COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Amending Traffic Resolution 97-148 by Approving 2-Hour Parking Restriction on the North Side of Pine Street from Stockton Street to 97 Feet East of Stockton Street and on the South side of Pine Street from Stockton Street to 117 Feet East of Stockton Street.

MEETING DATE: September 3, 2003

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution amending Section 3B of Traffic Resolution 97-148 by approving the extension of the 2-hour parking limit on the north side of Pine Street from Stockton Street to 97 feet east of Stockton Street and on the South side of Pine Street from Stockton Street to 117 feet east of Stockton Street, as shown on Exhibit A.

BACKGROUND INFORMATION: Staff has received a request from the owner of the properties located on Pine Street just east of Stockton Street to extend the 2-hour parking limit in front of his businesses. The business on the north side of Pine Street is a market, and an auto repair and tire store exists on the south side.

In addition to these two businesses, land use on Pine Street between Stockton Street and Washington Street consists of a mixture of commercial and residential uses. In order to determine if others in this block were interested in the time-limit parking or objected to the proposal to extend the 2-hour parking limit east of Stockton Street, staff sent letters to all the property owners and tenants. No responses were received. The Police Department will provide enforcement by extending the existing Downtown enforcement routes.

Since we received no objections from property owners or tenants, staff recommends that City Council approve the extension of the 2-hour parking limit on Pine Street, as shown on Exhibit A.

FUNDING: Approximately \$750 to install four time-limit parking signs from the Street Maintenance Account.
