## COUNCIL COMMUNICATION

**AGENDA TITLE:** Set Public Hearing for May 5, 1993 to Consider the Planning Commission's Recommendation that the City Amend Title 17 of the Lodi Municipal Code (Zoning Restrictions) to Provide for an Administrative Deviations Procedure

**MEETING DATE:** April 7, 1993

**PREPARED BY:** Community Development Director

**RECOMMENDED ACTION:** That the City Council set a public hearing for May 5, 1993 to consider the Planning Commission's recommendation that the City amend Title 17 of the Lodi Municipal Code (Zoning Restrictions) to provide for an administrative deviations procedure.

**BACKGROUND INFORMATION:** The proposed amendment was generated by recent discussions regarding the adoption of a new Community Development Fee Schedule. The Planning Commission felt that certain types of minor deviations or variances could be handled by City staff thereby saving the applicant the additional time and money to go before the Planning Commission. The proposed administrative deviations amendment establishes precise limitations on the types of variances that can be approved by staff and the magnitude of deviation that can be permitted. It was the intent of the Planning Commission that this process would make the variance process easier and less expensive for the majority of people applying for a variance or a deviation. The Planning Commission also recommended that a nominal fee be charged for this procedure. Attached is a copy of the proposed administrative deviations amendment as recommended by the Planning Commission.

**FUNDING:** None required.
