

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Approve Plans and Specifications and Authorize Advertisement for Bids for Turner Road Reconstruction, 200 Feet West of Pleasant Avenue to Highway 99 Overpass

MEETING DATE: December 18, 2002

PREPARED BY: Public Works Director

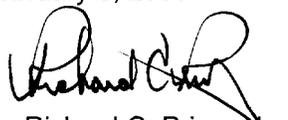

RECOMMENDED ACTION: That the City Council approve the plans and specifications and authorize advertising for bids for the Turner Road Reconstruction Project, 200 feet west of Pleasant Avenue to Highway 99 overpass.

BACKGROUND INFORMATION: This project consists of removing and replacing approximately 198,800 square feet of asphalt concrete pavement; removing approximately 8,000 square feet of portland cement concrete pavement and replacing it with asphalt concrete pavement; constructing landscaped medians; crack sealing; pavement striping; traffic signal modifications; and other incidental and related work, all as shown on the plans and specifications for the project.

The plans and specifications are on file in the Public Works Department.

The money for this project will be coming from State Transportation Improvement (STIP) funds (\$722,000). A request for appropriation of the construction funds will be made at contract award. The amount of funds required will depend upon the base bid and the optional bid items chosen. New median landscaping and irrigation and underpass pavement crack sealing are optional bid items. The new medians are located such that none of the side streets will have restricted access on to Turner Road, as shown on the attached Exhibit A. The landscaping, trees, shrubs and ground cover will be similar in appearance to Lower Sacramento Road.

FUNDING: Project Estimate: \$913,750
Budgeted: 2000/2001 fiscal year
Planned Bid Opening Date: February 5, 2003

Richard C. Prima, Jr.
Public Works Director
