CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for August 6, 2003, to Consider Reimbursement Agreement RA-03-01 Establishing an Area of Benefit and Reimbursable Costs for Developer-Funded Public Improvements for 770 North Guiid Avenue and a Resolution Establishing an Area of Benefit and Reimbursable Costs for City-Funded Improvements far the Pi-oject at 770 North Guiid Avenue

MEETING DATE: July 2, 2003

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council set a Public Hearing for August 6, 2003, to consider the following:

I Reimbursement Agreement RA-03-01 for pubiic improvements For 770 North Guild Avenue establishing an area of benefit and reimbursable costs for developer-funded public improvements for 770 North Guild Avenue.

2. A Resolution establishing an area *of* benefit and reimbursable costs for City-funded improvements for the project at 770 North Guiid Avenue.

BACKGROUND INFORMATION: Construction of the Robert Mondavi warehouse facility located at 770 North Guiid Avenue required the installation of ail pubiic improvements necessary to serve the project, including the installation of a master plan storm drain line in the Guild Avenue and Turner Road alignments, extension of a master plan sanitary sewer main from Cluff Avenue to Guiid Avenue. installation of master plan water mains in Lime Street and southeiiy in Guild Avenue to Lockeford Street, as weii as street pavement improvements in Guild Avenue. Due to the extensive nature of the public improvements required to serve the warehouse and in order to facilitate development in the area and minimize future disruption to residents and businesses. the developer, Lodi 2000 Distribution Trust. represented by Robert Mondavi staff, and City staff worked cooperatively to include the installation of all public underground improvements in Guiid Avenue and the Turner Road aiignment, as well as the extension of Turner Road street improvements to Guild Avenue in the warehouse project. The additional improvements included the master plan sanitary sewer main In Guild Avenue north and south of the Mondavi project site. extension of the master plan water main northerly in Guild Avenue from Lime Street and westerly in Turner Road, and pavement improvements in Turner Road from Guild Avenue to the existing terminus. The improvements instailed with the project are shown on Exhibit 1

Under the terms of the improvement Agreement for the project approved by Council 0n May 16, 2001, it was agreed that the deveioper would be reimbursed by the City for the cost of those improvements not required to serve the warehouse project, as well as the cost of installation for the master plan storm drain facilities, excess width street pavement improvements in Guild Avenue, and oversize water and sanitary sewer mains required by LMC 15.64Development impact Mitigation Fees and 16.40 Reimburseinents for Construction.

APPROVED: _____
H. Dixon Flynn -- City Manager

Further. since the installation of the underground utilities required the removal of ail the existing pavement in Guild Avenue. it was agreed that the costs for pavement removal and replacement be apportioned to each of the underground utilities in Guild Avenue as follows: master storm drain, 50%; master water main, 25%; master sewer main, 25%. The pavement costs wouid then be paid by the party responsibie for the cost of the underground utility. The pubiic improvements for the project were accepted by Council in June 2001 and reimbursement to the developer for the City-funded improvements was made in August 2001

Reimbursement Agreement RA-03-01

in April 2002, the developer, Lodi 2000 Distribution Trust, requested a Reimbursement Agreement and establishment of an area of benefit in conformance with Chapter 16.40 of the Lodi Municipai Code for those improvements constructed with their project that benefit neighboring properties. A copy *of* the Reimbursement Agreement is attached as Exhibit 2. Exhibits attached to the Reimbursement Agreement iriciude the proposed area of benefit (Exhibit A), itemized costs for the improvements reimbursable *to* the developer (Exhibit B), and the fair share ainounts to be reimbursed to developers by each benefiting parcel (Exhibit C). As shown on Exhibit C, the pubiic improvements funded by the City are not eligible for reimbursement to Lodi 2000 Distribution Trust.

Installation of the Turner Road improvements shown as Schedule 1 on Exhibit B was required by the City in conjunction with the Mondavi project in conformance with the Improvement Deferral Agreement between the City and California Waste Removal Systems, Inc., recorded June 11, 1998, as instrument No. 98067664. Under the terms of the agreement, Central Vailey Waste Services, Inc., successor in interest to California Waste Removal Systems. inc., was responsible for the design and installation of street frontage improvements along their property frontage upon request by the City. Central Valley Waste Services worked directly with the developer to include those improvements in the Mondavi project and reimbursed the developer at the time of construction for ail costs associated with those improvements. Therefore, those improvements are not included in the Reimbursement Agreement and the Central Valley Waste Services parcels are not included in the Area of Benefit.

