

# CITY OF LODI

## COUNCIL COMMUNICATION

**TITLE:** Presentation by the Boosters of Boys and Girls Sports Organization (B.O.B.S.) of Two Personal Computers to the City of Lodi Parks and Recreation Department.

**MEETING DATE:** June 2, 1993

**PREPARED BY:** Parks and Recreation Director

**RECOMMENDED ACTION:** That the City of Lodi accept these two personal computers from the Boosters of Boys and Girls Sports Organization (B.O.B.S.) for program purposes.

**BACKGROUND INFORMATION:** The B.O.B.S. had an opportunity to computerize all of the youth soccer registrations and this could not be accomplished on the department's Mini-System 36. Therefore, they generously donated two units to the department that will not only serve their soccer needs but our total program needs. I understand that a representative of the B.O.B.S. organization will attend the City Council meeting to accept this recognition.

**FUNDING:** Computers were purchased entirely by the B.O.B.S. organization. The Parks and Recreation Department may be purchasing additional software for department purposes.

Dear Mr. Akin:

On behalf of the Lodi City Council, I would like to thank you for the generous donation you presented to the City, a check in the amount of \$2,000 to be used towards the purchase of two personal computers in the Lodi Parks and Recreation Department.

In these tough economical times, it can be somewhat difficult to get the needed equipment to assist in running the various departments. Due the generosity of the BOBS organization, the Parks and Recreation Department can purchase the computer equipment it so desperately needs.

Thank you once again, for the Clubs kindness in its donation of \$2,000.

Very truly yours,

Phillip Pennino  
Mayor
