COUNCIL COMMUNICATION**

TM

AGENDA TITLE: Approval of Change Order for Geomatrix, Inc.'s Proposal for Waste Management Services for the Lodi Northern Plume Area Work Plan (\$5,504.88).

MEETING DATE: August 17, 2005 City Council Meeting

PREPARED BY: City Attorney's Office

RECOMMENDED ACTION: Staff recommends that council approve the "change order" for Geomatrix, Inc. proposal for waste management services for the Lodi Northern Plume Area Work Plan.

BACKGROUND INFORMATION: Council approved City participation in an agreement in the Lodi Northern Plume to fund approximately \$350,000 worth of testing to be split evenly among nine parties. The original work plan did not include an item for handling and disposal of the waste products created by the testing. This agreement would add that disposal cost to the original contract on the same cost sharing basis.

FISCAL IMPACT: PCE/TCE Cleanup Fund--\$5,504.88