Resoiution for Reimbursement to City

in conformance with Chapter 16.40 of the Lodi Municipal Code, the City is eligible for reimbursement for the cost of those City-funded improvements that would be required as a condition of development for neighboring properties. The proposed area of benefit, itemized costs for the improvements reimbursable to the City and the fair share amounts to be reimbursed to the City by each benefiting parcel are shown on the attached Exhibits 3, 4, and 5, respectively.

The areas of benefit for Reimbursement Agreement RA-03-01 and the Resoiution are coincident. A Summary of Fair Share Reimbursement Amounts showing the reimbursement *to* the deveioper and the City for each benefiting parcel is attached as Exhibit 6.

The properly owners within the area of benefit have been notified. The developer has paid the appropriate application fee and the fees to cover the cost of recording the Reimbursement Agreement

In conformance with LMC Section 16.40, staff recommends that Council set a public hearing to establish an area of benefit and reimbursable costs lo recover the cost of pubiic improvements covered under Reimbursement Agreement RA-03-01 and the Resolution.

Pursuant to LMC Section 16.40.50.A.3, the reimbursable amounts shall be recalculated annually to include an amount attributable to interest, using the Engineering News Record (ENR) 20 Cities Construction Cost Index. Similar adjustments to the reimbursable costs will be made each January until payment is received. The initial ENR index to be used in the calculations is 6581. In the event that the benefiting properties develop, the City will collect the appropriate amounts from the developers *of* the benefiting properties, and reimburse the developer and City as appropriate, The charges for a benefiting property shall be paid in full at the time of the first development on that property.

AGREEMENT # RA-03-01

THIS AGREEMENT is made by and between the CITY OF LODI, hereinafter referred to as "City", and LODI DISTRIBUTION TRUST 2000 hereinafter referred to as "Applicant".

RECITALS:

WHEREAS, Applicant is the developer of that certain parcel known as 770 N. Guild Avenue and entered into an improvement Agreement with the City dated May 17, 2001, to construct public improvements needed to serve the development, and

WHEREAS, the Applicant constructed certain public improvements on Guild Avenue and Turner Road (hereinafter "Improvements"), including street pavement, water, wastewater arid storm drain lines, and other miscellaneous and related items, that will serve those properties, hereinafter "Benefit Area", that are designated and shown on the plan attached and labeled Exhibit A to this agreement and indicated thereon; and

WHEREAS, the Applicant has filed a request with the Public Works Director in conformance with Chapter 16.40 of the Lodi Municipal Code requesting reimbursement for those improvements which benefit other properties in the Benefit Area or would be required *of* those properties upon development, and

WHEREAS. the property owners *of* those properties shown in Exhibit A have been notified and the City Council has conducted a public hearing regarding the Applicant's request for reimbursement.

NOW THEREFQRE, in consideration of the mutual covenants and conditions herein contained and pursuant to Government Code Sections 66485 through 66489 and Title 16 of the Lodi Municipal Code, it is hereby agreed between the parties as fallows:

1. The amount of the reimbursable costs due to the Applicant includes construction costs, including utility relocation costs. less any applicable credits plus administrative and engineering design costs (10%), engineering plan check fees, engineering inspection fees (2.5%)and the reimbursement application fee (1%). Total construction costs and costs attributable to the Benefit Area are shown on attached Exhibit B.
2. The reimbursable amount shall be recalculated annually to include an amount attributable to interest, using the Engineering News Record (ENR) 20 Cities Construction Cost Index. On uncollected reimbursements, the reimbursement

rates shall be calculated in January of each year beginning January 2004 by the following formula:

(ENR Jan. 1 of current year) ÷ (initial ENR) X (Balance due Jan. 1 of prior year less payments made during the previous year)

The initial ENR index for this agreement is 6581. The initial reimbursable amounts for each property within the Benefit Area are shown on Exhibit C

3. In the event that the benefiting properties shown on Exhibit A develop, the City shall collect the appropriate charges from the developers of the benefiting property and reimburse the Applicant or the Applicant's heirs, successors or assigns, for a period of fifteen (15) years. The charges for a benefiting property shall be paid in full at the time of the first development on that property.

4. The Applicant shall pay the City $5,030.83 for the preparation of this agreement prior to approval and recording of this agreement. This is based on one percent (1%) of the reimbursable construction costs, excluding engineering, administrative arid other costs.

