

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Authorizing City Manager to Request the Transportation Enhancement Activities Grant be Transferred to the Kettleman Lane Gap Closure Project from the Lodi Lake Bike Path Project (Phase II)

MEETING DATE: January 16, 2002

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt a resolution authorizing the City Manager to request the Transportation Enhancement Activities Grant be transferred to the Kettleman Lane Gap Closure Project from the Lodi Lake Bike Path Project (Phase II).

BACKGROUND INFORMATION: The City of Lodi was awarded a \$163,000 Transportation Enhancement Activities (TEA) Grant from the San Joaquin Council of Governments (COG) for the construction of the Lodi Lake Bike Path. After the field review was conducted by Caltrans, the agency that authorizes the construction of the TEA projects, it was determined that the studies Caltrans would require would consume the majority of the TEA funds. For that reason, staff is recommending that the City request COG transfer the TEA funds to the Kettleman Lane Gap Closure Project because that project already has federal funds and it is on a State highway.

In order for COG to request the transfer, the City needs to assure COG that by transferring the TEA money the City intends to construct the Lodi Lake Bike Path Project (Phase II).

FUNDING: Not applicable.
