest in the provision of water that is adequate in both quantity and quality; and

WHEREAS, District holds certain property on the site of Washington School which is suitable for use as a water well; and

WHEREAS, District is in need of new and additional playground equipment and site improvements at the Washington School; and

WHEREAS, District and City desire to undertake for the benefit of the residents of Lodi and the students of the District this agreement wherein District will dedicate land to City for use as a water well and City will provide playground equipment and site improvements at Washington School;

NOW, THEREFORE, BE IT AGREED between District and City as follows:

I. DEDICATION OF WATER WELL

District holds certain property suitable for use as a water well which is located on the grounds of Washington School.

District agrees to dedicate to City a parcel of land for use as a water well, such parcel being described as follows:

The True Point of Beginning lying on the south line of Holly Drive and being the northeast corner of Lot 14 of Bel-Air Estates, as filed for record on July 12, 1954 in Volume 14 of Maps and Plats, Page 21, San Joaquin County Records:

Thence S67° 18' 00" E, 80.0 feet, along said south line of Holly Drive;

Thence S22° 42' 00" W. 80.0 feet;

Thence parallel with said south line of Holly Drive, N67° 18' 00"W, 70.44 feet to the east line of Lot 15 of said subdivision:

Thence N 00° 53' 30" W. 23.89 feet to the southeast corner of Lot 14;

Thence N22° 42' 00" E. 58.11 feet to the True Point of Beginning.

(See Exhibit A)

District understands that City will perform, or cause to be performed, drilling, construction and maintenance activity on the above described parcel of land reasonably necessary to the use of such parcel as a fully functioning water well and that ingress and egress to the parcel by City shall not be restricted.

During the period of actual construction and initial drilling of the well the City will be allowed to use an area extending approximately 20 feet in all directions surrounding the above described parcel as a construction easement. This construction easement will be used for storage of material and equipment and for the purpose of providing adequate space for the actual construction and drilling activity. Such construction easement is temporary and will expire upon completion of the drilling and construction necessary to make the well fully operational.

District understands that City has planned to drill and make operational the above mentioned well during the summer of 1994 and

District agrees to take all reasonable steps to insure that City will not be delayed in this endeavor.

II. PROVISION OF PLAYGROUND EQUIPMENT

City agrees to prepare plans and specifications, handle all bidding and to provide funding for approximately \$25,000.00 worth of playground equipment and site improvements at Washington School more specifically described as follows:

- Purchase and installation of playground equipment;
- Purchase and installation of playground surfacing material meeting ADA requirements (probably wood chips);
- Construction of a concrete curb around the playground area and a handicap ramp;
- Demolition of the existing curbing and removal of existing sand/dirt;
- Securing the area during construction.
- Require contractor to name both City and District as additional insureds on Certificate of Insurance.

City and District agree that District will be responsible for financing and performing all of the following in relation to this project:

- Removal and/or disposal of any trees;
- Removal and/or disposal of any existing playground equipment;
- Removal and replacement of any existing fencing;
- Capping and reinstallation of the existing irrigation lines and any installation of new irrigation lines.

City understands that District anticipates the above-mentioned playground equipment and site improvements will be completed during the spring or summer of 1994. City agrees to take reasonable steps to insure that the above-mentioned playground equipment and site improvements are completed at or near the time anticipated by District for their completion.

III. HOLD HARMLESS.

City and District hereby mutually agree to hold harmless and indemnify the other in proportion to and to the extent that claims or losses to one are attributable to the negligent acts or omissions of the other. Such indemnity shall include attorney's fees.

The prevailing party in any dispute arising under this agreement shall be entitled to reasonable attorney's fees incurred in the litigation or adjudication of such disputes.

IV. BINDING ON SUCCESSORS

City and District agree that this agreement shall be binding on the successors and assigns of the parties hereto.

V. ENTIRE AGREEMENT

City and District agree that this written agreement contains the entire agreement between the parties and any previous or contemporaneous oral understandings, terms or conditions that are in conflict with this writing are hereby superseded.

Any subsequent modifications of this agreement must be in writing and signed by both parties. Any subsequent modifications of this agreement not in writing and signed by both parties shall be void.

IN WITNESS WHEREOF, the parties hereto have set their hands the day and year first hereinabove mentioned.

IN WITNESS WHEREOF, the parties hereto have set their hands the day and year first hereinabove mentioned.