5 Upon each collection of reimbursement charges, an administrative charge shall be deducted and retained by the City for administering the reimbursement provisions of this agreement. This charge shall be established from time to time by resolution of the City Council. As of the date of this agreement, the current charge is $60.00.

6. This agreement shall inure to the benefit of the heirs. successors and assigns of the Applicant. The City shall mail the reimbursement to the last address of the Applicant on file with the Public Works Director of the City. In the event a reimbursement is returned or unclaimed after two (2) years from the date of mailing, the amount of the reimbursement shall revert to the City and be deposited in the appropriate development impact mitigation fee fund.

7. All correspondence and payments herein required shall be in writing, and delivered in person or sent by registered mail, postage prepaid.

Correspondence and payments to City shall be addressed as follows:

Richard C. Prima, Jr.
Public Works Director
221 West Pine Street
P. O. Box 3006
Lodi, CA 95241-1910

Correspondence and payments to Applicant shall be addressed as follows:

8. This agreement is entered into pursuant to the provisions of Title 16 of the Lodi Municipal Code and !he provisions of that section shall be deemed a part of this agreement.

IN WITNESS WHEREOF. the Applicant and the City have caused their names to be hereunto affixed and the City of Lodi has caused its corporate name and seal to be hereunto affixed by its proper officers thereunto duly authorized.

RESOLUTION NO. 2003-____

A RESOLUTION OF THE LODI CITY COUNCIL ESTABLISHING AN AREA OF BENEFIT AND REIMBURSABLE COSTS FOR PUBLIC IMPROVEMENTS FOR 770 N. GUILD AVENUE

==========

WHEREAS, construction of the Robert Mondavi warehouse facility located at 770 N. Guild Avenue required the installation of all public improvements necessary to serve the project, including the installation of a master plan storm drain line in the Guild Avenue and Turner Road alignments, extension of a master plan sanitary sewer main from Cluff Avenue to Guild Avenue, installation of master plan water mains in Lime Street and southerly in Guild Avenue to Lockeford Street as well as street pavement improvements in Guild Avenue; and

WHEREAS, due to the extensive nature of the public improvements required to serve the warehouse and in order to facilitate development in the area and minimize future disruption to residents and businesses, the developer, Lodi 2000 Distribution Trust, represented by Robert Mondavi staff and City staff worked cooperatively to include the installation of all public underground improvements in Guild Avenue and the Turner Road alignment as well as the extension of Turner Road street improvements to Guild Avenue in the warehouse project. The additional improvements included the master plan sanitary sewer main in Guild Avenue north and south of the Mondavi project site, extension of the master plan water main northerly in Guild Avenue from Lime Street and westerly in Turner Road, and pavement improvements in Turner Road from Guild Avenue to the existing terminus. The improvements installed with the project are shown on Exhibit 1; and

WHEREAS, under the terms of the Improvement Agreement for the project approved by Council on May 16, 2001, it was agreed that the developer would be reimbursed by the City for the cost of those improvements not required to serve the warehouse project as well as the cost of installation for the master plan storm drain facilities, excess width street pavement improvements in Guild Avenue, and oversize water and sanitary sewer mains required by LMC 15.64 Development Impact Mitigation Fees and 16.40 Reimbursements for Construction; and

WHEREAS, since the installation of the underground utilities required the removal of all the existing pavement in Guild Avenue, it was agreed that the costs for pavement removal and replacement be apportioned to each of the underground utilities in Guild Avenue as follows: master storm drain, 50%; master water main, 25%; master sewer main, 25%. The pavement costs would then be paid by the party responsible for the cost of the underground utility. The public improvements for the project were accepted by Council in June 2001 and reimbursement to the Developer for the City-funded improvements was made in August 2001; and

WHEREAS, in April 2002, the developer, Lodi 2000 Distribution Trust, requested a Reimbursement Agreement (RA-03-01) and establishment of an area of benefit in conformance with Chapter 16.40 of the Lodi Municipal Code for those improvements constructed with their project that benefit neighboring properties. A copy of the Reimbursement Agreement is

attached as Exhibit 2. Exhibits attached to the Reimbursement Agreement include the proposed area of benefit (Exhibit A), itemized costs for the improvements reimbursable to developer (Exhibit B), and the fair share amounts to be reimbursed to developer by each benefiting parcel (Exhibit C). As shown on Exhibit C, the public improvements funded by the City are not eligible for reimbursement to Lodi 2000 Distribution Trust; and

