COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding Contract for Kettleman Lane (Route 12) Gap Closure Project from Lower Sacramento Road to Ham Lane and from Stockton Street to Cherokee Lane to Teichert Construction of Stockton (\$2,060,830); and Appropriate Funds (\$2,450,000)

MEETING DATE: September 3, 2003

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution awarding the contract for the above project to Teichert Construction, of Stockton, in the amount of \$2,060,827.00; and appropriate funds in accordance with the recommendation shown below.

BACKGROUND INFORMATION: The project consists of improving Kettleman Lane (State Highway 12) from Lower Sacramento Road to Ham Lane, and from Stockton Street to Cherokee Lane. The improvements include constructing a raised landscaped median at both locations, widening the westbound direction of Kettleman Lane from Lakeshore Drive to Tienda Drive, modifying the Tienda Drive and Kettleman Lane traffic signal to accommodate westbound dual left turns, widening the Walmart driveway to accommodate the two proposed inbound lanes, installing street lights, modifying the Ham Lane/Kettleman Lane and Cherokee Lane/Kettleman Lane traffic signals to accommodate eastbound dual left turn lanes, and constructing a traffic signal interconnect system. These improvements will provide a continuous four-lane roadway with a raised median from Lower Sacramento Road to Cherokee Lane (a separate project has been awarded to construct a raised median from Hutchins Street to School Street). Utility companies are currently relocating facilities in preparation for this widening.

At the July 25, 2003, Board meeting, San Joaquin Council of Government (SJCOG) approved an amendment to program \$2.629 million in Measure K Flexible Congestion Relief funds for the Kettleman Lane Widening/Gap Closure Project. In addition, the Board approved transferring STIP funds earmarked for 2006/07 from the Kettleman Lane Widening/Gap Closure Project to the SJCOG's Route 99 Widening Project. The requested appropriation for this project also includes approximately \$80,000 for construction management services (such as materials testing and surveying) and \$310,000 in contingencies.

Bids for this project were opened on Wednesday, August 27, 2003. Plans and specifications for this project were approved on July 15, 2003. The City received the following four bids for this project:

Bidder	Location	Bid
Engineer's Estimate		\$2,728,567.00
Teichert Construction	Stockton	\$2,060,827.00
A.M. Stephens Construction	Lodi	\$2,094,468.50
George Reed, Inc.	Lodi	\$2,189,960.00
Granite Construction	Stockton	\$2,401,816.00
