

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Plans and Specifications and Advertisement for Bids for  
Mills Avenue Overlay, Lodi Avenue to Elm Street

MEETING DATE: April 3, 1991

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the plans and specifications for  
the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project will place a pavement reinforcing fabric  
and an asphalt concrete overlay on Mills Avenue from Lodi  
Avenue through the Elm Street intersection.

The paving operation for this project will require that Mills Avenue be closed. The  
street closure will be done in two phases; Lodi Avenue to Pine Street and Pine  
Street to Elm Street. The phasing of the street closure will be less of an  
inconvenience to the public than if the entire length of the project is closed at  
one time.

FUNDING: Originally Budgeted: 1990  
Budgeted Fund: Transportation Development Act, Special State  
Current Appropriation: \$86,000  
Total Project Estimate: \$113,000  
Bid Opening Date: April 17, 1991
