# COUNCIL COMMUNICATION

**AGENDA TITLE:** Adopt Resolution Awarding the Construction Contract for Municipal Service Center (MSC) Compressed Natural Gas (CNG) Fueling Station, 1331 South Ham Lane, to Stockton Service Station Equipment Company, Inc., of Stockton (\$209,660); and Appropriate Funds for the Project

**MEETING DATE:** December 5, 2001

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** That the City Council adopt a resolution awarding the construction contract for the above project to Stockton Service Station Equipment Company, Inc., of Stockton, in the amount of \$209,660; and appropriate funds in accordance with the recommendation shown below.

**BACKGROUND INFORMATION:** This project will provide a centrally-located CNG fueling facility, upgrade existing gasoline and diesel dispensers, install a fuel card system, and upgrade bus, heavy-duty truck, and light-duty vehicle parking.

The City will see reduced fuel costs for its CNG buses, trucks and cars. The City should expect to pay about \$.75 per gallon for CNG. We will also explore the possibility of providing a public fueling point. The City Council previously approved \$446,800 in expenditures for the design and CNG equipment for this fueling station. The requested appropriation for construction of \$230,600 brings the total cost to \$677,400; the original estimate for the entire project was \$660,000. The \$17,400 over the original estimate is due to higher than anticipated construction costs.

Plans and specifications for this project were approved on September 5, 2001. The City received the following two bids:

Bidder	Location	Bid
Engineer's Estimate		\$150,000
Stockton Service Station Equip. Co., Inc.	Stockton	\$209,660
DCM Const. & Services, Inc.	Dublin	\$219,634

**FUNDING:** Requested Appropriation: Federal Transit Administration \$230,600  
Project Estimate: \$230,600 (includes contingencies)  
Bid Opening Date: November 16, 2001

Funding Available:
