# COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Traffic Signal and Lighting Installation, Highway 12 (Kettleman Lane) and Central Avenue, and Turner Road and Stockton Street/Miwok Drive, and Execute Cooperative Agreement #10-881 with the State of California

MEETING DATE: June 16, 1993

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to B. Cantarutti Electric Co. in the amount of \$140,063.00, and approving State Cooperative Agreement #10-881 between the City of Lodi and the State of California.

BACKGROUND INFORMATION: This project is to install traffic signals at the intersection of Highway 12 (Kettleman Lane) and Central Avenue, and Turner Road and Stockton Street/Miwok Drive. Both intersections meet Caltrans signal warrants and are being funded with Federal funds and Street Development Impact Mitigation Fees.

The recommendation for the contract award is being made pending approval from Caltrans. The approval from Caltrans must be received by the City prior to the award of the contract, otherwise our Federal funding for this project may be jeopardized. This item will be pulled from the agenda if approval is not received before June 16.

It is also recommended that the City Council authorize the Mayor to execute State Cooperative Agreement #10-881 between the City of Lodi and the State of California for the traffic signal work at State Route 12 and Central Avenue. This standard agreement defines the responsibilities of the City and State in designing, installing, and maintaining the signals at this intersection. Basically, the State will maintain the signal and bill the City fifty percent of the costs.

Plans and specifications for this project were approved on April 21, 1993. The City received the following six (6) bids for this project:

<u>Bidder</u>	<u>Location</u>	<u>Bid</u>
Engineer's Estimate		\$ 171,406.50
