Currently a Systems & Programming Coordinator for San Joaquin County,
Responsible for supporting Government Systems Group: 18 Years experience.

Information Superhighway
I wish to serve on the Task Force _____ (Name of miscellaneous City of Lodi Board or Commission) because:

I am extremely interested in how local governments, especially the City of Lodi, can implement access to this system, whether it can used cost-effectively by the City, and whether the citizens can benefit from it.

Although I have not asked him, I would list Chief Hansen as a reference. We went through the MPA program together, and worked on an extensive project.