WHEREAS, installation of the Turner Road improvements shown as Schedule 1 on Exhibit B was required by the City in conjunction with the Mondavi project in conformance with the Improvement Deferral Agreement between the City and California Waste Removal Systems, Inc. recorded June 11, 1998 as Instrument No. 98067664. Under the terms of the agreement, Central Valley Waste Services, Inc., successor in interest to California Waste Removal Systems, Inc., was responsible for the design and installation of street frontage improvements along their property frontage upon request by the City. Central Valley Waste Services worked directly with the Developer to include those improvements in the Mondavi project and reimbursed Developer at the time of construction for all costs associated with those improvements. Therefore, those improvement costs are not included in the Reimbursement Agreement and the Central Valley Waste Services parcels are not included in the Area of Benefit; and

WHEREAS, in conformance with Chapter 16.40 of the Lodi Municipal Code, the City is eligible for reimbursement for the cost of those City-funded improvements that would be required as a condition of development for neighboring properties. The proposed area of benefit, itemized costs for the improvements reimbursable to the City and the fair share amounts to be reimbursed to City by each benefiting parcel are shown on the attached Exhibits 3, 4 and 5, respectively; and

WHEREAS, the areas of benefit covered by Reimbursement Agreement RA-03-01 and the Resolution are coincident. A Summary of Fair Share Reimbursement Amounts showing the reimbursement to the developer and the City for each benefiting parcel is attached as Exhibit 6. The property owners within the area of benefit have been notified. The Developer has paid the appropriate application fee and the fees to cover the cost of recording the Reimbursement Agreement; and

WHEREAS, pursuant to Lodi Municipal Code Section 16.40.50.A.3, the reimbursable amounts shall be recalculated annually to include an amount attributable to interest, using the Engineering News Record (ENR) 20 Cities Construction Cost Index. Similar adjustments to the reimbursable costs will be made each January until payment is received. The initial ENR index to be used in the calculations is 6581. In the event that the benefiting properties develop, the City will collect the appropriate amounts from the developers of the benefiting property, and reimburse the Developer and City as appropriate. The charges for a benefiting property shall be paid in full at the time of the first development on that property; and

WHEREAS, following the public hearing held August 6, 2003, in conformance with Lodi Municipal Code (LMC) Section 16.40, staff recommends that the City Council approve the following:

1) Reimbursement Agreement #RA-03-01 for public improvements for 770 N. Guild Avenue establishing an area of benefit and reimbursable costs for developer-funded public improvements for 770 N. Guild Avenue; and

2) Resolution establishing an area of benefit and reimbursable costs for City-funded Improvements for the project at 770 N. Guild Avenue.

NOW, THEREFORE, BE IT RESOLVED, that the Lodi City Council does hereby approve the following:

1) Reimbursement Agreement #RA-03-01 for public improvements for 770 N. Guild Avenue establishing an area of benefit and reimbursable costs for developer-funded public improvements for 770 N. Guild Avenue; and

2) Resolution establishing an area of benefit and reimbursable costs for City-funded Improvements for the project at 770 N. Guild Avenue.

Dated: _____, 2003

SUBJECT: Set Public Hearing for August 6, 2003, to Consider Reimbursement Agreement RA-03-01 Establishing an Area of Benefit and Reimbursable Costs for Developer-Funded Public Improvements for 770 North Guild Avenue and a Resolution Establishing an Area of Benefit and Reimbursable Costs for City-Funded Improvements for the Project at 770 North Build Avenue

Enclosed is a copy of background information on an item on the City Council agenda of Wednesday, July 2, 2003. The meeting will be held at 7 p.m. in the City Council Chamber, Carnegie Forum, 305 West Pine Street.

As indicated in the title, the only action will be to set a public hearing date on the item. Public hearings are usually set for the second following Council Meeting.

If you wish to write to the City Council, please address your letter to City Council, City of Lodi, P. O. Box 3006, Lodi, California, 95241-1910. Be sure to allow time for the mail. Or, you may hand-deliver the letter to City Hall, 221 West Pine Street.

If you wish to address the Council at the Council Meeting, be sure to fill out a speaker's card (available at the Carnegie Forum immediately prior to the start of the meeting) and give it to the City Clerk. If you have any questions about communicating with the Council, please contact Susan Blackston, City Clerk, at (209) 333-6702.

If you have any questions about the item itself, please call Sharon Welch, Senior Civil Engineer, at (209) 333-6800, extension 2659.
