# COUNCIL COMMUNICATION

**AGENDA TITLE:** Revise Federal Transit Administration (FTA) Section 9 Claim for 1993/94

**MEETING DATE:** October 5, 1995

**PREPARED BY:** Assistant City Manager

**RECOMMENDED ACTION:** Authorize the City Manager to file a revised Federal Transit Administration Claim for funds for fiscal year 1993-94.

**BACKGROUND INFORMATION:** The purpose of this request is to provide funds for Phase II of the Train Depot Project. Phase II is the environmental clearance, master site planning and preliminary engineering plans for moving the Southern Pacific Depot to an area south of Pine Street. The estimated cost of this phase is \$283,400. Initially we had a complete funding plan for this project using State Bond Fund monies, Federal Transportation Funds, and Measure K funds.

We find ourselves in somewhat of a Catch-22 on some of this funding. The funds for acquisition are in place, but must be committed by January 1996. These funds will not be released until the environmental part of Phase II is completed. The funding for Phase II has not been cleared by the California Transportation Commission because a final determination has not been made as to the route of AMTRAC from Stockton to Sacramento.

In order to get Phase II underway, we must fund this ourselves. We have unclaimed capital funds from our allocation of Federal Transit Administration money which can be used for this purpose. The twenty percent match will come from Measure K funds. We therefore need to revise our claim to utilize \$226,720 of unclaimed Federal money to fund the Train Depot Project. In addition, we will show \$56,680 of Measure K Funds as the local match.

<b>FUNDING:</b>	FTA Section 9	\$226,720
	Measure K	56,680
		\$283,400

Respectfully submitted,

Jerry L. Glenn  
Assistant City Manager
