**BACKGROUND:** The fourth annual Celebration on Central, a collaboration between the Community Partnership for Families of San Joaquin and the City of Lodi, will be held Sunday, May 18<sup>th</sup>, noon to 3 p.m. The event, a health and safety fair, targets families on Lodi's east side. The event attracts an estimated 5000 – 6000 people. This year, approximately 70 agencies, organizations, or City departments are participating. Food, donated by the Greater Stockton Area Food Bank and prepared by the Mexican-American Lions Club, will be free to all guests. Children's activities, health screenings, consumer information, and entertainment comprise the event.

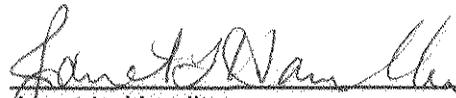

Such an event could not take place without the support of a dedicated group of volunteers and generous donors. We would like to recognize and thank these groups for their efforts.
